Enemy in time of war is TREASON. Communism is a known mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at total war with that Enemy. Those three "Decisions" unquestionably give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a Julius Rosenberg. For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the Rosenbergs!

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to fulfill their oaths — to summon forthwith for

proper trial all those Justices who collaborated in those three treason-packed "Decisions".

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

WANTED!

EARL WARREN

FOR IMPEACHMENT

For giving aid and comfort to the COMMUNIST CONSPIRACY, the mortal Enemy of the United States and the American People!

CO-DEFENDANTS

Also wanted for trial and impeachment, on the same charge, are: Justices Brennan, Black, Clark, Douglas; Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and

NAACP were created immediately after that — to carry out that DIRECTIVE!

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — "Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . ."

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND !!!

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and

the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy was to succeed the FBI had to be destroyed!

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Under our laws, giving aid and comfort to an

Correspondent submitted a pamphlet entitled "Supreme Court Chief Ally of Communism" by Myron C. Fagan published by the Cinema Educational Guild, Incorporated, Post Office Box 46205, Hollywood 46, California. As the title implies, this pamphlet is critical of the United States Supreme Court for its decision concerning racial integration of schools and other decisions which Fagan believes have furthered the communist conspiracy.

NOTE TO PHILADELPHIA, CONTINUED

Correspondent advised that the pamphlet had been handed to several employees of the post office by [redacted] on October 22, 1958. The correspondent submitted it for the Bureau's consideration.

Bufiles reflect that the correspondent directed a communication to the Bureau on December 30, 1950, furnishing another pamphlet which he believed to be communistic. The receipt of that letter was acknowledged by the Bureau on January 11, 1951. Bufiles also reflect that John D. Kane, Sr., furnished your office on May 9, 1956, other material published by Cinema Educational Guild, Incorporated, which had also been distributed by [redacted]. You are referred to your letter dated May 17, 1956, captioned "Cinema Educational Guild, Incorporated, Myron C. Fagan, Our Secret Government, Internal Security - X." (100-0-26169) (62-87267-86)

The Cinema Educational Guild, Incorporated, is an anticommunist group. Its director is Myron C. Fagan who has frequently attempted to use the Director's name in furtherance of his anticommunist programs, and it has been necessary on numerous occasions to have him refrain from mentioning the FBI in any manner. Fagan has also been responsible for the distribution of anti-Negro and anti-Semitic pamphlets. (62-87267)

[redacted] Information concerning the background of [redacted] is contained in the report of SA [redacted] dated April 30, 1951, at Philadelphia, and Bulet to Philadelphia dated May 21, 1951, captioned "[redacted] Internal Security - R." These references indicate that [redacted] is a wealthy individual who is allegedly violently anticommunist and, to some extent, anti-Semitic and has in the past spent considerable time writing letters to newspapers and members of Congress protesting the actions of this Government.

WE MUST CLOSE RANKS

In this issue I shall take up where I left off in the last one (No. 64).

My objective in this issue is to *nail down* the guilt of the "United Nations" and the U. S. Supreme Court and spur the fight against both. In order to remove all doubt about what is to follow, I will precede with some pertinent reminders.

For more than forty years the American people, always victorious against all Enemies without, have been desperately waging a losing fight to save our country from an Enemy Within. For the veterans in this fight there is no need to identify that Enemy — nor to describe the camouflages under which he carries on his vicious treason. But during the past several years, and particularly in recent months, I have been deluged with despairing cries from all parts of the nation. Those cries come, in the main, from newcomers in the fight, who cannot understand why victory is so long in coming — many of whom are beginning to despair that victory will ever come. They can't understand why all the traitors that Joe McCarthy exposed were not promptly punished — so they accept the anti-anti-Communists' deliberately misleading contentions that "*Joe's objectives may have been worthy, but his methods were wrong*" . . . they joined in the crusade to get the U. S. out of the UN trap, but because Congress has taken no action, and the Press, Radio and TV continue to eulogize that monstrosity, they begin to doubt — and assume that further support of that crusade is useless . . . they joined in the crusade for the impeachment of Earl Warren and his co-destroyers of our Constitution — but Congress has taken no action, and, in addition, they are told that that objective is impossible, so they assume that further support of that crusade is a waste of money, time and effort.

In short, because they *don't know* why we don't achieve quick victory for every objective they are ready to give up the fight in despair — or in anger.

I DON'T BLAME THEM — THEY DON'T KNOW

Before going any further, I wish to stress that I do not find fault with *any* of the writers of such letters. I quite understand — and sympathize with — their bewilderment, their feelings of frustration, their anger at the seemingly lack of results, their hopelessness and

their despair. I sympathize with them because I went through all of those same emotions during the dozen years that I have been in the fight. All those people joined in the battle because they *rightfully* believed that it was a fight for the salvation of our country — and they fully expected that all loyal Americans would “join up” and go marching shoulder to shoulder with them. But when they looked around and found the vast majority of the American people staying aloof — when they found that the men they have been sending to Washington to guard and defend our country and our Constitution have, instead, been aiding the Enemy — some have become so angry that they are ready to say “*to hell with it all!*” . . . others are so bewildered they cry out in despair, “*oh, what's the use?*”

But what they don't know, those writers of angry and despairing letters, is that the vast majority of the American people have been brainwashed into sound slumber and unawareness that their country is in danger — they don't know that those *traitorous* politicians in Washington who have been betraying us, and for whom they have been voting again and again and again, are puny men, if such can be called men, who, in their frenzy to hold on to their mess of dirty political pottage are willing to forget heritage.

But the most important thing they don't know, or are only vaguely aware of — *and that, unfortunately, is true of the vast majority of the American people* — is that our “Enemy Within” has been implanting his cancerous roots in our nation since the days of the Civil War — and that during the past half-century those roots have been spreading into all phases of our American way of life — into our mass communications systems, into Labor, into Industry, into our political Parties, into Congress, even into the White House.

This is the basic answer for all those who don't know why victory is so long in coming — we are fighting an “Enemy” who is deeply intrenched; who is perfectly organized; who has absolute control of all the weapons. Only one thing can overcome those stupendous advantages — an awakening of *all* of the American people. What we are doing today, *the few of us who are doing it*, is fighting a delaying action until we can accomplish that awakening. And I might add that our present fighting can be likened to that of the Freedom Fighters of Budapest, who, literally, had nothing but sticks and stones with which to fight the armor and tanks of their enemy. And I predict that in the years to come history will record that this delaying action is the only thing that will have saved our nation — just as history has recorded that the harried “Christian Soldiers” of Nero's times preserved Christianity.

But there is still another and even more important thing that even some of our most valiant fighters don't know — *and which, more than anything else, is responsible for the apathy of our people* — and that is the *true identity* of our “Enemy Within.” Ask the average American to name that “Enemy” and invariably his answer will be: the Communists. But he will be wrong. *Bear in mind, I said the “Enemy Within.”* Unquestionably, Communism is the one great menace that is threatening all of the remaining free peoples throughout the world. But in the United States it functions chiefly as the camouflage for the far more sinister and far more evil activities of the Masterminds of the Great Conspiracy — *our Enemy Within!*

Now, I fully realize that that statement is directly contrary to the generally accepted belief that Russia is our one and only mortal foe — and that Communism as a whole is our greatest menace. On the surface that theory is correct, but one hardly needs a military brain like the one our golfing president is *supposed* to have to know that Russia wants no war with the U. S. — *because that would mean World War Three* — and Krushchev and the Kremlin gang dread that kind of a war even more than we do. Krushchev, with all his drunken bluster and bluffing, knows that he is sitting on a smouldering powder keg. Right now he is safe. His secret police hold tight control of the peoples in the Satellites. But that control would not survive a war. At the first sign of war that Balkan powder keg would explode and blow the whole Communist regime to perdition. That bloody episode in Hungary made that poignantly clear to the Comrades. The Secret Police couldn't cope with it — many of the Russian soldiers refused to fire on the Freedom Fighters, some even joined them — only by rushing in Mongol brigades was Moscow able to crush the revolt. In the event of a war it is a foregone conclusion that there would be a “Hungarian revolt” in every one of the Satellites — and, quite likely, in various parts of Russia. The Secret Police would be slaughtered — and it is quite conceivable that the Russian soldiery would turn on their present masters. *And Krushchev knows it!* No, he does not want a war. And Washington knows it, too! A Teddy Roosevelt or a Douglas MacArthur in the White House would long ago have called Krushchev's and/or Stalin's bluffs — and that would have been the end of Russia as a war threat. *In fact, it might well have meant the end of all Communism!*

Anyway, in the following pages I will provide *prima facie* evidence that both Russia and Communism are, *and always have been*, the premeditated tools and instruments of *our* “Enemy Within.” Furthermore, unbelievable as it may seem at first glance, I will

prove that Communism was actually created by *our* "Enemy Within" to be just that . . . that it was nurtured, sustained and master-minded by *our* "Enemy Within" — and that its greatest menace to the American people is that it serves as a perfect camouflage and smoke screen for the Macchiavellian activities of that "Enemy" within the United States.

WHO IS THE "ENEMY WITHIN"?

In the *realistic* answer to that question lies the answer — *and the solution* — to all our troubles.

Several years ago the Chicago Tribune published an article they called "Our Secret Government." That story revealed how a Cabal, composed principally of Internationalist Bankers, is plotting for the complete "take over" of the United States — and that that "take-over" is the salient feature of an over-all plot to give them absolute control of the whole world. That article further established that already the White House, our State Department and all our Government agencies are taking their orders from the Masterminds of that Cabal — that our entire foreign policy, as well as all of our domestic affairs, are dictated by that Cabal. In short, that Cabal is already "Our Secret Government." It mentioned several names as the Masterminds of that "Secret Government." Among them were Herbert Lehman, Bernard Baruch, Felix Frankfurter, Henry Morgenthau, the Warburgs, etc., etc.

That article appeared in only one edition of the Chicago Tribune. It was pulled out of all subsequent editions . . . *we don't need two guesses to know why!*

Other sources give us various other "names" for the same Cabal. Some call it "The Zionists" . . . some call it "The Internationalists" . . . some "The One Worlders", some "The Hidden Empire", etc., etc. All name the same men as the Masterminds. And all those sources are right. But whatever that Cabal is called, the simplest name for the entire plot is: "The Great Conspiracy."

In our News-Bulletin of July 1954 (No. 38) we traced the entire background of this "Great Conspiracy", clear back to the arrival in America of Jacob H. Schiff to organize and mastermind the plot to gradually undermine and acquire control of the free government of the United States—and then transform our nation into a unit of a one-world government that would be as completely controlled by this Cabal as Hungary is completely enslaved by Moscow.

In 1918 they felt the time was ripe for their scheme — and they

created the "League of Nations" to be the preliminary set-up for the "One World Government" to follow. That monstrosity was proclaimed as the brainchild of phoney humanitarian Woodrow Wilson — but its real architect was Jacob H. Schiff's super-errand boy, Edward Mandel House. We escaped that trap because one man, Senator Henry Cabot Lodge (*not the phoney using that name today*), kept us from being sucked into it.

In 1945 they again decided that the time was ripe and they set up the "United Nations." This time they proclaimed it to be the brainchild of Franklin Delano Roosevelt, whom history will record as the craftiest, most vicious, most unprincipled political charlatan in the history of the United States. Here again we find that the real architect of this present monstrosity was not Roosevelt, but one Alger Hiss, a convicted traitor and spy — *and a known "protege" of Felix Frankfurter and all the other Masterminds of the Great Conspiracy!*

Now, can there be any doubt as to who are the *real* architects of both those monstrosities? — Or as to their common objective? That is the one feature about the American people that really perplexes me. Certainly, every American, man and woman, knows all about Alger Hiss. They all know that Hiss, in collaboration with Molotov, wrote the UN Charter. Granting that they have no direct knowledge that he was merely the "ghost writer" for the Masterminds of the Great Conspiracy, the very fact that that known traitor had *anything* to do with the creation of the UN should be enough to completely damn that monstrosity. Yet, many, perhaps a majority, of the American people continue to be "sold" on it.

Of course, there is only one answer for their gullibility: — TV and Hollywood. The rugged American people of a half-century ago would not have been so easily taken in — but, in all fairness, it must be recognized that the people of those days had not been subjected to a half-century of softening up for the brainwashing.

Now I will submit my promised *prima facie* evidence that the evil ideology that since 1918 has been operating under the name of "Communism" was created by *our* "Enemy Within" to camouflage their activities in the United States.

FIRST: THEIR ACTIVITIES

In our July 1954 News-Bulletin (No. 38) entitled "UN is Crux of The Great Conspiracy", I traced the background of that plot back to 1867, when Jacob H. Schiff entered the United States as an humble emigrant. He came here as an emissary of the Rothschilds,

then the hierarchs of "The Great Conspiracy", with instructions to "buy" into a desirable Banking House. At that time Kuhn-Loeb and Company was a small and insignificant outfit, money lenders and pawnbrokers rather than Bankers, operating in Cincinnati. But it evidently fitted into Schiff's — and the Great Conspiracy's purposes. He "bought" in — and Kuhn-Loeb moved to New York. Shortly after that Kuhn died — and Loeb sold his interests to Schiff. Immediately, Kuhn-Loeb became the most important Banking House in America, with inexhaustible funds — Rothschild's, of course — at its command. Thus the "Great Conspiracy" was launched in the United States.

In that same "News-Bulletin" I reported — *and documented* — all of the plottings of the Cabal from that year to the present.

Their first important step was to get control of the money system of the United States. They enticed all the International Bankers in America to join them in that plot. That included not only their natural allies, such as the Lehmans, the Seligmans, Warburgs, Goldman-Sachs, Lazard Freres (Eugene Meyer), Brown Brothers, the Speyers, etc., but renegade Americans, such as J. Pierpont Morgan, the Biddles and Drexels of Philadelphia, Stillman and Vanderlip of the National City Bank of New York, Aldrich of the Chase Bank, etc. The lure for even a Morgan to support Schiff's scheme is obvious: in those years London was the supreme Money Mart of the World — that meant the House of Rothschild.

Anyway, it was that Combine that railroaded Congress into passing the "Federal Reserve Act" in 1913 — *and transferred complete control of our Money System to the Great Conspiracy.*"

Their next most important step was to get control of our Press, Radio and Hollywood (and later TV), to be used not only to suppress and/or slant news, but to "sell" the people, *brainwash them*, into accepting whatever propaganda the Great Conspiracy would require to achieve their various objectives. *And they succeeded!* They "sold" us the utterly unscrupulous Roosevelt as a saintly humanitarian — they "sold" us that mediocre barracks soldier, Eisenhower, as a military genius and great administrator.

(NOTE: In our News-Bulletin (No. 40) of November 1954, I revealed their take-over of our press—and their methods of blackmailing loyal American publishers and Editors into suppressing and/or slanting the news . . . in our News-Bulletin (No. 55) of February 1957, I revealed their iron control of ALL our TV Channels . . . in our News-Bulletin (No. 54) of January, 1957, (plus other books and News-Bulletins), I revealed their take-over of Hollywood, and how they used the Screen to brainwash the people and foment race, color and creed hatreds.)

At the same time they were infiltrating our political Parties, — but concentrated on the Democratic. That Party was the most vulnerable, because it lacked financing. Their objective was, of course, to plant a chosen tool in the White House. They accomplished that in 1913, and that was when, with Woodrow Wilson completely under their control, the Great Conspiracy moved on to its next, and what they hoped would be their final great step — *World War and a phony "League of Nations" to be transformed into a One-World Government!*

FARFETCHED?

There are some who read this who may take issue with the above conclusion. They may accept the fact of a Great Conspiracy, but the idea that it must be accomplished by war is too horrifying for belief.

Very well; I realize that in order to convince the reader that his (or her) support for our crusades is a life-or-death MUST for the salvation of our country I must remove all doubts, so let's explore my charge.

The one and only *bait* for a One World Government is that it will insure PEACE. The only thing that can make people forget nationalism and cry for peace is WAR.

War brings chaos, destruction, exhaustion — to winner as well as to loser. It brings economic ruin to both. Most important, it destroys the flower of the young manhood of both. To the saddened heartbroken mothers and fathers, who are left with nothing but memories of their beloved sons, peace becomes worth any price . . . and that is the emotion upon which the Conspirators depend for the success of their Satanic scheme!

Now, throughout most of the 19th century and until 1914 the world, as a whole, was in peace. Such wars as the Franco-Prussian, our own Civil War, the Russia-Japanese war, were what might be termed local disturbances that did not affect the rest of the world. All the great nations were prosperous, the people staunchly nationalistic and fiercely proud of their sovereignties. Under such conditions it was utterly unthinkable that the French and Germans would be willing to live under a One-World government — or the Turks and the Russians — or the Chinese and the Japanese. Even more unthinkable that a Kaiser Wilhelm, or a Franz Joseph, or a Czar Nicholas, or any monarch, would meekly surrender his throne to a One-World government. Only one thing — WAR — could

eliminate monarchs — and make people yearn for a PEACE insuring One-World Government.

But it would have to be a frightful and horribly devastating war. It could not be a "local disturbance" war between two nations. It would have to be a WORLD WAR! No major nation must be left untouched by the horrors and devastation of that war. The cry for PEACE must be universal . . . *the first World War did just that!*

I won't stop to deal with how the Conspirators accomplished it — but bear in mind the significant fact that that first World War was precipitated by a trivial incident: the assassination of an Austrian Archduke — an assassination for which there has never been a satisfactory explanation.

RUSSIA STILL IN THEIR WAY

By 1917 the Great Conspiracy had achieved its primary objective. The whole world was war weary and crying for peace. And the outcome too was all set by then: as soon as the United States would be hurled in on the side of the Allies (*and that was all set to happen immediately after Wilson's re-election*) there could be only one outcome.

That outcome would eliminate all the monarchs of the defeated countries and leave their peoples in a confused and bewildered state perfectly conditioned for what the Great Conspiracy intended. But there still would be one obstacle—possibly an insuperable one, to-wit:

Russia, one of the Allies, would be on the winning side. Therefore the Czar would still be securely on his throne. Russia, under the Czarist regime, had been one of the great nations in which the Great Conspiracy had never been able to make any headway—had never been able to infiltrate their termites. A winning Czar would be more difficult to deal with than ever. Even if he were enticed into a "League of Nations" he would never, *but never*, go for a One-World government. Obviously the Czar would have to be liquidated—and it would have to be done before the close of the war!

TROTSKY AND LENIN SCHIFF'S BOYS

During the early years of this century there was a gang of terrorists who called themselves the Bolsheviks. Their intended prey was Russia—and all of them were Russian born. Most of

them were jailbirds, bank and train robbers, refugees from Siberia, etc. At best, they were a Russian version of the gangsters (Capone) in our own various undergrounds. Definitely, they were not known as Communists. In fact, in those early years the word Communism was virtually unheard. There was a group of bizzare characters in London who spouted Marxism and called themselves Communists, but the Bolsheviks had very little in common with them.

The two most prominent "chiefs" of the Bolsheviks were Nicolai Lenin (Ulianov) and Leon Trotsky (Bronstein). Prior to the outbreak of the war Lenin "resided" in the slums of Paris—after the outbreak Switzerland became his haven. Trotsky's "headquarters" were on the lower East side of New York. Both were similarly bewhiskered and unkempt—in those days that apparently was the badge of Bolshevism. Both lived well, yet neither had a regular occupation. Both seemed always to have plenty of money, yet neither had an apparent source of steady income. But all those mysteries were solved in 1917.

Early in that year Lenin entertained strange visitors in his Switzerland hideout—men of the very highest places in the world. One was Edward M. House, the mysterious Colonel House who was Woodrow Wilson's palsy-walsy and, more significant, Jacob Schiff's special messenger boy. Another of the visitors was one Warburg, Chief of Germany's Secret Police, a partner in the M. M. Warburg Banking House of Germany and a brother of Paul Warburg of Kuhn-Loeb and Company. There were others, but we are primarily concerned with just those two . . . and here it must be stressed that by then the United States and Germany were at war and therefore House and Warburg were "enemies"—but in Lenin's house they were all "friends."

Following those visits a sinister gang of characters streamed into Lenin's "headquarters." There was Max Litvinoff, a con man from London; Kaganowitch, a smuggler and fence; Joe Stalin, then a minor Jesse James of the Ural Mountains, and others of that ilk—obviously, something big was in the wind.

At the same time similar strange and mysterious goings-on were taking place in New York. Night after night the unkempt Trotsky darted furtively in and out of Jacob Schiff's palatial mansion. And in the dead of those same nights there were gatherings of hard-faced characters at Trotsky's headquarters—all of them one-time immigrants from the ghettos of Russia and Poland. But it all remained shrouded in deep mystery—nobody "talked." Then, all of a sudden, Trotsky disappeared. And with him, between two and three hundred of the previously mentioned hard-faced denizens of the lower East Side. All were on the high seas on a Schiff-chartered ship, bound

for their rendezvous with Lenin and his gang of ruffians. And in that ship there was twenty million dollars in gold—the money Schiff provided to finance the Bolsheviks' take-over of Moscow!

At one point the whole adventure came very near to ending in disaster—the Schiff-chartered ship had almost reached its destination when it was intercepted and taken into custody by a British warship. But Mister Schiff quickly instructed Colonel House to order Wilson to order the British to let his gang go on their way. Wilson obeyed—the British obeyed—Trotsky joined Lenin.

But they still faced what ordinarily would have been an insurmountable obstacle—how to get the Schiff-Trotsky-Lenin gang of terrorists across the borders into Russia. That was where brother Warburg came in—he loaded all those gangsters into sealed freight cars and made all the necessary arrangements for their secret entry into Russia.

The rest is history and needs no repetition in these pages. What I wish to stress at this point is that the 1917 rape of Russia was accomplished not by COMMUNISTS but by the BOLSHEVIKI—and, even more important, that it was master-minded and financed by Jacob H. Schiff and his co-conspirators in New York. Remember that as you read further!

Until the end of 1917 the entire plan of the Conspirators worked perfectly. All the great nations were war-weary, devastated, mourning their dead. PEACE was the one great universal cry. Thus, when it was proposed to set up a "League of Nations" to insure peace all the great nations jumped on that bandwagon without even stopping to read the fine print in that "insurance" policy. That is, all but one—and the one that the Conspirators least expected to hold out . . . and that was their one fatal mistake!

When Schiff and his co-conspirators planted Woodrow Wilson in the White House they assumed that they had the United States in the proverbial bag. Woodrow Wilson, the champion of the little people, the great humanitarian! There was every reason for the Conspirators to believe that he would easily horn-swoggle Congress into buying the "League of Nations" sight unseen—just as, in 1945, Congress DID swallow the "United Nations" sight unseen! But in 1918 there was one man in the Senate who saw through the scheme. He was a man of great political stature—and a great and loyal American. He was highly respected and trusted by every member of Congress and by the American people. He unmasked Woodrow Wilson—and kept the United States out of the "League of Nations." That great American patriot was Henry Cabot Lodge—not the political charlatan who for the past 30 years has been making political hay for himself by pretending to be Henry Cabot Lodge JUNIOR!

-10-

That was the end of "Quisling" Woodrow Wilson—he died an imbecile shortly after that. And that was the end of the "League of Nations" as the Great Conspiracy's springboard into "One World Government." But it was not the end of the Great Conspiracy!

THEY START ALL OVER AGAIN

The one thing that defeated Wilson's frenzied efforts to suck the United States into the "League of Nations" was the solidarity of the American people. That convinced the Great Conspiracy that they would never be able to suck us into any form of One World Government, or even into any other form of a "League of Nations," as long as that solidarity would exist. Right then and there the destruction of that solidarity became their number one priority objective.

"MINORITY GROUPS" THEIR TOOL

The Great Conspiracy had long toyed with the idea of using the foreign elements in our nation to create Race, Color and Creed dissensions and hatreds. The very composition of our nation lent itself to the idea. Every large city in the United States, outside of the Deep South, has large concentrations of foreign groups, with each group virtually a segregated community all by itself. But while each group was ready to fight any other group at the drop of a hat or a word, none of them posed any real problems for the nation. They were all more or less a group of unruly children in one household—but they all respected the head (Uncle Sam) of the house. In their own peculiar ways they were good and loyal Americans—and, in fact, most still are. In all fairness, we must confine all of our "Minority Group" dissensions and subversions to the two groups that are directly responsible for them; to-wit: the Jews and the Negroes.

It is hardly necessary to go into the whys and wherefors for the susceptibility of the Jews and Negroes to the temptations of the Great Conspiracy. For the Jews, the answer is found in the names of the Masterminds of the Great Conspiracy and of their thousands of Rabbinical pied pipers such as Stephen Wise, Emil G. Hirsch, Hillel Silver, Joachim Prinz, etc., etc.

As for the negroes, the bait held out to them was De-Segregation. But in those early years the darkies, as a whole, were content and

-11-

happy, and for a long time the Great Conspiracy made no headway with them—for two reasons: 1) all respected negro leaders shunned the scheme . . . 2) it lacked *organizational* direction. So, in 1909 the Masterminds decided to “organize” them and they created the “National Association for the Advancement of Colored People.”

I will come back to this “Association” later, but at this point it is pertinent to stress its most important feature—and that is that the roster of the original founders and officers of NAACP clearly establishes that *it has never been a Negro organization*. Except for a few nondescript negroes, none of them accepted leaders of the race, the officers and directors always were Whites—and the names of those Whites are highly significant! Among those “names” are Rabbis Hirsch and Wise; Jacob H. Schiff; Julius Rosenwald; Mary Ovington, member of a notorious Abolitionist family; Jane Addams, a notorious “bleeding heart”; Lincoln Steffens; John Dewey, etc., etc. All the Presidents of NAACP have been Whites, the present one being Arthur B. Spingarn, a Jewish Lawyer—and an affiliate of the “Anti-Defamation League.” And among the present Officers and Directors are such characters as Oscar Hammerstein, Norman Cousins, Wayne Morse, Rabbi Judah Cahn, Eric Johnston, Walter Reuther, Herbert Lehman, Eleanor Roosevelt and other Whites whose favorite color is RED—the Red of the Great Conspiracy!

Now let's turn to the other side of the “Minority Group” coin—by far the most important side: the “Anti-Defamation League.”

In our January 1950 “News-Bulletin” (No. 9) and in “Red Treason on Broadway” I thoroughly unmasked the ADL, so there is no need to waste further space of this issue on that terrorist outfit—except for one very revealing feature, to-wit: among the original founders and financial supporters of the ADL, as among those of the NAACP, we find the names of Rabbis Hirsch and Wise, of Jacob Schiff, Julius Rosenwald, the Warburgs, Herbert Lehman, Felix Frankfurter, etc., etc. . . . the same birds of the same feather flock together, in both gangs!

THEY NEED A CAMOUFLAGE

I have set down all of the above to serve as *prima facie* evidence for the elaboration of my charge that Communism was brought into our country to serve as a camouflage—and scapegoat—for the far more dangerous activities of our “Enemy Within” . . . and, in particular, to “cover” the “Minority Group” agitations of the ADL and NAACP.

At the same time I shall establish that Communism, as a whole,

was created by our same “Enemy Within” to serve as the master tool for their entire Great Conspiracy to suck the whole world into their One-World Government trap.

Until 1918 the Masterminds placed all their reliance for final success on the War—and the League of Nations. Therefore, they did not press their Minority Group agitations. All such activities, were more or less minor skirmishes to keep us off balance—to disrupt the unity of the American people—soften up our nationalism—to condition us to welcome the PEACE of a One-World Government.

But the nation-wide support of Henry Cabot Lodge against Woodrow Wilson startled them. They quickly realized that their “League of Nations” was headed for the rocks . . . they sensed that their “captive” Democratic Party would be swept out of Washington in 1920 . . . they realized that they would have to do their job all over again. But, more important, that was when they realized that they would never succeed unless they would first utterly destroy the unity of our people!

There was only one sure-fire way to do that—create race, creed and color dissensions and hatreds. But this time there was to be no dallying with half-measures—it was to be a ruthless all-out internal WAR between all Religious and Ethnic groups . . . but the chief objective was the creation of a murderous hatred between the Blacks and the Whites. The NAACP, amply financed, was to be the “front” for the negroes—but the ADL was to mastermind the entire “war” and provide the militant leadership for the otherwise inept NAACP. Naturally, DESEGREGATION was again to be the bait for the negroes. But this time it was to carry with it not only equality with Whites but a tacit promise of MASTERY—a promise of White men’s jobs—of complete fraternization with Whites—it promised them White Women! . . . Anybody who doubts that all that was the collective price for the negroes collaboration in the plot of our “Enemy Within” can easily find full confirmation in Washington, D. C., in New York, Philadelphia, Chicago, Detroit—in any large city outside of the Southern states—and in the present “Desegregation Decisions” of Earl Warren and his eight co-Judases!

BIRTH OF COMMUNISM

Their plan to use the “Minority Groups” as their principal tool was a dangerous one. The Masterminds knew that if the American people saw through it there would be a blood-bath for all the Jewish people in America such as would make all the “pogroms” in

Europe fade into insignificance. Not because all of them would be deserving of it, but there is a definitely understandable reason why they would *all* suffer it: since its inception the ADL has proclaimed itself to be the supreme voice and protector of all the Jews in America. The vast majority of them, through fear or otherwise, have never seen fit to refute that claim. Hence, *ipso facto*, all the crimes committed by the ADL have become the crimes of all the Jewish people. In the rage following discovery, the people would not stop to differentiate—the innocent would suffer with the guilty.

The Masterminds had to find a way to avert such a discovery. Not because they were greatly concerned about what it would do to their people, but because it would at once and forever smash all their One-World plans. So they had to find some way to cover up their activities—something that would distract the attention of the American people. And it had to be something of world-wide transcendent importance.

Now, at that particular moment the “liberation” of Russia was the sensational event of the age. It was of transcendent importance to the American people who have always been keenly interested in furthering the freedom of all peoples. The Masterminds decided to seize upon that emotion to make the “liberation” of the Russian people their camouflage. It would be easy to enlist American sympathy and aid for the furtherance of the “freedoms” of the Russian people . . . it would be easy to flood this country with organizations (*such as “American-Soviet Friendship”*) . . . they could have the (controlled) Press and Radio yammering about the Russian people and their new-found “freedom.” In short, they could focus the attention of the American people on Russia and thus divert their attention from what was being done to *their* “freedoms.”

But there was one serious flaw in that scheme: the “liberators” of the Russian people were the Bolsheviks; the only mental picture that the American people had of a Bolshevik was a ridiculous looking hairy ape, dirty, unkempt, repulsive, slinking around with a knife in one hand and a sputtering bomb in the other—hardly the kind of a figure to inspire sympathy or admiration. As for Bolshevism itself, it was about as idealistic as Capone’s “protection” racket. Obviously, that kind of “liberation” and “Liberator” could neither capture nor hold the attention of the American people. The Masterminds knew that they would have to find some way to enoble the “Liberator” and clothe the “Liberation” with some kind of idealism. They decided that Karl Marx and Communism, both virtually unknown in the United States, could be used to turn the trick.

So, in October 1918, Jacob Schiff dispatched Colonel House to

Moscow with orders to Lenin to change the name of the Bolsheviks to the Communist Party—and to adopt the Karl Marx Manifesto as the “bible” of the Party. Lenin obeyed—in the following month he issued an official statement, formalizing the change.

Shortly after that, at a so-called “Rally” in Chicago, the same Masterminds launched the “Communist Party of the United States”!

It was at that “Rally” that a noted quipster wisecracked that thenceforth NAACP would stand for “*Negroes And Associated Communist Party*”—rather mindful of that old saying: “*Many a true word spoken in jest.*”

And it was that “Rally” that caused the Masterminds to change their entire strategy. The ease with which they launched Communism in the United States, together with the amazing “whitewash” of the Kremlin hoodlums with just one coat of Communism, convinced the Masterminds that in this new “ideology” they had an instrument that could be used to further their plot in all parts of the world. Thus, beginning in 1920 “Communist Parties” were set up in practically every country in the world—where they served as fifth columns—and sabotage and espionage agencies.

Now, of course, all those Communist activities have always been charged to Moscow. But bear in mind that throughout his career as Dictator of Russia and titular chief of the Communist Party Lenin was taking his orders from Schiff. We know that! Now, bear in mind that Stalin’s regime was fast foundering and was saved in 1933 by Roosevelt’s “Recognition”—that Roosevelt again saved him in World War Two—and (*we know*) that Roosevelt was taking his orders from the Masterminds of the Great Conspiracy! And now bear in mind that at Teheran the same Roosevelt gave Stalin the green light for the Communist take-over in China—and at Yalta he gave him the green light for the Communist take-over of all the Balkan Countries.

Now, is there anybody so naive as to believe that all those betrayals—*all of the same pattern*—could have been mere coincidences? Are we to believe that Eisenhower’s betrayals in World War Two—*all of the same pattern*—were mere co-incidences? Are we to believe that both Roosevelt and Eisenhower committed all those betrayals just to make Stalin happy? Only a moron could believe that!

Anyway, there is one thing that we don’t have to do any guessing about—we know that, *to all intents and purposes*, Communism was actually born in the Wall Street offices of Kuhn-Loeb and Company, the headquarters of The Great Conspiracy to destroy the United States . . . that the Russia that today is our mortal enemy was

born in that same "bed"! . . . that there, too, were born the "League of Nations" of 1918 and the "United Nations" of 1945.

All of the above statements are *historic and documented facts* which should be—*must be*—made known to all of the American people. Because only when all the people know the full truth will we be able to destroy the serpentine "Enemy Within" our nation!

SUPREME COURT IS GREAT CONSPIRACY TOOL!

In our July-August 1957 "News-Bulletin" we reviewed the deeds of Earl Warren and his Associate Justices and proved beyond the shadow of a doubt that all those nine men have dedicated themselves to the service of our "Enemy Within" . . . we established with *prima facie* evidence that those men were placed in their dangerously high offices for the express purpose of sabotaging all of the defenses created by our Constitution for the safeguarding of our country and the freedoms of the American people.

We followed up that "News-Bulletin" with a six-page "Tract" in which we cited their most vicious deeds—and in which we urged all loyal Americans to demand of the men they sent to Washington to guard our nation that they take the necessary steps (*impeachment*) to stop that treason.

Within the following three months there were several hundred thousand copies of this "Tract" circulating throughout the nation. In turn, thousands of copies were poured into the offices of all the members of both Houses of Congress—together with personal letters demanding prompt action.

In my office I have many hundreds, perhaps thousands, of the replies from various Senators and Representatives. Some, *tragically only a comparative few*, whole heartedly agree that the Supreme Court is now our country's most virulent cancer—and that *impeachment is our only cure* . . . others agree more cautiously—but promise to support such Congressional action if *somebody else will start it* . . . still others, who assertedly agree that those nine men should be impeached, virtually express a "surrender" attitude by pointing out that all the members who represent "Minority Group" Districts and States would refuse to support such action . . . and still others contend (*amazingly*) that there is no legal machinery that permits such drastic action.

That last statement is either a phony alibi—or a confession of abysmal ignorance of all the safeguards and protective measures in

our Constitution. Because there is a distinct and definite provision in our Constitution under which Congress can remove from office the Chief Justice, and/or any Associate Justice, for "*improper behavior*." Furthermore, Congress does not even have to go through any of the impeachment processes for such a removal—a mere majority vote is all that the Constitution requires.

And in the above mentioned "News-Bulletin" and "Tract" we cited case after case of "*improper behavior*"—if "Decisions" that nullify laws passed by Congress to prevent treason and sabotage can be so lightly described—"Decisions" that are *wittingly and deliberately intended to prevent Congressional Committee investigations of plots and/or of individuals plotting such treason—"Decisions" that are *unconstitutional* and are deliberately intended to create Racial dissension and strife throughout the Land.*

In my personal opinion, and there are many who are wise in the lore of our Constitutional laws who agree with me, the mere expression of "*improper behavior*" does not begin to cover those deeds—and that is why mere removal from office is not enough. They should get "*the punishment to fit the crimes*." They should be *impeached*—and then tried for their deeds . . . exactly as Marshal Petain and Pierre Laval were tried and punished!

Such action by Congress would automatically serve as a dread warning to all the other tools of the Great Conspiracy—and to the very Masterminds of the Conspiracy!

And now let's see just how "*improper*" their conduct has been—let's view it through the eyes of other Justices, any one of whom knows more about Constitutional law than all those nine old men put together.

TRIED — AND FOUND GUILTY

Once every year the Chief Justices of all 48 states meet in what is called the Conference of the Chief Justices. This year they met in Pasadena, California, during the week of August 18. The first subject on their agenda was the matter of the U. S. Supreme Court—especially the "Decisions" affecting Communism and general security issues.

The first "Decision" that came under review was the most recent one, which ruled that the Secretary of State has no statutory right to refuse passports to persons because of "*beliefs and associations*."

The effect of that "Decision," it was observed, was that the gate

has been opened to every enemy of the United States, including Communists, fellow travelers and other subversives, to thumb their noses at the State Department, demand and obtain passports and go around in other countries doing their utmost to destroy this nation.

The Conference also issued a sharply critical report by its Committee on Federal-State Relationships as affected by Judicial Decisions, which was officially approved by the Conference. The Supreme Court was curiously reminded that it should "exercise one of the greatest of all judicial powers—the power of self restraint." The Committee report in part said:

"We believe that . . . the Supreme Court too often has tended to adopt the role of policy maker without proper judicial restraint."

The Conference took note that it has become a common complaint that the Supreme Court has now become, "through its radical Decisions," a policy maker and virtually a law maker, usurping the powers for which the people elect leading citizens to Congress. The Committee's report asserted that:

"It has long been an American boast that we have a government of laws, not of men. We believe that any study of recent 'Decisions' of the Supreme Court will raise at the very least considerable doubt as to the validity of that boast."

While the Committee made it plain that the State Chief Justices are primarily concerned with "*the effect of the Supreme Court Decisions upon the relations between the Federal and State governments,*" and *States rights and the encroachment of Federal power upon the States*, they left no doubt that the entire field of Supreme Court Decisions were under fire—and that the "nine old men" went far outside their Constitutional rights and powers to give aid and comfort to the Communist Conspiracy.

The Conference chairman, Chief Justice John R. Dethmers, of Michigan, warned that "*too much policy making by the U. S. Supreme Court may eventually prove destructive to our way of life!*"

Now, let's bear in mind that the men of this Conference are themselves Justices—that they would naturally be sensitive about criticism of any others of the Judiciary, especially those of the highest court in the Land. Yet, stripping their report of all the verbosity of legal phraseology, their report clearly accuses the U. S. Supreme Court of enacting laws instead of interpreting them, of insufficient self-restraint, and of inconsistent reversals. This Report was overwhelmingly approved 38 to 6, four of the Chief Justices not being present. That approval came from jurists from North,

East and West. The Southern judges voted approval without exception.

The Conference made no direct reference to the Little Rock case. None was needed, really. Little Rock has been the catalytic force which has united all the new and old antagonists to the highest tribunal in the land. But the revered and venerable Judge Learned Hand brought up Desegregation in his Oliver Wendell Holmes lectures at Harvard Law School this year. He said:

"It seems to me that we must assume that the Supreme Court did mean to reverse the legislative judgment by this appraisal." He was comparing the present Court's integration rulings with the old "separate but equal" verdicts.

"I cannot frame any definition that will explain when the Court will assume the role of a third legislative chamber and when it will limit its authority to keeping Congress and the States within their accredited authority," said the man looked up to by all Judges, including the nine unscrupulous politicians now on the Supreme Court . . . in plainer words, he might have said: *"Nobody knows how far these brazen men will dare to go."*

THE JENNER BILL

Simultaneously with the above events, the Jenner Bill, aimed bluntly at clipping the jurisdictional wings of the Court, was shelved by the breath-taking margin of 41 - 40 . . . the significant point about that is, had the 1957 and early 1958 furore against the Court heightened instead of diminished the Bill might have been passed as overwhelmingly as was the "Conference Report." And it is common knowledge that Jenner had hoped to make his Bill the springboard to impeachment proceedings!

Now let's go on to an even more startling (Senate) appraisal of these "nine old men:"

THE "SUPPRESSED" SENATE REPORT

During early April hearings on Senator Jenner's Bill a startling official Senate Report came to light. This Report was published by the Senate Internal Security Committee, and is called *"The Supreme Court as an Instrument of Global Conquest."* Prepared by an in-

dependent research agency from documented evidence and official papers, it exposes the U. S. Supreme Court as an instrument of the Internationalist-Communist One-World Conspiracy.

This Report was made available to the Press, Radio and TV. It was featured on the front page of the April 9, 1958 Baltimore (Md.) Sun, but was deliberately slanted in an effort to belittle and discredit the facts it revealed. Otherwise the story was given scant attention, if any, in most newspapers—and utterly ignored by the Radio. Obviously, like so much other vital news, it was "killed" because it tells the truth about the Great Conspiracy and the Supreme Court.

The manner in which the U. S. Printing office was forced to "bury" it is also most significant—I'll come back to that later.

This official Senate Report, based on a 12 year study of the Conspiracy's techniques contains overwhelming evidence which points to the following conclusions:

1) Departments of the Executive branch in our government have been and are being used for intermediate objectives of the Internationalist-Communist One-World conquest... (2) The Legislative branch is used to paralyze persons, agencies and operations threatening the Conspiracy's objectives... (3) International Communism, in co-ordinated global pressure patterns attains its objectives through the very agencies and institutions of free governments that are marked for destruction when and if the Conspiracy's global conquest should be achieved.

According to this carefully documented Senate Report, the Communists are busily engaged in paralyzing America's will to resist so that global conquest can be accomplished without the risk of actual war. The agencies through which this paralyzing effect is being accomplished are those of the U. S. Government itself—but particularly the U. S. Supreme Court!

The Report states that the "cumulative record of the Communist global conquest through paralysis demonstrates that the one realistic standard by measuring activities related to the destruction of free governments by International Communism is the so-called Stalin standard enunciated by Joe Stalin at Moscow, February 9, 1946, in his discussion of the forces in the 'new war'."

With reference to supposedly loyal government officials and agencies who carry out the Internationalist-Communist program of conquest, the Senate Report cites the following statement by Stalin: "The only difference between them is that some belong to the party, others do not. But that is only a formal difference. The important thing is that both are furthering the same common cause."

Now let's take the role of the Supreme Court in this: In spite of the great amount of evidence, available to all, concerning the aims and objectives of Communism, the Supreme Court has produced a recent record of blatantly pro-Communist decisions. "In ignoring this mass of officially adduced fact," states the Senate Report, "might the Court also be persuaded to ignore the basic law of survival by paralyzing specific legislation, (such as the Smith Act) or even paralyzing the national defense machinery...?"

STANDARD PRESSURE AREAS

The paralysis of a nation's will to resist is done by applying pressure, principally propaganda pressure, on an innocent, uninformed and gullible public. This pressure is applied in all areas of American life. The Senate Report lists the documented standard pressures as: Agriculture, Arts and Culture, Science, Press, Radio, Television, Films, Magazines, Pamphlets, Advertising, Education, Finance, Government (Executive, Legislative, Judiciary), Economics, Law, Medicine (including psychiatry), the Armed Forces, Religion... The "UNITED NATIONS" is included under "Government". The Report states that the "record shows that, except through the Supreme Court, the special capabilities of paralysis, as (an) essential element of the Communist global conquest, are nowhere more effective than in and through (the) U. N. and its various agencies."

Now, since the chief aim of the Internationalist-Communist Conspiracy is the paralyzing of the American Government through its own agencies the Senate Report examines the record of the U. S. Supreme Court in relation to the intermediate objectives of the Great Conspiracy Global Conquest:

First it lists the following intermediate objectives designed to paralyze our will to resist through our own governmental agencies:

- "1) Dissension and public disorders arising out of superinduced Racial conflicts; . . . 2) Paralysis of States' antisubversive processes; . . . 3) Paralysis of Federal antisubversive processes; . . . 4) Rehabilitation of Communist and pro-Communist leaderships and agencies in the U. S.; . . . 5) Discreditation of Members of Congress and Committees of Congress considered dangerous to Communist aims; . . . 6) Political, Economic, and/or professional destruction of effective opponents of Communism, in public and/or private life; . . . 7) Discreditation of the FBI and its Director, J.

Edgar Hoover; . . . 8) Emasculation of immigration law provisions designed to prevent infiltration, espionage and sabotage . . . 9) Eventual extinction of the investigative powers of Congress in the field of subversive activities . . . 10) Creation of a general climate of opinion against the exposure and investigation of subversion; . . . 11) Increased interchange between U.S. and Soviet on Soviet terms, at Soviet pleasure; . . . 12) Status quo concessions from the U.S. concerning Communist slave satellites; . . . 13) Softened American official attitude to facilitate reinfiltration and undisturbed subversion in all American pressure areas with special emphasis on Science, Information Media, Education, Government, Labor, Law and the Armed Forces; . . . 14) Abandonment of NATO, SEATO, and BAGHDAD relationships; . . . 15) Abandonment of American bases abroad and withdrawal of American forces to Zone of Interior; . . . 16) American hands off policy in the current Soviet campaign in the Caribbean area to interdict and internationalize the Panama Canal; . . . 17) Package peace agreement with the U.S., including 'coexistence' and 'disarmament'; admission of Red China to the United Nations, abandonment of Nationalist China and the American Frontier line."

Then the Report poses six questions—and answers them. And in those answers the Supreme Court stands starkly revealed as the chief instrument of the Internationalist-Communist conspiracy for the Conquest of the United States.

The Report analyzes each and every Supreme Court Decision that has any bearing on the above 17 objectives of the Conspiracy and establishes beyond the remotest doubt that all those "Decisions" were written and designed to aid and abet the achievement of all those objectives—that all of them might well have been written in Moscow or by the American Masterminds of the Great Conspiracy.

In reviewing the Supreme Court's original "Desegregation Decision" the Report states: "No pressure pattern of the Communist global conquest is more familiar than that of well-placed Communist and pro-Communist advisors to free government policy makers and agencies having paralytic potentials. Revealing, then, but not surprising is the Court's acknowledgement of the influence of a notorious Swedish Communist, Gunnar Myrdal, as an 'authority' in its May 17, 1954 segregation Decision . . . which has triggered racial conflicts in the United States like those envisioned by Stalin in his 'American Black Belt' program of Negro domination . . . this same Gunnar Myrdal is so important to Moscow that the Soviet made his appointment as executive secretary to the United Nations Economic Mission for Europe a condition of Kremlin participation."

In its final "Conclusions" this Senate Report states: . . . "THE UNITED STATES SUPREME COURT IS THE MOST POWER-

FUL INSTRUMENT OF THE COMMUNIST GLOBAL CONQUEST . . . and:

"In view of its resistance to (and seeming ignorance of) the massive, officially documented volume of proof on the Communist global conquest, and operations, techniques, and self-proclaimed Communist designs against the United States . . . and its persistence in aid and comfort to the Enemy, the United States Supreme Court has disqualified itself for Appellate jurisdiction in all areas concerned with American security and American survival."

A "MUST" READ

This Senate Report, titled "APPENDIX IV" must be read by every American. Not merely because it is an official government (Senate) document, but because if I were to write a million words I could not describe the frightening menace of Earl Warren and his Associate Justices anywhere near as clearly as this "Senate Report" does in 16 succinct pages.

This document is so startling that not only the Communists and the Masterminds of the Great Conspiracy, but our own government are deathly afraid to let the American people read it—as you will see from the following:

This "Senate Report" was originally published as a 16 page supplement to the Hearings on Senate Bill S. 2646, pertaining to the "Limitation of Appellate Jurisdiction of the U. S. Supreme Court." The first supply was quickly exhausted.

Col. Tom Hutton, of the SPX Research Associates, who presented the Report to the Senate Committee, contacted the U. S. Printing Office to obtain quotations for more copies. Under date of April 3, the Superintendent of Documents advised that the estimated cost would be \$144.81 for the first 500 and \$4.12 for each additional 100 copies." After an attack on the document by Senators Hennings and Watkins (suggesting suppression) the following advice and changed quotation was received from that Superintendent of Documents, under date of April 24, which reads, in pertinent part, as follows:

"Since our letter of April 3, we have been advised by the Internal Security Sub-Committee that, in the event a reprint is made, all of Part 2 of the Hearings, including Appendix IV, should be printed and bound as a single unit, and that neither volume should be priced or sold separately.

"It would, therefore, be necessary that any reprint ordered from

this office be made in accordance with this instruction. We could reprint Part 2 of the Hearings, with Appendix IV included as an integral part, at an estimated cost of \$3,808.86 for the first 500 and \$135.49 for each additional 100 copies."

This is "burial" in a voluminous report—and, for all practical purposes, becomes "suppression." There must be certain persons high in government who do not dare to let the people know the facts!

However, you can get a verbatim copy of this Senate Report, Appendix IV for 15 cents per copy by writing to:

Education Information, Inc., P. O. Box 231, Fullerton, California,
or to American Council of Christian Laymen, Madison 1, Wisconsin.

WHAT YOU MUST DO

If you love your country—help us to put another million "WANTED—Earl Warren For Impeachment" tracts in circulation—it COULD force Congress to start impeachment proceedings against all those "nine old men" . . .

Help us to put another million of the truth about the "United Nations" Tract in circulation—it could "Get the U. S. out of the UN and the UN out of the U. S." . . .

Help us put into circulation another million "AMERICANS-DON'T PATRONIZE REDS"—so as to completely smash the Great Conspiracy's control of Hollywood, Radio and TV.

REMEMBER—A little more pressure would have forced the Senate to pass the Jenner Bill—and that would have been the springboard for the impeachments!!!

It is not too late to save our country—but we must work hard—and do it NOW.

Dear Mr. Compton:

Your letter dated November 22, 1958, has been received and I appreciate the motive which prompted your communication.

While I would like to be of assistance to you, I must advise that the function of the FBI as a fact-gathering agency does not extend to furnishing evaluations or comments concerning the character or integrity of any individual or organization. Also, information in the files of this Bureau is maintained as confidential and available for official use only in accordance with a regulation of the Department of Justice. I regret, therefore, that I am unable to furnish the information you requested.

I am sure you will understand the necessity for this policy and will not infer from my inability to be of assistance that we do or do not have in our files the information you desire.

The FBI does not maintain a list of organizations such as you have requested; however, the Committee on Un-American Activities, United States House of Representatives, has issued a pamphlet entitled "Guide to Subversive Organizations and Publications." This pamphlet can be

NOTE FOR SAC, CHARLOTTE:

Enclosed is a copy of correspondent's letter. Bufiles contain no identifiable information concerning correspondent.

The Cinema Educational Guild, Incorporated, is an anticommunist group. Its director is Myron C. Fagan who has frequently attempted to use the Director's name in furtherance of his anticommunist programs and it has been necessary on numerous occasions to have the Los Angeles Office contact him and request him to refrain from mentioning the FBI in any manner. Fagan has also been responsible for the distribution of anti-Negro and anti-Semitic pamphlets. (62-87267)

The above is furnished for your information.

NOTE ON YELLOW:

Correspondent has requested the Bureau advise him of the "standing in the security files" of the Cinema Educational Guild, Inc., and its director Myron C. Fagan. He also requested the Bureau furnish him a list of communist sponsored organizations.

In view of the questionable activities of Fagan and his organization, it is believed a files confidential reply will best serve the interests of the Bureau.

Dear Sir:

Please check on the Corporation listed below and inform me as to its standing in the security files. I have reason to believe that it may be of Communistic connections.

The name is ~~Cinema Educational Guild, Inc.~~ P.O. Box 46205, Cole Br., Hollywood 46, California. The National Director is Myron C. Fagan.

I would also like a listing of Communist sponsored organizations if such a list could be sent. I am constantly getting literature from unsolicited sources, and I would like a list in order to check this material.

Thank you for any consideration that you may be able to give.

Dear Mr. Hoover:

The attached folder was distributed in quantity on the streets of Denton, Texas, this week.

I am certainly not a Communist and do not lean that way in the least, but it seems to me that Cinema Educational Guild, Inc. might be making some statements that would be hard to prove. For example, my family is a constant TV listener of the Ed Sullivan Show as well as many of the other TV shows that they have criticized.

Could you, or would you, verify the correctness of the claims of this little folder, or let us have your reaction to it. We are of the opinion that if these statements are true and correct, there should be a lot of investigation carried on. If these claims are false, somebody should be stopped from spreading such propaganda.

of piping their skilfully camouflaged propaganda into your Living Room and POISONING THE MINDS OF YOUR CHILDREN. You can get all the names, all their techniques, and the further knowledge of how to drive them off the Screen and off your TV Set in the following named three books:

"RED TREASON ON BROADWAY" reveals the paralyzing grip the REDS have on the Legitimate Theatre and on TELEVISION — especially on TV — and how the CRITICS help the REDS. More important, it tells how YOU can help to smash that grip!

"RED TREASON IN HOLLYWOOD" was the first book to fearlessly reveal the Communist Conspiracy in the Motion Picture industry — it NAMED all the Top REDS in Hollywood. This book unmasked the Conspiracy and started the drive of the REDS out of Hollywood.

"DOCUMENTATION of the RED STARS in HOLLYWOOD" reveals the actual RED activities of the STARS . . . it reveals how they organized their RED FRONTS — and how those FRONTS function . . . it shows how to smash Red Fronts!

Myron C. Fagan, famous playwright and director, unquestionably the foremost authority on Communism in the Entertainment World, is the author of all three books. Each book is so vitally informative that one of our Government top Intelligence Agencies has bought many thousands of copies to serve as virtually text books for all its agents. Every American, man, woman and child, should read all three books in order to get realistic knowledge of how the ENEMY is using our Theatre, Screen, Radio and

TELEVISION to brainwash our people, especially our youth, into helping them to destroy our Country.

These books are priced at \$1.00 per copy, each. Anybody who desires these three books should send for them to "Cinema Educational Guild" immediately, as we have only a limited number of copies left.

A CALL TO ALL PATRIOTS

You owe it to your Country — and to your own children — to spread this Tract far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose a copy in every letter you write . . . let all Americans know !!!

Send signed copies to every Sponsor who employs REDS or FELLOW TRAVELLERS !!!

(Name)

..... Street Address City (Zone) State

This Tract can be had at 100 copies for \$2.00

Send your order NOW to:

CINEMA EDUCATIONAL GUILD, INC.

P. O. Box 46205, Cole Branch
Hollywood 46, California

Do it today — NOW — you may forget if you put it off to tomorrow . . . keep your children from being brainwashed !!!

62-87261-115

AMERICANS

DON'T PATRONIZE REDS!!!!

YOU CAN DRIVE THE REDS OUT OF
TELEVISION, RADIO AND HOLLY-
WOOD

THIS TRACT WILL TELL YOU HOW.

WHY WE MUST DRIVE THEM OUT:

1) The REDS have made our Screen, Radio and TV Moscow's most effective Fifth Column in America . . .
2) The REDS of Hollywood and Broadway have always been the chief financial support of Communist propaganda in America . . . 3) OUR OWN FILMS, made by RED Producers, Directors, Writers and STARS, are being used by Moscow in ASIA, Africa, the Balkans and throughout Europe to create hatred of America . . . 4) RIGHT NOW films are being made to craftily glorify MARXISM, UNESCO and ONE-WORLDISM . . . and via your TV Set they are being piped into your Living Room—and are poisoning the minds of your children under your very eyes !!!

So REMEMBER — If you patronize a Film made by RED Producers, Writers, Stars and STUDIOS you are aiding and abetting COMMUNISM . . . every time you permit REDS to come into your Living Room VIA YOUR TV SET you are helping MOSCOW and the INTERNATIONALISTS to destroy America !!!

'Among the worst offending sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc., (a subsidiary of Columbia Pictures Corporation); Desilu; MCA-REVUE; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms Watch the Producer's "Credits" on every TV Show you see.

Here Is HOW YOU CAN Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper" in America and the World! They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize—and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood — Radio — Television . . . Hit the pocketbooks of the Sponsor !!! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY !!!

NOTE FOR SAC, CINCINNATI:

Enclosed is a copy of correspondent's communication. Bufiles contain no identifiable data concerning correspondent.

The Cinema Educational Guild, Incorporated, is an anticommunist group. Its director is Myron C. Fagan, who has frequently attempted to use the Director's name in furtherance of his anticommunist programs and it has been necessary on numerous occasions to have the Los Angeles Office contact him and request him to refrain from mentioning the FBI in any manner. Fagan has also been responsible for the distribution of anti-Negro and anti-Semitic pamphlets. (62-87267)

The above is furnished for your information.

NOTE ON YELLOW:

Correspondent advises he is well aware of the good work the Bureau has done in the past and is doing now to combat communism. He has heard of the Cinema Educational Guild, directed by Myron C. Fagan, and requests any information which we can send him about this organization. He also wants to know if the information this organization has on movie stars is correct. He states that if the Bureau approves of the organization, he will do his best to spread the truth as far as possible.

In view of the controversial nature of the activities of Fagan and his organization, it is believed that a files confidential reply will best serve the interests of the Bureau.

Dear Mr. Hoover,

I am well aware of the good work you have done in the past, and are doing now to combat communism in the United States. I too would like to contribute something to the freedom of our country. I have heard much lately, of an organization called the "Cinema Education Guild" in Hollywood, California directed by Myron C. Fagan which is reported to be fighting communism and I would appreciate any information it would be possible to send me concerning this organization. I would especially like to know if their information on communist movie-stars is correct. If you do approve of this organization I will do my best to spread the truth as far as possible. I truely hope that I can help in fighting communism in the United States.

Sincerely,

Thomas R. Weaver

At 1:50 p.m. today, Congressman Walt Moran (Republican, of Washington, and member of the Appropriations Committee), called to advise that one of his constituents had sent him some inflammatory material attacking Governor Warren and others, put out by the Cinema Educational Guild, of Hollywood. He was seeking an answer to his constituent and wondered if I could tell him anything about this organization.

I told him offhand that I did not recall, but suggested he send over the material so we could see what it was and see whether we could be of any help. He said he would do this.

A check of our files reflects that the Cinema Educational Guild, Inc. (62-87267), is an anti-communist group, whose Director is Meyer C. Fagan. Fagan has frequently attempted to use the Director's name in furtherance of his anti-communist programs. It has been necessary on occasions to have the Los Angeles Office contact him and request him to refrain from mentioning the FBI in any manner. Fagan has also been responsible for the distribution of anti-Negro and anti-Semitic pamphlets. We have had previous information concerning a pamphlet attacking Chief Justice Warren, issued by this group.

Upon receipt of the letter from the Congressman, we will prepare an appropriate reply.

REC-22

January 28, 1959

Honorable Walt Horan
House of Representatives
Washington, D. C.

My dear Congressman:

Mr. Belmont has brought to my attention your letter dated January 26, 1959, and the enclosed letter of January 12, 1959, with its attachments, addressed to you by Lydda M. Sudhoff and H. A. Sudhoff, Elk, Washington.

① For your confidential information only, the Cinema Educational Guild was organized in January, 1948, in Los Angeles, California, and its national director is Myron C. Fagan, reportedly a writer and former motion picture director. While purported to be anticommunist, the Cinema Educational Guild has also been responsible for the distribution of anti-Negro and anti-Semitic pamphlets. Copies of the pamphlets enclosed with your constituent's letter have been previously brought to my attention.

The Cinema Educational Guild has not been the subject of investigation by this Bureau. You might like to know, however, that it has used my name on a number of occasions, without authorization, in an attempt to promote its activities and programs. I have had to request the organization to refrain from using my name in any of its publications or promotional brochures.

I trust the above information will be of assistance to you. In accordance with your request, I am returning the material enclosed with your letter.

Sincerely yours,

J. Edgar Hoover

NOTE FOR SAC, SEATTLE:

Enclosed are a copy of Congressman Horan's letter and a copy of the letter to him from Lydda M. Sudhoff and H. A. Sudhoff. The Sudhoffs sent the Congressman three pamphlets issued by the Cinema Educational Guild entitled "WANTED ... Earl Warren For IMPEACHMENT," "Why we MUST get the U. S. out of the UN -- and the UN out of the U. S.," and "AMERICANS ... DON'T Patronize Reds!!!!" These pamphlets are antisoviet in nature and have been brought to the Bureau's attention on numerous occasions.

This data is furnished for your information only.

Bufiles contain no identifiable information concerning Lydda M. Sudhoff and H. A. Sudhoff.

NOTE ON YELLOW:

The Sudhoffs sent the above pamphlets to their Congressman and inquired why something is not done about the allegations made if the pamphlets are true.

The Congressman called Mr. Belmont on 1/22/59 and inquired concerning the Cinema Educational Guild and the pamphlets and was told to submit the material and we would check to see if we could be of any help. The Congressman's letter to Mr. Belmont indicates he would appreciate information regarding the Cinema Educational Guild. He requests return of the material submitted. Copies of his constituent's letter made for Bufiles, however, no copies made of publications since we already have them in our files.

Bufiles reflect cordial relations with Congressman Horan, who is on Appropriations Committee since 1945.

Dear Mr. Mick:

Your letter of January 29, 1959, with enclosure, has been received during Mr. Hoover's absence from the city, and I am taking the liberty of acknowledging it.

You may be sure this matter will be brought to his attention upon his return; however, as the head of an investigative agency of the government, he is unable to furnish you with evaluations of material such as you submitted.

Sincerely yours,

NOTE: Bufiles reflect the publication "This Is The A. D. L., Mr. Hoover!" has been previously received by the Bureau. Its contents are distorted in that the author Myron C. Fagan attacks "Masters of Deceit" for complimentary references to the Anti-Defamation League. Fagan is the Business Director of the Cinema Educational Guild, Post Office #46205, Cole Branch, Hollywood 48, California. Ostensibly the guild was set up as an organization to combat communism. Fagan makes a racket of anticommunist crusading through the guild and has used a picture and alleged quotations of the Director in a pamphlet entitled "Red Reason in Hollywood." He continued to use them for sometime after being instructed to desist. Bufiles contain no derogatory information regarding Thomas Mick. We have had limited correspondence with him, the last one on 8-8-58.

UNHAPPY REPORTING

It is now more than ten years that I have been reporting the war between the Internationalist-Communist Conspiracy and the American people — or, rather, I should say the fraction of the American people fighting to save our country.

During those more than ten years I have written millions of words. In all of those words I have endeavored to be meticulously observant of all the ethics of journalism. At times it was distressingly unhappy reporting. But I never favored old friends who, for their own various reasons, had been rendering aid and comfort to the "Enemy" — I named and unmasked *them* just as bluntly as I named and unmasked all proven renegades and traitors. Moreover, whether reporting the charlatany of an FDR, an Eisenhower, an Earl Warren, or the treason of those in Hollywood and on Broadway, I never sought to dodge responsibility by resorting to innuendo or to journalistic trickery. I reported the facts as I found them — called a spade a shovel — without favor and without fear. I *named* many hundreds of renegades and traitors, most of them in high places, who ordinarily would react with angry libel suits to just a mere insinuation of dishonesty or of untruth. I bluntly charged them with the heinous crime of treason, yet not one ever went into a court of law to challenge the integrity of my reporting.

However, not all of it was unhappy reporting. There was the (1949) "Battle of Sacramento", when the people of California tore the "United World Federalists" to shreds and torpedoed their traitorous "Resolution" plot . . . there was that battle in Washington, D. C., in 1950-51, when our reporting hurled the "United Nations" into panic flight and smashed their "Genocide Treaty" plot . . . it also was most happy reporting when the "Invasion of Little Rock" boomeranged and frightened the intrepid (?) "military genius" Eisenhower, into hastily abandoning his plans to "bayonet" the entire South into surrendering its sovereignty to the Internationalist-Communist conspiracy.

There were other similar happy reportings of occasional awakenings of our people, but, unfortunately, there were not and there are not nearly enough such awakenings if we are to save our country.

My most unhappy reporting came when I had to record the defections, witting or unwitting, of individuals who in their hearts are loyal to America, but who, in moments of weakness, or through lack of intestinal fortitude, surrendered to pressures and/or blan-

dishments and aided the "Enemy" to victories which otherwise they never could have achieved. The most deplorable case of such reporting, up to the present writing, was that of the late Senator Taft's tragically disastrous mistake in 1952.

TAFT WAS A LOYAL AMERICAN

Lest there be a misconception of what is to follow, I wish to go on record here and now that Bob Taft was as American as the Stars and Stripes! I knew Bob Taft many years and I can truthfully say that I have never known a more loyal American — or a more honest and honorable man. Paradoxical though it may sound, in the field he chose for his life's work Taft's high sense of honor and honesty was his greatest handicap. "Honesty among politicians" is as ribald a saying as that old cliche of "Honor among thieves." Born in politics, it is inconceivable that Taft did not know all that. Yet, so ingrained was *his* sense of honesty, he just could not believe that an Earl Warren or a Stassen could be of lesser integrity. That was the tragic mistake he made at that 1952 Republican Convention in Chicago — he rejected the sage advice of his real friends and accepted the "word" and promises of the Warrens and Stassens and thereby wrecked his own dearly beloved Republican Party and destroyed the one sure-fire opportunity for the American people to regain control of the destiny of our nation.

I reported that "mistake" in all its details in our July 1952 issue, and, as certain occasions required, reviewed it in later issues, so there should be no need to re-open that grievous wound in *this* issue — except that it has a tremendous bearing on an equally shocking "mistake" recently made by a man who is even more highly respected by ALL of the American people than Taft was by those who proudly called themselves "Taft Republicans." And before I go any further, I wish to make it very clear that the recording of *this* man's "mistake" is just as great a torture for me today as was the recording of Taft's mistake in 1952 . . . and now back to that "mistake" of 1952:

Long before the Convention, even before Eisenhower "reluctantly" admitted that he could be "coaxed" into "accepting" the nomination, many of the wiser Old Guard leaders strenuously advocated that the Party pin all its hopes on General Douglas MacArthur. There is no need to speculate on the outcome had the Party heeded that advice. MacArthur was the idol of the American people. And he was a *known* quality. With him in the White House there

would have been no more of the "Minority Group" treason plottings . . . there would not have been an Earl Warren on the U. S. Supreme Court Bench . . . no Herbert Brownell in control of the Department of Justice *and of the FBI*. In a word, MacArthur in the White House would have meant short shrift to "The Enemy Within" and no shilly-shallying with the Enemy without. It might well have meant the end of all diplomatic relations with the Kremlin banditti — even more important, I am confident it would have meant the end of the UN as far the the U. S. is concerned. In short, MacArthur in the White House would have meant the restoration of America to the American people!

There was only one reason why MacArthur was not the pre-Convention *unanimous* choice of the Republican Party bigwigs — and that was Bob Taft's lifelong desire to climax his career with the Presidency of the United States.

It was a worthy desire of a man worthy of the office. Bob Taft would have been an excellent President — and a staunch protector of everything American. My only criticism is that the *loyal-to-America* leaders of the Party, *and Bob Taft*, permitted sentimentality to blind them to the realities of the times. They gambled the nation to make one man happy — and no one man is, or ever was, worth that kind of a gamble. Of course, it is true that over-confidence had much to do with it, to wit:

Before the end of 1951 it was obvious that the American people were utterly fed up with the little Missouri ward-heeler and the entire gang of Internationalist stooges in Washington. It was a foregone conclusion that 1952 would see a Republican landslide. The jubilant Republican Party leaders began to cast about for the most desirable candidate. Douglas MacArthur stood head and shoulders above everybody else. But Bob Taft was the beloved symbol of the Republican Party — indeed, he was not *just* a Republican — he was MR. REPUBLICAN! And because 1952 was bound to be a Republican year, the leaders of the Party — *and Douglas MacArthur* — decided that Taft was to have his chance.

Now, up to that point that was fine and dandy. However, the Old Guard knew that the Internationalists, fully aware of the changing political climate, had long been scheming and planning to get control of the Republican convention — and to steam roller a man of their choice into the nomination. As long as their choice was limited to a Tom Dewey, or an Earl Warren, or a Stassen, the Taft camp had nothing to fear. But the Internationalists were fully aware of *that*, too. The wiser men in the Old Guard anticipated that the Internationalists would pull a "dark horse" on them at the

last moment, and for that reason it was agreed that MacArthur was to stand by and be ready to jump in on a moment's notice when and if the nomination was in danger. Both Taft and MacArthur were willing parties to that agreement. And it is a known fact that during the 24 hours before that crucial first ballot in 1952 MacArthur sat waiting in his suite in the Waldorf-Astoria — and there was a plane gassed and ready at LaGuardia airport — but the summons never came!

We know what happened. We know all about the chicaneries and the connivings and the bribings of the Deweys and the Warrens and the Stassens and their Internationalist masters during the days before the balloting — we know how Eisenhower scorned the West Point traditions about the honor and integrity of an officer and a gentleman and lied his way through to the theft of the nomination.

Throughout the 24 hours before that first ballot Taft's closest friends and advisors urged and pleaded that he send for "the Big Gun" (MacArthur) — they warned him that there would be no second ballot. But, in his desperation for the high office, and despite his doubts about Warren's and Stassen's false promises, Taft held off — and let pass the golden opportunity to wrest the destiny of the nation out of the clutches of the Internationalist conspirators. But, wait — he was yet to make an even greater mistake!

Completely disillusioned by what happened, Taft vowed that while he would do nothing to hinder Eisenhower's campaign he would do nothing to help it. And he departed for a long vacation. That would automatically have deprived Eisenhower of the support of *all* the Taft Republicans.

Now, I don't mean to say that that would have meant defeat for Eisenhower. With the pusillanimous and notoriously "Liberal" Stevenson as an opponent any Republican would have won the election. But without the support of Taft Eisenhower's victory would have been greatly narrowed. Certainly, he would not have emerged as a "God-man" whose "judgment" Congress would not dare to challenge — as a "pied piper" whom the brainwashed and blinded American people would follow no matter where he would lead. In short, his values to the Great Conspiracy would have been greatly lessened.

The Internationalists were fully aware of it. They knew that only an overwhelming victory at the polls could transform this mediocre barracks soldier into a people's idol — and they knew that only the support of Taft could create such a miracle. In view of Eisenhower's deliberate and false vilification of Taft throughout the

battle for the ballot, it seemed utterly impossible that Taft could be persuaded to support his traducer. But Taft had one widely known "blind spot" — that was "loyalty to Party." He, of course, indignantly denied it, but his loyalty to the Republican Party transcended all other loyalties. The Internationalists knew it — and they assigned the job of appealing to that "blind spot" to Rabbi Hillel Silver and Izzy (he prefers to be known as I. Jack) Martin. Both were long known to have been Taft's "Svengalis". Both are notorious Zionists — but, even more significant, both are known to be zealous stooges of the "ANTI-DEFAMATION LEAGUE"!

The rest of the story needs no repeating in these pages — a man whose love of country was beyond all question permitted his loyalty to Party to come ahead of loyalty to country.

And that brings us to that other, even graver, "mistake" of another great, and otherwise zealously loyal, American:

VALIANT IS THE WORD FOR THEM

In the life of our nation we have had many crises. For each crisis each generation brought forth its own small band of supreme and selfless patriots. The pages of our history are studded with many glorious names handed down to us by all those generations — names of men who knew no compromise with loyalty to country.

Except for one name, it is too early to forecast who of our present generation will join all those valiants in their Hall of the Immortals. Robert Taft might well have been one had he not paused to worship at the tarnished shrine of his treason-bespattered Party. Douglas MacArthur can be one if he does not too long delay coming out of his silence to lift the one voice that might well mean the salvation of the Land he truly loves. There are others, the Jenners and the Mundts and the Bracken Lees, the Malones and the Goldwaters, whose deeds are stepping stones toward the gates of that holy Hall. But of them all there is only one, Joe McCarthy, whose place will forever be in the select circle with Patrick Henry and Paul Revere, with Washington and Jefferson and Lincoln. For there was a man who knew but one loyalty — to God and Country. To faithfully serve that loyalty he fiercely rejected all pressures — scorned all blandishments. He sought no glory, no personal aggrandizement, no earthly riches. He suffered abuse and betrayals and vilifications. But he never faltered in his loyalty — and, finally, he gave his very life to fulfill that loyalty . . .

Whatever God may will — whether America is to be saved or destroyed — the most glorious page in the history of this generation will forever bear the name of Joe McCarthy!

THE "MISTAKE" OF J. EDGAR HOOVER

Before I go on I wish to repeat my earlier statement that the recording of Mr. Hoover's "mistake" is even more distressing for me than was the reporting of the late Senator Taft's "mistake" in 1952. But I would be false to my professional integrity and to my conceptions of "loyalty to country" if I failed to do so.

I have followed J. Edgar Hoover's career ever since the day he became Director of the FBI. I have always had a great admiration for him — not only for his great efficiency in that job, but for his, to me, Rock-of-Gibraltar Americanism. And I take this occasion to stress that no matter what I will say in this report about his "mistakes", I am sure that in his heart he is just as loyal to America as Joe McCarthy was — and that is a tribute I reserve for very few men.

J. Edgar Hoover is probably the most frequently quoted authority on Communism. And rightly so! I know of no other man who better knows that vicious conspiracy — or, indeed, who knows it as well. In addition, no other man has the faith and confidence of the American people to the degree held by J. Edgar Hoover. By that token, every word he utters has inestimable value for us in our war with the Great Conspiracy. However, by that same token, every misconception he utters — as he has done in his latest book, "MASTERS OF DECEIT" — can be frightfully damaging to us. I have read every word he ever uttered, orally or written, on the subject of Communism. I whole heartedly and enthusiastically endorsed every one of them — except when it was obvious to me that he was "pulling his punches". On those occasions I remained silent — because I knew the pressures that forced him to do it.

For just one example, there was that Anna Rosenberg incident: George Marshall (of "I don't know where I was when Pearl Harbor was attacked" infamy), our then Secretary of Defense, announced that he was appointing the notorious Annie to be First Assistant Secretary of Defense.

Aside from the utter ridiculousness of placing a woman in such a highly sensitive post, there was an immediate outcry against it —

because it was commonly known that La Rosenberg was, to express it mildly, notoriously pro-Communist.

Fulton Lewis, Jr. and Joe McCarthy were among the first and the most vehement to blast the appointment. Day after day Lewis recited Annie's pro-Communist activities. Many members of Congress, equally outraged, were equally determined that she should not be confirmed. But the masterminds of the Internationalist-Communist Great Conspiracy were determined that she should be confirmed — and the ADL, the Conspiracy's "muscle man" outfit, promptly went into action.

The reason is obvious: Anna Rosenberg is one of the Great Conspiracy's most favored — and most effective — tools. Landing her in any key post was tantamount to transforming it into a Great Conspiracy stronghold. Therefore it was only natural that the ADL would leave no stone unturned to get her confirmed in such a vital job — because, aside from being a willing stooge himself, the senile, muddleheaded Marshall would be putty in her hands; hence, the "Conspiracy" would be the real Secretary of Defense. But despite all of the ADL's maneuverings the outcries (especially those of Fulton Lewis) bore fruit — "little Orphan Annie" looked very much like a casualty. In sheer desperation the ADL decided to play their ace card — they warned Lewis that if he did not reverse himself and retract everything he said about La Rosenberg they would prove that the whole thing was an "anti-semitic" plot.

Lewis laughed raucously — that had been tried before and never got anywhere — there is nothing in the Lewis background on which they could pin such a charge and make it stick. He continued his expositions.

Well — in "Red Treason on Broadway", written shortly after that incident, I revealed the entire story of how the ADL brought their choicest and best known "smear carrier" to Washington and how the Washington newspapers front-paged that "smear carrier's" announcement that he had "arrived in Washington at the behest of Fulton Lewis to help him (Lewis) drive the JEWESS, Anna M. Rosenberg, out of Washington."

Lewis promptly denounced the "smear carrier" on the air as an unmitigated liar — and nailed his lie down with *prima facie* evidence. But that "drive the JEWESS out of Washington" was promptly front-paged all over the country and became the battle-cry of the ADL and of all of its affiliated organizations. A skilfully organized volume of violent protests and denunciations came pouring into Washington. Those Members of Congress who had been

most vociferously opposed to Rosenberg, terrified by the threat of the "anti-semitic" brand, hurriedly withdrew their objections to her — and urged Lewis to "forget" it. And Lewis, faced with the loss of the bulk of his sponsors, surrendered.

However, the masterminds behind Rosenberg (the ADL) were not satisfied with a mere discontinuation of expositions — that would be too obvious. Only a complete retraction would restore Annie's "good name" — and qualify her to become the Boss of our Defense Department. But, in the face of all the *documentations* of her pro-Communist activities submitted in all his broadcasts, just a retraction without a very *plausible explanation* would be suspect. He had to be provided with an ironclad "out". What could be more "ironclad" than "confirmation" by the FBI? So, lo and behold, Mr. Lewis suddenly announced that he had been informed by somebody (*a very vague somebody*) in the FBI that there was "*another Anna Rosenberg*" who was the real culprit — and he "apologized" and retracted all his charges. Of course nobody, not the FBI or anybody else, ever produced that "*other Anna M. Rosenberg*" — because there was no "*other Anna M. Rosenberg*" . . . nor was the "somebody" in the FBI who "told" Lewis about that "*other Anna M. Rosenberg*" ever identified. But the "clearance" provided by the highly respected FBI turned the trick — all opposition to the ADL's Annie evaporated and she was swiftly confirmed.

The realization that the FBI had served as a catspaw for the ADL came as a horrifying shock to me. Nevertheless, when I reported the hoax in "RED TREASON ON BROADWAY" I only briefly touched on it — I made no issue of it, for the following reason:

Practically from its very inception the FBI has had a very warm spot in the hearts of the American people. In our collective mind it is the Rock of Gibraltar for Law and Order within our Land. As evidence of that nationwide faith and affection, of all the vicious decisions issued by the contemptible Earl Warren (and his Associates) the one that was directed against the FBI aroused a far greater outcry than all the others combined. Unquestionably, that high reputation was based — and rightly so — upon the character and personality of one man: J. Edgar Hoover. The FBI is J. Edgar Hoover and J. Edgar Hoover is the FBI . . . HE is the Rock of Gibraltar!

Now, throughout all the years, it has been accepted that he is both indestructible and incorruptible — that in the operation of the FBI he is the sole and supreme ruler. Unfortunately, that is not quite true. Technically, the U. S. Attorney General is J. Edgar

Hoover's boss. Nor can he turn a deaf ear to the man in the White House. It is needless for me to add that since 1933 every man in the White House and all of his appointees have been taking their orders from the Internationalist cabal. Hence it is clearly obvious how and why the FBI was "induced" to "catspaw" the Anna Rosenberg chestnut out of the fire — how and why those FBI agents employed near Gestapo methods in Little Rock.

It is because I know of the pressures behind those acts that I refrained from harsher reporting. I have no defense for thus stretching my journalistic ethics — except that in my heart I believed — *and still believe* — that there will come a time when J. Edgar Hoover will finally cry out "*I've had enough!*" — and that his FBI will emerge as our supreme weapon to destroy the Great Conspiracy. For that reason, and because of that belief I shrank from saying anything that would diminish the confidence of the people in the man or in the organization.

There was still another reason why I tempered my reporting: throughout all those acts Hoover himself was completely silent. He issued no statements — he made no comments. That, to me, indicated a personal disapproval. And I was confident that sooner or later he would issue a statement or write a book in which he would clarify his position more effectively than any "apology" I could offer for him. Well, he did! He wrote a book. Ironically, he calls it "Masters of Deceit". The dismay I felt when the FBI took the Rosenberg woman off the Red hook was nothing compared to the consternation that hit me when I read certain passages in this book which bears the name of J. Edgar Hoover as author.

Earlier I stated that every word uttered by J. Edgar Hoover, *because of our great faith in him*, has inestimable value for us in our war with the Great Conspiracy — but that for the same reason every misconception he voices can be frightfully damaging. He confirms that in "Masters of Deceit." Much of the book is an amazing revelation of the techniques employed by the Communists and is a brilliant directive on how to fight that conspiracy — but it also contains misconceptions that are so obvious that I am led to wonder if the "Anti-Defamation League" had a hand in the writing of it.

THE TECHNIQUE OF THE HOLLYWOOD REDS

As I was reading the book, especially the misconceptions, I was reminded of the technique the Reds in Hollywood employed to infiltrate propaganda into some of our best Films — the better the

film, the more effective the propaganda. I unmasked that technique in my book, "Red Treason in Hollywood", published in 1949, as follows:

"The writer is the nerve center of the Film Studios. He is the man who can put a seemingly guileless line loaded with Commie propaganda into the mouth of a Gable or a Menjou and have true Americans innocently glorifying the Red ideology. So, the Commies' first objective was the Screen Writers' Guild. Under the direction of John Howard Lawson they transformed that Guild into their first absolute Red stronghold . . . and the craft and the guile those men (Red writers) employ puts all of us Americans to shame — chagrin" . . . And then I described their technique: ". . . Since the public's hue and cry against Commie propaganda in pictures American minded producers and directors are on the alert. So the writer is instructed by the Commie 'Control Board' not to write a complete Commie scene, but to inject a few TNT lines in an important and costly scene . . . lines that seem innocent enough — until they are heard from the screen. If the Director is smart enough to catch such lines while shooting the picture they come out. But if he overlooks them — well, no Studio will spend fifty or a hundred thousand dollars to remake that scene for just a line or two.

"Another trick that's worked time and again: John Ford, or Leo McCarey, or some other 'right' director, is about to do a picture and needs a writer. Some agent, who plays ball with the Commies, is instructed to turn on a supersales talk and sell that director a mediocre hack writer who is seemingly untainted. A good Agent can do it, particularly if he also has a Star the Director wants, and especially as the writer will work for 'peanuts' — 'peanuts' in Hollywood being \$500 a week. All right — the hack writer is handed the story. He takes it home. That night the story is analyzed by a group of really ace writers. They find the spots where Commie lines can be injected and carefully wrapped up in vital scenes — lines so sugar-coated that not even a Sam Wood would suspect the writer of malice aforesought. They work nights on it. Several weeks later the hack writer nonchalantly hands in this script — and knocks the director off his feet with its excellence! Why not? He has \$50,000 worth of writing in it for perhaps two or three thousand. He is so elated with the dialogue and construction that he completely forgets to scrutinize it — and when the picture is released a choice bit of Commie propaganda is passed out to the audience!"

RESEMBLANCE IN "MASTERS OF DECEIT"

The startling resemblance of that technique hit me as I came across those "misconceptions" in "Masters of Deceit". I will cite just two of them — one that whitewashes the NAACP, another one that

actually glorifies the vicious and notorious "Anti-Defamation League":

On page 246 I found the following statement: "*The NAACP's national leadership has vigorously denounced Communist attempts at infiltration.*"

Now to begin with: the NAACP was founded not by negroes at all, but by one white female, Mary Ovington White, a notorious Abolitionist; one white male Socialist, Oswald Garrison Villard; one Russian trained Revolutionary, William F. Walling; one Rumanian born Jew, Dr. Henry Moskowitz; and one Mulatto, W. E. B. DuBois, who has been cited by the FBI, and various Congressional Committees, as having 72 Communist-Front affiliations. Thus, all but one of the Founders were Whites, all Red-tainted.

Now — approximately simultaneously with the founding of NAACP, one Israel Cohen, a Communist Party top functionary in England, wrote a book entitled "A RACIAL PROGRAM FOR THE 20th CENTURY," in which he made the following statement:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

If authenticity is required: the above excerpt was entered into the Congressional Record of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary evidence that the NAACP was created by the Communist to foment unrest and strife between Blacks and Whites is found in the following: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA".

It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — "Any act of discrimination or

prejudice against a negro will become a crime under the Revolutionary law . . ."

If that is not enough, I will now point out that even Mr. Hoover has never attempted to disprove the following statement made by the Hon. Eugene Cook in his official capacity as Attorney General of Georgia:

"The files of the House Un-American Activities Committee reveal records of affiliation with or participation in Communist, Communist-front, fellow-traveling or subversive organizations or activities on the part of the following present officials of the NAACP -- the President, Arthur B. Spingarn, 3; the Chairman of the Board, Channing H. Tobias, 10; the Honorary Chairman, W. E. B. DuBois, 72; the Treasurer, Allen Knight Chalmers, 3; eleven of the twenty-eight vice presidents, twenty-eight of the forty-seven directors; the chairman of the National Legal Committee, Lloyd Garrison, 5; the Executive Secretary, Roy Wilkins, 3; the special counsel, Thurgood Marshall; the Southeast Regional Secretary, Ruby Hurley, 2; the Director of Public Relations, Henry Lee Moon, 3; the West Coast Secretary, Franklin H. Williams, 2; Director of the Washington Bureau, Clarence M. Mitchell and two field secretaries, one each."

No doubt Mr. Hoover's statement that "NAACP leaders vigorously denounce Communist attempts at infiltration" is literally true. But, inasmuch as he has all of the above facts in his own files, how could Mr. Hoover have been no naive as to credit them with their "denunciation"? Why should the Communists have to "infiltrate" an organization which their own Communist-Fronters (*as of record*) created and have controlled from the very beginning. That "denunciation" by the NAACP leaders is the same old Hollywood Red writers' technique to make a half-truth distort and make a seeming lie of a whole truth.

Now let's turn to Mr. Hoover's glorification of the "Anti-Defamation League." On page 257 of this book we find the following:

"Some of the most effective opposition to Communism in the United States has come from Jewish organizations such as B'nai B'rith, the American Jewish Committee, the American Jewish League Against Communism, the ANTI-DEFAMATION LEAGUE, and a host of other Jewish groups."

DID HOOVER WRITE THIS BOOK?

I am not a hero worshipper. If I were, J. Edgar Hoover would have been my most revered one. Throughout our war with the Great Conspiracy I have looked upon him as a divinely inspired

and dedicated Guardian of our beloved country. So I frankly confess that my heart was crying as I was reading his whitewash of the NAACP and his eulogy of the ADL.

Then calmer reflection set in. And I began to wonder if J. Edgar Hoover could have written this book. I express this doubt because those two statements, plus others, grossly insult this man's own intelligence. Mr. Hoover knows all about the Great Conspiracy. In addition, his own FBI files contain thousands of documentaries that incontrovertibly establish that both NAACP and ADL are chief instruments in that Conspiracy. Hence I can only conclude that "Masters Of Deceit" was ghost written. Or, if not entirely ghost written, it was "edited" to permit the inclusion of items which make it the most dangerous document ever submitted to the American people — *and its entire danger lies in the fact that the name J. Edgar Hoover sponsors its "misconceptions".* That danger is revealed, inadvertently, of course, by an item on page 82 of the book which ostensibly refers to the Communist Party, but which ironically, applies equally as well to the book:

"The Party's objective is to drive a wedge, however slight, into as many minds as possible . . ."

That is exactly what this book is doing! The (comparatively few) fully informed fighting American Patriots who looked upon J. Edgar Hoover as our incorruptible leader are convinced that he has been "captured" by the Great Conspiracy . . . those who are less informed but who have been gradually alerted to the menace of the ADL and the NAACP, but who also regard Hoover as the great authority, are now confused . . . the brainwashed are now more brainwashed than ever.

The danger of this book is greatly heightened by the fact that most of it is so excellent. This is particularly true of the latter sections. The bibliography, the appendices, the glossary of terms, all are truly edifying. It took a lot of sugar to coat the bitter "pill" that this is a book to "drive a wedge, however slight, into as many minds as possible"!

PRIMA FACIE EVIDENCE

For the proof of that let's go back to that page 257 glorification of the ADL. In that item "Masters of Deceit" states: "Some of the most effective opposition to Communism . . . has come from . . .

B'nai B'rith, the American Jewish Committee, the American Jewish League Against Communism (and) the ANTI-DEFAMATION LEAGUE.

That statement more than anything else convinces me that "Masters of Deceit" was ghost written. J. Edgar Hoover could not have written those words — *because they are definitely ADL technique!* The ADL fastens their "anti-semitic" brand on those they wish to discredit by linking them with one or another of *their* established "smear-carriers." In the above, the ADL, B'nai B'rith and American Jewish Committee are "purified" by being linked with the American Jewish League Against Communism, headed by Rabbi Schultz and George Sokolsky, and the only Jewish group that is sincerely fighting Communism. *That* is a reversal of "Guilt by association" to "innocence by association" worthy only of the crafty masterminds of the ADL!

The best evidence that the Internationalist-Communist Conspiracy considers "Masters Of Deceit" a choice instrument to "drive a wedge, however slight, into as many minds as possible . . ." is the terrific advance publicity build-up given the book by our Left-wing press. The natural retort would be that *any* book by J. Edgar Hoover would be given a good "press." But that is not true —any book, unfavorable to Communism and the Internationalist Conspiracy, whether by Hoover or by anybody else, would be given the silent treatment. But "Masters of Deceit" was given the same Leftwing press ballyhoo that was accorded to the infamous "Under Cover" by the notorious John Roy Carlson of the many aliases — the same kind of wild ovation that was given the ADL's vicious 1950 Year (Smear) book, "A Measure of Freedom", which openly and brazenly sought to foment hatred and strife between Whites and Blacks, between Catholics and Protestants, between Americans and Mexicans. In short, "Masters of Deceit" received the kind of an ovation that the Left-wing press accords only to books, plays and Films that do a JOB for the Internationalist-Communist Conspiracy . . . quite a reversal from the previous vilification of the FBI and, by that token, of J. Edgar Hoover — eh, what?

But having said all that, I still fully realize that no mere contradiction of mine, or by anybody else, can stand alone against a statement bearing the signature of J. Edgar Hoover.

Therefore, I shall now submit *documentary* evidence to back up my contradiction. The kind of documentary evidence that even Mr. Hoover cannot refute — *because he has that same evidence in his own FBI files!*

First, however, I wish to remind that during the past ten years

our CEG "News-Bulletins" have recorded many of the pro-Communist activities of the ADL and the American Jewish Committee. That includes the B'nai B'rith, inasmuch as the ADL and the B'nai B'rith are to all intents and purposes one and the same — the official name of the ADL is "*The Anti-Defamation League of B'nai B'rith.*" As a matter of fact, I was vastly amazed when I found that Mr. Hoover had identified them as individual organizations. *He knows better!* The ADL and the B'nai B'rith are as closely linked together as the Department of Justice and the FBI.

In our May 1950 issue, entitled "*Reds in the Anti-Defamation League*", I revealed the entire background of that organization and named many of the Reds in its Directorate. Also in that issue I reviewed their "*A Measure of Freedom*" and revealed its deliberate objectives to foment strife and hatred between Whites and Blacks, Catholics and Protestants, Americans and Mexicans. I provided further documented evidence in our November 1951 issue, entitled "*What is this thing called Anti-Semitism*" . . . also in many other issues. And in our November 1954 issue, "*Freedom of the Press — To Promote Treason*", I revealed the entire process by which the ADL controls our Press, Radio, TV, the Film industry, etc., and I named the leaders in that plot.

In addition to all that, my book "*Red Treason on Broadway*", published in 1954, was devoted almost in its entirety to the plottings of the ADL and how our Press, Radio, TV, Hollywood and the Entertainment World are directed by the ADL to brainwash the American people.

THE DOCUMENTARY PROOF

For my "documentary proof" to back up my contradiction of Mr. Hoover's good opinion about the ADL I shall now reprint a case I cited in "*Red Treason on Broadway*". I choose this case because I know that it is also documented in the files of the FBI — it was the FBI, working with the Naval Intelligence Bureau, that provided all the evidence in that case — and therefore it cannot be *brushed off*.

THE PACIFIC COAST SPY RING

"In the fall of 1938 one Mikhail Gorin was arrested in Los Angeles and charged with being the head of a Pacific Coast Spy ring.

"During the trial it was developed that Gorin was a Russian Communist and Soviet Agent, but ostensibly a highly respected manager of a Los Angeles travel agency called INTOURIST, Inc.

"One morning after Gorin had left for his office a dry-cleaner's truck driver called at the Gorin home for garments to be cleaned. Mrs. Gorin gave him some of her husband's suits. Back at his truck, the driver went through his employer's required routine of checking to make sure that nothing of value had been overlooked in the pockets. In one pocket he found an envelope containing a sheaf of Naval Intelligence papers. Suspecting the importance of his find, he promptly drove back to the office of his employer, who, in turn, took the envelope to the FBI. There every paper was carefully photostated and, later in the afternoon, the envelope was returned to Gorin, who, having discovered his loss, had hurried with his wife to the cleaning establishment and was feverishly waiting for the driver to come in off his route. He heaved a tremendous sigh of relief as the envelope was returned to him — seemingly intact and undisturbed.

"The FBI consulted with Rear Admiral Ellis M. Zacharias (now retired), the head of the Naval Intelligence Bureau in San Pedro. That sheaf of papers turned out to be maps and blueprints, together with explanatory notations, of the secret fortifications and Security set-ups of the Los Angeles and San Francisco harbors. The FBI and Naval Intelligence hurriedly instituted an investigation and established that that spy ring had been operating up and down the entire Pacific Coast under the supervision of the Russian Consul in Los Angeles. That was when Gorin and his chief lieutenant, one Hafis Salich, were arrested and charged with espionage and treason.

"During the trial it was developed that Salich, a Russian-born naturalized American Communist spy, had been in the employ of both the Naval Intelligence and the FBI.

"The moment he learned that Gorin had been arrested the very frightened Russian Consul called into consultation certain influential 'friends' who would find it highly necessary for their own safety to get this case quashed — and especially to prevent the press from 'breaking' the story . . . among these friends were ADL TOP BRASS!

"The ADL did not enter into this case officially — they never do, because they must keep their skirts clean . . . they appoint one of their most trusted functionaries to 'carry the ball' while they stay in the background and pull the necessary wires, such as muzzling the press . . . 'reaching' a Judge . . . or, if the case is sufficiently important, forcing the State Department, the U.S. Attorney General, and even the White House, to apply the pressures necessary to insure the decisions and conclusions they desire.

"Anyway, as a result of the appeal of the Russian Consul, the defense

of Gorin was assigned to ex-Judge Isaac Pacht, a top functionary and the most highly prized legal light of the 'Anti-Defamation League' in Los Angeles!

"Briefly, here is what happened: not one word of the entire case was ever published by the press — the ADL took care of that! However, Judge Ralph E. Jenney, before whom the case was tried, could not be 'reached', and, on March 20, 1939, he sentenced Gorin to six years in a Federal penitentiary, plus a fine of \$10,000. Salich was given a four year sentence, plus a fine of \$10,000.

"Pacht promptly appealed — and the Russian Ambassador in Washington put up a \$50,000 cash bail bond for Gorin — who was promptly released.

"Pacht's appeals, one to the Circuit Court of Appeals, Ninth District, then to the United States Supreme Court, were denied — both Courts sustained the sentence. But that did not end the matter. Pacht and Gorin (still out on bail) flew on to New York and Washington. Men of great influence were contacted.

"Now, as the old saying goes – hold on to your hat!

"On March 20, 1941, Sumner Welles, then Acting Secretary of State, wrote to the then U. S. Attorney General, Robert H. Jackson, and instructed him to order J. Edgar Hoover to 'forget' all about Makhail Gorin — and to instruct Judge Jenney to dismiss the case and set Gorin free. Both orders were obeyed! And on March 22nd, two days later, the case was again heard before Judge Jenney, and the disgusted and furious Jenney was forced to dismiss the case and set Gorin free. Gorin sailed for Russia that same day!

"Lest there be the slightest doubt of the authenticity of the above, anybody can look this case up in the files of the District Court of Southern California, where it bears the following identification on the file cover:

13769 R. J. Criminal
UNITED STATES DISTRICT COURT
Southern District of California
Central Division
UNITED STATES OF AMERICA - vs -
HAFIS SALICH, MIKHAIL GORIN

"The most important point about that entire matter was this: it was a case of ESPIONAGE and TREASON caught red-handed. Everybody who aided and abetted Gorin to escape the penalty of his crime was equally guilty of treason. Therefore, it can be said that Sumner Welles, by reason of his

order to Jackson, committed Treason — Jackson, by reason of his muzzling the FBI, committed Treason. Now, Judge Isaac Pacht is a Big Shot with the ADL in California, but he did not personally carry enough weight to force the Acting Secretary of State and the U. S. Attorney General to commit treason. That required the power and influence of men like Felix Frankfurter, Henry Morgenthau, Herbert Lehman, then the National Chairman of the 'Anti-Defamation League', etc., etc. . . . In short, it required all of the power and influence of the ADL to quash that case!

"The entire story of that Pacific Coast Spy Ring case is too voluminous for this book — after all, it is only intended to serve as just one item of concrete evidence of the participation of the ADL and/or its top Brass in the Red Conspiracy. All of the details would require HUNDREDS of pages — but it SHOULD be told in its entirety — because it would reveal a grisly story of treason, committed by men who call themselves Americans, that would rank right with the Alger Hiss case, the Monmouth Laboratory Radar Spy Ring case and even the Rosenberg case! This story should be told in the full glare of the public spotlight — before a Senate Committee when Pacht and all his co-conspirators would have to tell the truth, or seek refuge behind the Fifth Amendment and thus convict themselves as traitors . . . the entire story should be told with the complete files of the ADL, of the FBI, and the original Court records made available to the Investigating Committee!

"To emphasize the frightful viciousness of this entire case, I now submit the following story as it was front paged in the press on October 28, 1953:

"EX-RED ARMY OFFICER TELLS OF RUSS SPY RINGS IN U. S.

"By United Press

"New York, Oct. 28. — A former top Russian intelligence office told Senate investigators today that 20 to 25 Soviet spy rings were working in the United States in 1941. Naturally many of them began to operate long before 1941.

"The witness, Lieut. Col. Ismail G. Akhmedov, testifying for the first time before a Congressional group, told Senator William E. Jenner's Internal Security Subcommittee that he personally saw hundreds of documents of America's technical war secrets obtained by American spies . . .

"AMONG THE DOCUMENTS SEEN BY AKHMEDOV WERE BLUEPRINTS AND MAPS OF PACIFIC COAST HARBOR INSTALLATIONS AND FORTIFICATIONS !!!"

I submit this Pacific Coast Spy-Ring case as documentary evi-

dence to back up my contradiction of Mr. Hoover's glorification of the ADL. I am sure that he can find all necessary confirmation in his own FBI files. I also wish to point out that this act of treason was committed in 1939, when Moscow and Germany were allies — not when all the Reds and Internationalists were screaming that "Russia is our ally!"

ADL NEVER DENIED THE CHARGE

"RED TREASON on BROADWAY" came off the press in January 1954. In the intervening four years, many thousands of copies have been circulating throughout this country and abroad. The ADL has never so much as protested the charges in the book. To my distinct knowledge, hundreds of well-meaning readers of the book have urged the ADL to clear the atmosphere by challenging my charges either on a public platform or in a Court of Law, but not even in their replies did the ADL deny them. I will cite two of their replies:

Among those who questioned the ADL there was Mrs. Annalee Stratemeyer, wife of Lt. Gen. George E. Stratemeyer, USAF (Ret), a name that ranks with Douglas MacArthur and George Patton in the esteem of the American people. The ADL could hardly ignore such a question coming from such a distinguished American. Mrs. Stratemeyer addressed her letter directly to Henry E. Schultz, National Chairman of the ADL. She pointed out to him that I had challenged the ADL and/or any of those named in my charges to meet me in public debate on Radio or TV and disprove those charges — or to sue me for criminal libel. She asked why they had failed to do either.

After a considerable delay, Mr. Schultz replied. He concluded an oblique retort with the following:

"In regard to Fagan's 'challenges' to the Anti-Defamation League, we do not believe that it is in the public interest for us to help provide him with a forum for airing his malice."

Another case was a telephone conversation between a Miss Jane O'Brian and one Judge Irwin Shapiro, vice chairman of the ADL. Shapiro is a Judge in Queen's County, New York, and at the time

was a candidate for a higher political office. This conversation took place in October, 1957, and was as follows:

Miss O'Brian: "Judge Shapiro, this is Jane O'Brian. My club members and friends decided to cast our votes for you until we noticed the tract distributed with the indication on the back that you are Vice-Chairman of the Anti-Defamation League. Isn't it true that the latter is under suspicion by the FBI as being a subversive organization?"

Shapiro (shouting): "Of course not!"

Miss O'Brian: "I have a book before me entitled 'Red Treason on Broadway' which manifests that the ADL had issued a subversive film that was halted by - - -"

Shapiro (broke in heatedly): "Yes, I have a copy of that book — it was written by that crackpot, Fagan!"

Miss O'Brian: "Well, why hasn't Mr. Fagan been sued if his statements are untrue?"

Shapiro (shouting): "Because he is a crackpot seeking publicity for the book! It so happens that President Eisenhower and J. Edgar Hoover received awards last year from the ADL. If you don't trust our own President then vote for my opponents!"

Miss O'Brian assured him that that was exactly what they would do — and disconnected.

Such were the answers from two top officials of the ADL — do I have to make any further comment?

In Shapiro's last statement we have additional concrete evidence of the danger in *J. Edgar Hoover's* book — how it will be used as a cover-up for all the activities of the ADL.

And now I will submit some evidence that should convince Mr. Hoover that I am not alone in my opinion that his "glorification" of the ADL was a grave "mistake".

As we all know, the ADL did a lot of the masterminding for the passage of the Eisenhower (*so-proclaimed*) Civil Rights Bill. Indeed, both the ADL and the American Jewish Committee continually boast that it was their pressures and influences that forced the passage of that (*their*) Bill.

Actually, their "victory" was not as sweeping as they had hoped it would be, but they saw in it a means to further glorify themselves

in the opinion of the American people. Their idea was simple, as it was brilliant — if it had worked: briefly, they would get Congress to "glorify" them as Eisenhower glorified them by his presence as guest (*some pronounced it jest*) of honor at their 40th Anniversary Banquet in 1953. So they issued the following invitation to all the members of Both Houses of Congress:

"ANTI-DEFAMATION LEAGUE

"of B'nai B'rith

"National Chairman

"Henry Edward Schultz

"515 Madison Ave.,

"New York 22, N. Y.

January 21, 1958

"Dear Congressman —

"It is a great pleasure to inform you that the Anti-Defamation League of B'nai B'rith, at its recent annual meeting, voted to present the 1957 America's Democratic Legacy Silver Medallion to the 85th Congress of the United States for distinguished contributions to the enrichment of our heritage of freedom.

"In reaching this decision, our National Commission pays tribute to this Congress for its enactment of the first federal civil rights law in 82 years, and for the statesmanlike and constructive attitudes demonstrated by the members of Congress in high and earnest level of discussion of the issues.

"The medal has been awarded annually since 1948 to an American citizen or institution for the practical advancement of our American ideals. Among the recipients have been President Truman, President Eisenhower and such organizations as the Carnegie Corporation, the Rockefeller and Ford Foundations. Indeed, you may recall the Dinner With The President held by the League in Washington in 1953 at which President Eisenhower accepted the medallion and made an historic address.

"To make appropriate presentations this year, we have arranged to hold our annual award dinner at the Mayflower Hotel in Washington on the evening of March 3rd. We plan to present the award to the elected leaders of both Parties in the House and the Senate — Senator Lyndon B. Johnson and Senator William F. Knowland for their colleagues in the Senate, and Speaker Sam Rayburn and Representative Joseph W. Martin, Jr., for their colleagues in the House.

"As a member of the 85th Congress, you will receive within the next few days a formal invitation to be our honored guest at the award dinner. May I urge that you mark the date — Monday, March 3rd, 6 P.M. — on your

calendar and that you return the R.S.V.P. card at your earliest convenience.

"It is our hope that you will find it possible, in your busy schedule, to honor us with your presence at the dinner and at the presentation ceremonies to your distinguished colleagues.

"Sincerely yours,

"Henry E. Schultz"

And at once they began preparations to make it a gala event — with a nationwide presentation on TV, during which the guests of honor would, *of course*, eulogize the ADL as a great, loyal American organization — exactly as the "military genius" did in 1953.

But, alas and alack — *and thank God* — there seems to be quite a few men in both Houses of Congress who just do not appreciate the ADL . . . more than THREE HUNDRED of them promptly, *some scathingly*, rejected the invitations. The shaken and dismayed ADL hastily cancelled their TV time and abandoned all their grandiose publicity campaigns. Even their own N. Y. Times and Washington Post-Herald could hardly find words that could brush off that kind of a slap in the teeth. Even they could hardly contend that "*everybody is out of step except our . . .*" Nor, I am sure, would J. Edgar Hoover contend that those three hundred Solons are ignorant morons and/or just plain "anti-semites."

With this I wish to stress one more point: throughout the years both the ADL and the American Jewish Committee have loudly proclaimed that they are loyal and patriotic American groups whose prime objective is to protect the rights of the minority groups (said minority groups being Jews and Negroes).

Recently a Senate Committee in a report on the so-called reorganization of the Communist Party U.S.A. accused the "Party" of trying to "*foist on the public the belief it is basically American and striking an 'idealistic pose' as champion of minority rights . . .*"

Quite a co-incidence, isn't it?

OH, FOR AN ETHAN ALLEN TODAY!

Ethan Allen was the rugged Vermonter who saved the American Revolution in its early days by capturing Fort Ticonderoga "*in the*

name of the Great Jehovah and the Continental Congress." He had one trait which J. Edgar Hoover might profitably cultivate today.

Allen believed that the American people had unlimited capabilities — and he believed that if they used those capabilities up to the hilt they would not need to be afraid of anything.

Even though the Colonies were already launched in their fight for independence when Allen took Ticonderoga, the Declaration of Independence had not yet been adopted, nor, in fact, written, and certain timid members of the Continental Congress suggested that the cannon and ammunition captured at Ticonderoga should be returned to the British, Allen exploded when he heard of the proposal — and he wrote Congress a letter in which he said:

"I wish to God that America would at this critical hour exert herself! She might rise on eagle wings and mount up to glory, freedom and immortal honor if she did but know her strength."

At his demand that letter was read to the entire Congress. It gave added strength to the strong ones and stiffened the spines of the weak ones. The cannons were not returned to the British. They were sent to Washington, who used them to drive the British out of Boston and to set the Colonies on the high road to independence.

Ethan Allen's heartfelt prayer of 1775 is a wonderful one for all of us in 1958 to keep in mind — *"I wish to God America would at this critical hour exert herself!"*

And as I wrote that prayer, J. Edgar Hoover came back into my mind. J. Edgar Hoover has in his files today the ammunition that Ethan Allen had when he took Ticonderoga. All that J. Edgar Hoover would have to do to save America today is what Ethan Allen did in 1775 — if he would send the same message to Congress, *together with his files*, he would save America today as Ethan Allen did in 1775.

And do you know, in my heart I have a feeling that some fine day he will do just that! Despite "*Masters of Deceit*" I still believe in J. Edgar Hoover. I believe that in his heart he is the kind of an American that Ethan Allen was. I fully realize the pressures under which he has to operate. Herbert Brownell was his boss when he was writing that book — and in the White House we have a man who jumps at the crack of the Internationalists' whip. But J. Edgar Hoover can disregard all those men, so I appeal to him to do what Ethan Allen did — defy them — reveal those files to Congress and

the people — and save America! Not the Attorney General, not the President of the United States, not *all* of them together would dare to touch him — the American people would tear them to shreds before they could lift a finger!

Mr. Hoover, there is an even greater parable for you to ponder on in the depths of your heart:

Two thousand years ago a Man named Jesus stood before Pontius Pilate. Pontius Pilate said he saw no wrong in the Man. And he wanted to set him free. But there was a Cabal in that time — just as there is one today. And that “Anti-Defamation League” of that time demanded that Jesus be turned over to them — just as the “Anti-Defamation League” of today is demanding that America be turned over to *them* . . . and Pontius Pilate surrendered to their pressures.

Please, *please*, Mr. Hoover, don’t *you* go down in history as the Pontius Pilate of the twentieth century!

Dear Mr. Hoover:

The attached leaflet bearing the picture of Supreme Court Justice Earl Warren with the caption "Wanted" was received in this Department in an envelope containing a letter from Mr. Robert H. Baker, President and Treasurer of FONES Brothers Hardware Company, Little Rock, Arkansas under date of October 24, 1958.

Mr. Baker is a member of a Standing Committee for "Simplified Practices and Recommendations on Loaded Paper Shells and Metallic Cartridges" for the Business and Defense Services Administration. Mr. Baker had been solicited by letter dated October 21, 1958 for comments on a proposed program. A copy of his reply dated October 24, 1958 is attached for your information. There was no comment concerning the leaflet which came inclosed in the envelope with his letter.

The leaflet is simply being forwarded to your Bureau for your information and such action as you deem appropriate.

Enemy in time of war is **TREASON**. Communism is a known mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at total war with that Enemy. Those three "Decisions" unquestionably give aid and comfort to that Enemy. By that token, they are acts of **TREASON!**

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a Julius Rosenberg. For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the Rosenbergs!

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to fulfill their oaths — to summon forthwith for

proper trial all those Justices who collaborated in those three treason-packed "Decisions".

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

WANTED!

EARL WARREN

FOR IMPEACHMENT

For giving aid and comfort to the **COMMUNIST CONSPIRACY**, the mortal Enemy of the United States and the American People!

CO-DEFENDANTS

Also wanted for trial and impeachment, on the same charge, are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and

NAACP were created immediately after that — to carry out that DIRECTIVE!

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — "Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . ."

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND !!!

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and

the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy was to succeed the FBI had to be destroyed!

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrie to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective law against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Under our laws, giving aid and comfort to a

Dear Mr. McCamley:

I am in receipt of your letter of October 15, 1957, advising that a quorum was not present at the Atlantic City meeting and requesting recommendations on the suggested changes by letter.

With reference to the changes in the Simplified Practice recommendations dated August 15, 1957, that were inclosed with your letter of September 10, 1957, my recommendations are as follows:

a. I do not approve of the elimination of Loaded Paper Shot Shells, Table 1:

Low CUP-NO-SMOKELESS (target load)
Shotshells recommended to be eliminated
16 Gauge, 2-1/2 dram, 1 ounce shot, No. 8, 1-7/16 inches
16 " 2-1/2 dram, 1 ounce shot, No. 8, 2-3/4 inches
20 Gauge, 2-3/4 dram, 1 ounce shot, 2-3/8 inches

b. I do not approve of the elimination of Table 2 of Duck Shot Loads:

No. 00, protected crimp, 2-3/4 inch shell
No. 0, protected crimp, 2-3/4 inch shell.

c. I do approve of all of the other recommendations on Loaded Paper Shot Shells; also all of the recommendations for Metallic Cartridges.

Dear Mrs. Pinson:

Your letter dated February 22, 1959, has been received, and the interest which prompted your communication is indeed appreciated.

While I would like to be of assistance, the function of the FBI as a fact-gathering agency, does not extend to furnishing comments or evaluations concerning the character or integrity of any individual, publication or organization. Furthermore, information in the files of this Bureau is maintained as confidential and available for official use only in accordance with a regulation of the Department of Justice. I regret, therefore, that I am unable to comply with your request for information concerning the organization you mentioned.

I am sure you will understand the necessity for this policy and will not infer from my inability to be of assistance that we do or do not have in our files the information you desire.

The FBI is strictly an investigative agency and is not within our authority to interpret or explain decisions of a court of law. Therefore, I am unable to comply with your request for information concerning decisions of the United States Supreme Court. Correspondent requests she be furnished information concerning the Cinema Educational Guild. She wants proof it is definitely an anticommunist organization and information as to its purpose and its accomplishments. She further states she would like to be better informed on the Jencks and Watkins' decisions of the Supreme Court.

In view of the extremely controversial nature of the activities of Fagan and his organization, it is believed that the above reply will best serve the interests of the Bureau.

Dear Mrs. Shields:

Your letter dated March 7, 1959, with its enclosures, has been received, and the interest which prompted your communication is indeed appreciated.

While I would like to be of assistance, the function of the FBI as a fact-gathering agency does not extend to furnishing evaluations or comments concerning the character or integrity of any individual, organization or publication. Furthermore, information in the files of this Bureau is maintained as confidential and available for official use only in accordance with a regulation of the Department of Justice. I regret, therefore, that I am unable to comply with your request for information concerning the organization and individual you mentioned.

I am sure you will understand the necessity for this policy and will not infer because of my inability to be of assistance that we do or do not have in our files the information you desire.

I am also unable to suggest any sources through which you might obtain the desired information.

Sincerely yours,

John Edgar Hoover

Correspondent enclosed two pamphlets entitled "Wanted! . . . Earl Warren For Impeachment" and "The Truth . . . About The U. N." issued by the Cinema Educational Guild, Incorporated (CEG), Post Office Box 46205, Cole Branch, Hollywood 46, California. She requested information concerning this organization or advice as to a source which can furnish her the information. She wants information concerning the honesty, integrity and political affiliation of the organization and its director, Myron C. Fagan. Bufiles contain no identifiable data concerning the correspondent.

The CEG is allegedly an anticommunist group. Its director, Fagan, has frequently attempted to use Director Hoover's name in furtherance of his programs and it has been necessary on numerous occasions to have the Los Angeles Office contact him and request him to refrain from mentioning the FBI in any manner. While purporting to be anticommunist, the CEG has also been responsible for the distribution of anti-Negro and anti-Semitic pamphlets. Fagan, in one of his pamphlets, attacked "Masters of Deceit" for complimentary references to the Anti-Defamation League of B'nai B'rith. (62-87267)

The above is furnished for your information only.

NOTE ON YELLOW:

Although we have not investigated the CEG, a statement to that effect may infer that we approve of Fagan and his organization. In view of the controversial nature of the activities of Fagan and his organization and in line with replies given to similar inquiries in the past, the above reply will best serve the Bureau's interests.

Correspondent enclosed a self-addressed stamped envelope which is being used in reply.

Dear Sir:

Various pamphlets and tracts, distributed by the Cinema Educational Guild, Inc., have recently been placed in my hands. These tracts accuse various high governmental officials and functions of some very serious charges.

I would greatly appreciate any information you could give me concerning this organization, or of another source to which I can refer for this information.

I would like to know specifically of the integrity of the Guild, whether or not it has any political affiliations, and the honesty of their reports. Also, I would like information of the same nature concerning the leader of the organization, Myron C. Fagan.

Many people, known to me, religiously believe in this organization and their reports. I cannot accept them and the charges they make solely on the proof they offer. I would, therefore, appreciate any information you could give me on the Guild.

REC-44 62 - 87267-152

Enclosed are two sample tracts, and a stamped, self-addressed envelope for your convenience.

decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about "rights" and "terms of the Charter": Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — he also confirmed its permanency! After that, says Mr. Lie ". . . it would not have been politic for me to resist that (secret agreement) accord."

He then reveals what little authority he had in all such matters, even in the choice of the Russian to fill that all-important post, although, under the Charter, he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that "his was not to reason why, his was but to obey — OR GET FIRED!"

WE NOW HAVE THE PROOF !!!

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—evidence that that "secret agreement" MURDERED 145,000 American boys in KOREA! — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly

investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless "the people" DEMAND that they act — and the people won't DEMAND until they know what to DEMAND. Senator Jenner said: "Our problem is to get the story to the people" — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — coupled with Tract No. One!

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

1959. - UN TRACT No. 2 - 1959

THE TRUTH...

by TRYGVIE LIE

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist ! ! ! Now, under the Charter, "little wars" **to prevent Communist aggression** (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, **they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee!** GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee ! ! !

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGRESSIONAL RECORD", and demanded that the UN be hauled up for a thorough (**open to the public**) hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get "**the people**" to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we quoted sections of "**U. S. Government (TOP SECRET) Bulletins**" which OFFICIALLY confirmed all those charges . . . Those **TOP SECRET Bulletins** confirmed that the UN gave MOSCOW'S Gen. Vasiliev a "leave of absence" from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES ! ! ! . . . Those Bulletins PROVED that ALL

the American boys who died in Korea were MURDERED by the UN — **as a result of that Hiss-Molotov secret agreement** ! ! ! . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese ! ! !

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washington . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — **and that would mean the end of the UN** ! ! ! . . . And then the State Department came to the rescue of the Conspirators — they issued an "**official statement**" in which they denied our charges — and virtually proclaimed that their own original "**U. S. Government (TOP SECRET) Bulletins**" were falsehoods. And, promptly, the UN and ALL the UN Fronts — **and the State Department** — flooded the nation with that false and misleading "**official statement**"!

Now, get this point: in their denials, those "**official statements**" never once **named** the "charges" they denied — they operated on the theory that if they could cast a doubt on any one charge it would discredit **all** charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce DOCUMENTARY evidence that such an agreement had ever been made!

That strategy worked perfectly! **And why not?** After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely they wouldn't be guilty of deliberate falsehoods! Oh, no? Anyway, "**the people**", confused, believed

them. The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygvie Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "**IN THE CAUSE OF PEACE**". Maybe he wrote it just for profit — **maybe to clear his conscience**. Anyway, in that book, on pages 45 and 46, in the chapter entitled "**SECRETARIAT**" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his (verbatim) statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Secretary Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "... by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won

Enemy In time of war Is TREASON. Communism Is a known mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at total war with that Enemy. Those three "Decisions" unquestionably give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a Julius Rosenberg. For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the Rosenbergs!

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to fulfill their oaths — to summon forthwith for

proper trial all those Justices who collaborated in those three treason-packed "Decisions".

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

WANTED!

EARL WARREN

FOR IMPEACHMENT

For giving aid and comfort to the COMMUNIST CONSPIRACY, the mortal Enemy of the United States and the American People!

CO-DEFENDANTS

Also wanted for trial and impeachment, on the same charge, are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and

NAACP were created immediately after that — to carry out that DIRECTIVE!

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — "Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . ."

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND !!!

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and

the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy was to succeed the FBI had to be destroyed!

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Under our laws, giving aid and comfort to an

Correspondent inquired "What can you tell me of Cinema Educational Guild Inc?" Bufiles reveal that correspondent toured the Bureau in 1938 and advised that he was the brother-in-law of Richard B. of piping their skilfully camouflaged propaganda into your Living Room and POISONING THE MINDS OF YOUR CHILDREN. You can get all the names, all their techniques, and the further knowledge of how to drive them off the Screen and off your TV Set in the following named three books:

"RED TREASON ON BROADWAY" reveals the paralyzing grip the REDS have on the Legitimate Theatre and on TELEVISION — especially on TV — and how the CRITICS help the REDS. More important, it tells how YOU can help to smash that grip!

"RED TREASON IN HOLLYWOOD" was the first book to fearlessly reveal the Communist Conspiracy in the Motion Picture industry — it NAMED all the Top REDS in Hollywood. This book unmasked the Conspiracy and started the drive of the REDS out of Hollywood.

"DOCUMENTATION of the RED STARS in HOLLYWOOD" reveals the actual RED activities of the STARS . . . it reveals how they organized their RED FRONTS — and how those FRONTS function . . . it shows how to smash Red Fronts!

Myron C. Fagan, famous playwright and director, unquestionably the foremost authority on Communism in the Entertainment World, is the author of all three books. Each book is so vitally informative that one of our Government top Intelligence Agencies has bought many thousands of copies to serve as virtually text books for all its agents. Every American, man, woman and child, should read all three books in order to get realistic knowledge of how the ENEMY is using our Theatre, Screen, Radio and

TELEVISION to brainwash our people, especially our youth, into helping them to destroy our Country.

These books are priced at \$1.00 per copy, each. Anybody who desires these three books should send for them to "Cinema Educational Guild" immediately, as we have only a limited number of copies left.

AMERICANS

DON'T PATRONIZE REDS !!!

YOU CAN DRIVE THE REDS OUT OF
TELEVISION, RADIO AND HOLLY-

THIS TRACT WILL TELL YOU HOW.

WHY WE MUST DRIVE THEM OUT:

- 1) The REDS have made our Screen, Radio and TV Moscow's most effective Fifth Column in America . . .
- 2) The REDS of Hollywood and Broadway have always been the chief financial support of Communist propaganda in America . . .
- 3) OUR OWN FILMS, made by RED Producers, Directors, Writers and STARS, are being used by Moscow in ASIA, Africa, the Balkans and throughout Europe to create hatred of America . . .
- 4) RIGHT NOW films are being made to craftily glorify MARXISM, UNESCO and ONE-WORLDISM . . . and via your TV Set they are being piped into your Living Room—and are poisoning the minds of your children under your very eyes !!!

So REMEMBER — If you patronize a Film made by RED Producers, Writers, Stars and STUDIOS you are aiding and abetting COMMUNISM . . . every time you permit REDS to come into your Living Room VIA YOUR TV SET you are helping MOSCOW and the INTERNATIONALISTS to destroy America !!!

Dear Mr. Corliss:

Your letter dated March 21, 1959, with its enclosures, has been received and the interest which prompted your communication is indeed appreciated.

While I would like to be of assistance, the function of the FBI as a fact-gathering agency does not extend to furnishing evaluations or comments concerning the character or integrity of any individual, organization or publication. Furthermore, information in the files of this Bureau is maintained as confidential and available for official use only in accordance with a regulation of the Department of Justice. I regret, therefore, that I am unable to comply with your request for information.

I am sure you will understand the necessity for this policy and will not infer from my inability to be of assistance that we do or do not have in our files the information you desire.

Sincerely yours,

Correspondent enclosed a pamphlet entitled "Wanted... Earl Warren for Impeachment," issued by the Cinema Educational Guild, Incorporated, (CEG) Post Office Box 46205, Cole Branch, Hollywood 46, California. This pamphlet is critical of Warren because of various Supreme Court decisions. This correspondent also enclosed the envelope in which this pamphlet was received. It bore an undated postmark at Holyoke, Massachusetts.

Correspondent advised that it does not seem possible that the statements contained in the pamphlet are true and inquires if it is the work of some communist inspired group who ~~charis~~ is trying to create friction and trouble in this country. He feels the group should be investigated.

The CEG is an anticommunist group. Its Director, Myron C. Fagan, has frequently attempted to use the Director's name in furtherance of his programs and it has been necessary on numerous occasions to have the Los Angeles Office contact him and request him to refrain from mentioning the FBI in any manner. While purporting to be anticommunist, the CEG has also been responsible for the distribution of anti-Negro and anti-Semitic pamphlets. Fagan in one of his pamphlets attacked "Masters of Deceit" for complimentary references to the Anti-Defamation League of B'nai B'rith.

This data is furnished for your information only.

NOTE ON YELLOW:

In view of the controversial nature of the activities of Fagan and his organization and in line with replies given to similar inquiries in the past, the above reply will best serve the Bureau's interest.

Mr. J. Edgar Hoover
Federal Bureau of Investigation
Washington 25, D. C.

Dear Sir:

I received the enclosed circular yesterday. The contents are indeed alarming.

It just doesn't seem possible that these statements can be true--that men picked for the highest court in our United States of America could do these things with which they are charged in this circular.

No doubt you have seen one of these circulars and know what it is all about. Is this the work of some communist inspired group who are trying to create friction and trouble all over our country, and to confuse people so they won't know right from wrong?

My wife and I feel that the group should be thoroughly investigated, if this has not already been done. The address on the circular is Hollywood, California but the postmark on the envelope is Holyoke, Mass., so we are enclosing both. We are good American citizens and have explicit faith in J. Edgar Hoover and the F. B. I.

May we have a reply at your convenience?

Very truly yours,

Lill Corliss

"Enemy In time of war Is TREASON. Communism Is a known mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at total war with that Enemy. Those three "Decisions" unquestionably give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a Julius Rosenberg. For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the Rosenbergs!

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to fulfill their oaths — to summon forthwith for

proper trial all those Justices who collaborated in those three treason-packed "Decisions".

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

WANTED!

EARL WARREN

FOR IMPEACHMENT

For giving aid and comfort to the COMMUNIST CONSPIRACY, the mortal Enemy of the United States and the American People!

AE-52201134

CO-DEFENDANTS

Also wanted for trial and impeachment, on the same charge, are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and

NAACP were created immediately after that — to carry out that DIRECTIVE!

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — "Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . ."

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND !!!

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and

the survival of our Country. Through all those years' it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy was to succeed the FBI had to be destroyed!

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Under our laws, giving aid and comfort to an

decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about "rights" and "terms of the Charter"; Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — he also confirmed its permanency! After that, says Mr. Lie ". . . it would not have been politic for me to resist that (secret agreement) accord."

He then reveals what little authority he had in all such matters, even in the choice of the Russian to fill that all-important post, although, under the Charter, he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that "his was not to reason why, his was but to obey — OR GET FIRED!"

WE NOW HAVE THE PROOF !!!

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—evidence that that "secret agreement" MURDERED 145,000 American boys in KOREA! — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly

investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless "the people" DEMAND that they act — and the people won't DEMAND until they know what to DEMAND. Senator Jenner said: "Our problem is to get the story to the people" — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — coupled with Tract No. One!

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

1959 - UN TRACT No. 2 - 1959

THE TRUTH...

by TRYGVIE LIE

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U.S.

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist!!! Now, under the Charter, "little wars" to prevent Communist aggression (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee! GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee!!!

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGRESSIONAL RECORD", and demanded that the UN be hauled up for a thorough (open to the public) hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand. Simultaneously, we (CEG), to get "the people" to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we quoted sections of "**U. S. Government (TOP SECRET) Bulletins**" which OFFICIALLY confirmed all those charges . . . Those **TOP SECRET Bulletins** confirmed that the UN gave MOSCOW'S Gen. Vasiliev a "leave of absence" from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES!!! . . . Those Bulletins PROVED that ALL

the American boys who died in Korea were MURDERED by the UN — as a result of that Hiss-Molotov secret agreement !!! . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese !!!

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washington . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — and that would mean the end of the UN !!! . . . And then the State Department came to the rescue of the Conspirators — they issued an "official statement" in which they denied our charges — and virtually proclaimed that their own original "**U. S. Government (TOP SECRET) Bulletins**" were falsehoods. And, promptly, the UN and ALL the UN Fronts — and the State Department — flooded the nation with that false and misleading "official statement"!

Now, get this point: in their denials, those "official statements" never once named the "charges" they denied — they operated on the theory that if they could cast a doubt on any one charge it would discredit all charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce DOCUMENTARY evidence that such an agreement had ever been made!

That strategy worked perfectly! And why not? After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely they wouldn't be guilty of deliberate falsehoods! Oh, no? Anyway, "the people", confused, believed

them. The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygvie Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit — maybe to clear his conscience. Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his (verbatim) statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Secretary Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "... by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won

YEAR-END REPORT for our MEMBERS

NOTE:—Customarily, at this time of year we issue a Year-End Report in which we review the work and the achievements of CEG during the twelve month period just ended. But this year it is FAR more than just a review—it is also a BLUEPRINT for the year ahead—a “blueprint” for ALL of the American people who truly love America—who are willing to FIGHT to save the country that is our heritage . . . and our sacred trust. It is a “blueprint” that shows that:

1959 IS OUR LAST YEAR OF DECISION!

What we will do in 1959 will decide what will be done in 1960—at the Conventions . . . it will either drive out the traitors and save our country—or it will surrender our nation to the Internationalist-Communist conspiracy. Therefore, please read this “Report” slowly—DIGEST it—then let your heart tell you what to do.

For the members of CEG there is no need to define the “Internationalist-Communist Conspiracy”—or to identify the Conspirators. If all of the American people knew even a fraction of what the CEG members know about both, that Conspiracy would have been smashed long before now. Time after time Senator Jenner cried out: “We must get the story to the people . . . only the people can force Congress to take the action that will smash the conspiracy.” But the Conspiracy-controlled Press-Radio-TV always managed to keep “the story” from the people. That was our great obstacle! Well, in this “REPORT” I will show how we virtually overcame that Press “blackout”—how very, very near we came to forcing Congress to take that action . . . I will show how and why we failed to achieve that Congressional action in 1958—but more important, this “REPORT” will show how we can (MUST) achieve it in 1959.

First, for the benefit of the uninformed, I will briefly outline the Machiavellian strategy of the Great Conspiracy: the *Crus* of their plot is to trap the United States into becoming a unit of a “One-World Government.” During World War One they set up the “LEAGUE OF NATIONS” for that purpose. That scheme was torpedoed by the then Senator Henry Cabot Lodge (not today’s phony Henry Cabot Lodge “Jr.”). They waited for World War Two (which they brought about ! ! !) and promptly set up the “UNITED NATIONS” to achieve that same objective.

As their first step, they organized the UWF (“United World Federalists”) to launch a “public demand” for a One-World (UN) Government, with PEACE as the bait. In 1949 we (CEG) issued a series of “News-Bulletins” and “Tracts” which unmasked and smashed that scheme . . . Thereupon the plotters launched the infamous UN “GENOCIDE TREATY”. In 1950 our (CEG) “News-Bulletins” and “Tracts” smashed that fiendish scheme!

The combined exposures created a nation-wide sensation. But the renegade Press, also the traitors in high places in Washington, rushed to the rescue of the UN—they assured the people that the whole thing was a “false alarm”—and the people went back into slumberland!

However, that narrow escape terrified the Masterminds of the Conspiracy. They decided it was too risky for the UN to come out into the open again—they’d have to find some other way to lure us into their trap. And that was when they decided that the U. S. Supreme Court would be their perfect pied-piper. They launched that scheme at the Republican Convention in 1952—with the deal to appoint Warren to the U.S. Supreme Court. The chief objective of the “Masterminds” was to get complete control of our “Law and Order” machinery, viz: Warren to issue “Decisions” based on the UN Charter—with Eisenhower to enforce them as “Laws of the Land” . . . thus, gradually, the UN Charter would supplant our Constitution.

In 1954, as scheduled at that Convention, Earl Warren was appointed Chief Justice of the U. S. Supreme Court—and his first (Desegregation) “Decision” confirmed the warnings in our “News-Bulletins” of that year. That “Decision” startled the nation—it so brazenly flouted our Constitution—and virtually proclaimed the UN Charter to be the Law of our Land. There was a great public outcry—some of the more courageous men in Congress denounced Warren. Right then and there was when Warren should have been impeached! But once again the “Masterminds” outsmarted us: frightened by the outcry, they “laid low”—made no immediate attempts to follow up that “Decision” . . . and once again their obedient press pooh-poohed the entire matter and convinced us that it was nothing to get

“set-up” about—and once again the people went back into slumberland.

Now, those loyal Americans in Congress, the Jenners, Malones, Goldwaters, Burdicks, they were not deluded. They knew what that “Decision” meant—and what would follow. They knew that salvation of the nation demanded drastic action. But they hesitated—primarily because the public outcry was subsiding—and they knew that without the CONTINUED support of the people they couldn’t get the Congress to support them!

The “Enemy Within” waited until we were sound asleep and then, in 1957, one right on top of another, Mister Warren issued his “Jencks Decision” and the “Watkins Decision” and all those other “Decisions” . . . “Decisions” that nullified laws passed by Congress to prevent treason and sabotage . . . “Decisions” to foil Congressional investigations of subversions and treason . . . “Decisions” intended to create racial dissensions and bloody strife throughout the Land! . . . And, at the same time, the “Military Genius” unlawfully launched the first step (*Little Rock*) of the blanket invasion that was to transform the entire South into the “Black Republic” the Masterminds of the Great Conspiracy have been holding out as bait to their negro dupes.

Once again the people screamed! Once again there were hurried conferences in Washington. And this time there was no hesitation—this time ACTION was a MUST! Senator Jenner started it off with his famous Senate Bill 2646, which, while aimed (ostensibly) only at clipping the jurisdictional wings of the Court, would have been the perfect springboard for the impeachment proceedings.

Simultaneously—to offset the “brainwashing” by the Press—and to build up a “peoples’ mandate” to support Jenner and the other loyal Senators, we (CEG) set ourselves to carry out Jenner’s exhortations to “get the story to the people”. We devoted our entire July-August (1957) “News-Bulletin” (“WE MUST IMPEACH SUPREME COURT JUSTICES”), to a review of all the Warren “Decisions”—and traced them directly to the written directives of the Communist Conspiracy . . . we established that Warren and his Associate Justices were placed in their high offices for the express purpose of twisting and distorting our Constitution into a pliable tool for the Great Conspiracy. At the same time, we issued the six-page “Tract” (WANTED—EARL WARREN—FOR IMPEACHMENT) in which we urged all loyal Americans to demand that their Senators and Representatives take the necessary steps (impeachments) to stop that treason.

Very quickly more than a MILLION copies of that “Tract” were circulating throughout the nation. In turn, thousands of loyal Americans, God love ‘em, poured their copies into the offices of their Senators and Representatives, together with letters demanding ACTION. And was that “Tract” campaign effective! At the peak of it sixty-two Senators had pledged themselves to vote for the Jenner Bill—and quite a few others indicated leanings to it.

DEFEAT SHOWS WAY TO VICTORY

Despite all the odds in our favor, the Jenner Bill was defeated by just one vote—41 to 40. But that is no longer news. But how the “Masterminds” succeeded in snatching that narrow victory out of the throat of defeat is news—and it also gave us the tip-off how we can save our country!

During the early April (1958) hearings on the Jenner Bill it became obvious that a strong majority of the Senate was swinging in behind it. Never before, as they saw one Senator after another bow to the demands of their Amer-

ican constituents, were the "Masterminds" in such a panic. They had to prevent the passage of that Bill at all costs. How they accomplished it is NEWS that all of the American people should know—because that "news" shows who controls our Congress—how they control it—and how we can smash that control. *The salvation of our Country depends upon getting that story to all of the American people!* Limitation of space prevents my telling it in this "Report", so I urge you to please, *please* send for our January (1958) "News-Bulletin" (No. 67). In that "News-Bulletin" you will get the whole story—but, more important, you will see how in their frenzy to defeat the Jenner Bill they unmasked all their techniques and revealed to us how we can make those very techniques boomerang—and smash their entire Conspiracy.

(NOTE:—The list price of our "News-Bulletins" is 50 cents per copy, but it is so vital to get this particular issue widely circulated that we will gladly fill quantity orders at reduced rates.) MCF

THE POWER OF THE "TRACT"

Our "Tract" crusade has taught us two vital lessons: 1) The so-called apathy of the American people is due mainly to the fact that our Press, Radio and TV are absolutely controlled by the "Enemy Within"—they not only keep the truth from the people, but slant all the news so as to "brainwash" us into accepting what the "Enemy" wants us to believe—but we now know that, *as far as they go*, our "Tracts" get the true story to the people . . . No. 2) We now know that our Congressmen will obey our demands—if we make our demands strong enough!—we know that if we had increased, or just maintained the momentum of our "Tracts", the Jenner Bill would have been passed virtually unanimously—and that impeachment proceedings of Warren would have followed just as surely as day follows night.

Now I will show why the impeachment of Warren is a sure way for the salvation of our nation: the Congressional investigations leading to the impeachment proceedings, plus the evidence uncovered in the "hearings", would provide us with all the ammunition we need to shatter the entire Conspiracy—just as surely as the evidence revealed by the Goldfine hearings torpedoed Sherman Adams out of his dictatorship! . . . It would reveal all the "deals" and chicaneries that landed Warren on the Supreme Court bench . . . it would reveal his backers . . . it would reveal the objectives behind all of his treasonous "Decisions"—and why they are based on the UN Charter . . . it would automatically nullify and outlaw all those "Decisions".

In short, just that one impeachment could completely unmask—AND SMASH—the entire Conspiracy . . . Is that worth fighting for? . . . And now I will show how we CAN win such a fight!

We lost our battle in 1958—by just one vote. The very narrowness of that defeat was our first real victory—I can assure you that there are scores of men in both Houses of Congress who now are (angrily) aware that the salvation of our country depends upon the impeachments called for by our Crusade—and they have come back to Washington this month with a determination to accomplish that job. *Don't take my word for it*—"NEWSWEEK", issue of October 20, stated:—"When Congress reconvenes in January, lawmakers in both Houses are prepared to introduce new legislation to curb the Court's powers. The Bills they have prepared constitute a far-reaching attack on the Court's authority . . ." the gist of the article indicated that any one of those Bills could be a springboard for impeachment proceedings!!!

Now: the passage of those Bills—and impeachment of Warren—depends upon how strongly we, the people, will support those Congressmen who stand ready to do that job . . . it all depends upon our getting "the story" to the people—in order to get their support. In 1958 we failed by just one vote—we failed because we did not get "the story" to enough of the people.

Nowthen, we (CEG) have dedicated ourselves to complete the job in 1959! Like the "Christian Soldiers" in the days of Nero, our CEG members must be the spreaders of "the story" throughout the nation. Just a few dedicated members in every community can do the job. But we do not have enough of them. So I ask you, *beg you*, to give enough of your time to induce a few of your friends and neighbors to become members of CEG—and help to spread "the story".

I have stressed the word *member*—now I'll tell you why: our records show that through the years we have had thousands of non-members co-operate with us (CEG) on one specific objective, such as smashing the UWF conspiracy, or the GENOCIDE plot, then, that objective achieved, they dropped out of the fight. *But not our MEMBERS!*—they keep on fighting! There is a psychological

something in all of us that once we take an objective into our hearts we keep fighting until that objective is won! Our MEMBERS, from the outset, have taken the salvation of our Country into their hearts—and they, like the "Christian Soldiers" of old, will keep on fighting until we win that objective. That is why I plead for MEMBERS in all communities to carry our fight to all loyal Americans throughout the nation—that is why I appeal to you to enlist your friends and neighbors to become MEMBERS ("CHRISTIAN SOLDIERS") of CEG and help us win this fight. *Surely America is worth \$12.00 a year (CEG dues) to every loyal American!*

OUR 1959 PLAN

First of all, we must operate on the theory that our 1957-58 "Tract" campaign is down the drain. It isn't actually—it is well planted with all the old members of Congress. But there are at least 100 new members in both Houses who must be "educated" and impressed.

Even more important, our "Tracts" tell "the story" in words and ways that even the few loyal ones in the press and radio don't dare to tell it. Therefore, we must get "the story" to the people via MILLIONS of our "Tracts"—not ONE million, but MILLIONS . . . And after "the people" read those "Tracts" they must sign them and send them to their Senators and Representatives.

Secondly, we have TWO objectives—although, actually, they are twins of our one GREAT objective: *to smash the Great Conspiracy*. No. 1 is the impeachment of Earl Warren—that will unmask ALL the traitors. For that objective we will continue to use SCJ Tract No. 1 (WANTED—EARL WARREN—FOR IMPEACHMENT)—it tells the full story of his treason . . . and can't be disputed!

No. 2 is to haul the UN up for a thorough (*public*) "hearing" before a Congressional Committee—that will torpedo the crux of the entire conspiracy . . . it will outlaw the UN Charter and all the "Decisions" based on that Charter . . . without the UN the "One-World" scheme will be kaput! For that objective we will continue to use our No. 1 UN Tract (DOCUMENTARY PROOF)—but, to nail down that proof, we are issuing the enclosed copy of UN TRACT No. 2. Read it and you will see its terrific impact—nobody who will read it can deny that, to save our country, we must—"get the U. S. out of the UN and the UN out of the U. S!"

These two "Tracts" should be distributed as a unit—combined, they are PROOF that not even the most fanatical UN-lover can dispute.

Nowthen, as I previously stated, we must launch our 1959 campaign from scratch. That means we must once again contact all patriots throughout the nations (*including non-members of CEG*) who co-worked with us in 1957-58—that means approximately 25,000 individuals . . . we must enlist the co-operation of the heads of ALL patriotic groups to have all their members get into this crusade . . . likewise all American Legion and VFW Posts and DAR Chapters, etc., etc. In addition, we must set up a "liaison organization" (*call it a "Lobby"*) in Washington, D. C., to co-operate with those loyal Americans in both Houses of Congress.

Now, as you may know, we defray all of our operational expenses from our membership dues. We get no financial help from "Foundations"—we have no rich "angels". Even before the present high costs, that membership dues (\$12.00 per year) just barely covered our normal overhead. Now we have this tremendous job ahead of us. It will require an enormous amount of printing, postage, labor—but, I am sure you agree, it is a job that MUST be done. So I now have a very vital and urgent request: please increase (*voluntarily*) your membership dues—or contribute whatever you can afford to help us do this job. *The degree of our success will depend upon the finances to do it!* Every extra dollar you will contribute will provide us with priceless "ammunition"—and please bear in mind that we MUST do this job during this session of Congress! So please, please rush your dues check and/or contribution NOW—TODAY, —we need the money NOW to pay for our tremendous mailing to launch the crusade.

Yours for God and Country,

P.S. Also please RUSH your orders for UN TRACTS No. 1 and No. 2—to "Get the U. S. out of the U N and the U N out of the U. S. . . . and TRACT SCJ No. 1—to force impeachment of Earl Warren, et al. All our TRACTS are \$2.00 for 100 copies.

Additional copies of this "YEAR-END REPORT" can be had for 10c a single copy—at 5c per copy in quantity.

Enemy In time of war Is TREASON. Communism Is a known mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at total war with that Enemy. Those three "Decisions" unquestionably give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a Julius Rosenberg. For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the Rosenbergs!

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to fulfill their oaths — to summon forthwith for

proper trial all those Justices who collaborated in those three treason-packed "Decisions".

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

WANTED!

EARL WARREN

FOR IMPEACHMENT

For giving aid and comfort to the COMMUNIST CONSPIRACY, the mortal Enemy of the United States and the American People!

CO-DEFENDANTS

Also wanted for trial and impeachment, **on the same charge**, are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and

NAACP were created immediately after that — to carry out that DIRECTIVE!

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: In 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — "Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . ."

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND !!!

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and

the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impenetrable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy was to succeed the FBI had to be destroyed!

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Under our laws, giving aid and comfort to an

of piping their skilfully camouflaged propaganda into your Living Room and POISONING THE MINDS OF YOUR CHILDREN. You can get all the names, all their techniques, and the further knowledge of how to drive them off the Screen and off your TV Set in the following named three books:

"RED TREASON ON BROADWAY" reveals the paralyzing grip the REDS have on the Legitimate Theatre and on TELEVISION — especially on TV — and how the CRITICS help the REDS. More important, it tells how YOU can help to smash that grip!

"RED TREASON IN HOLLYWOOD" was the first book to fearlessly reveal the Communist Conspiracy in the Motion Picture industry — it NAMED all the Top REDS in Hollywood. This book unmasked the Conspiracy and started the drive of the REDS out of Hollywood.

"DOCUMENTATION of the RED STARS in HOLLYWOOD" reveals the actual RED activities of the STARS . . . it reveals how they organized their RED FRONTS — and how those FRONTS function . . . it shows how to smash Red Fronts!

Myron C. Fagan, famous playwright and director, unquestionably the foremost authority on Communism in the Entertainment World, is the author of all three books. Each book is so vitally informative that one of our Government top Intelligence Agencies has bought many thousands of copies to serve as virtually text books for all its agents. Every American, man, woman and child, should read all three books in order to get realistic knowledge of how the ENEMY is using our Theatre, Screen, Radio and

TELEVISION to brainwash our people, especially our youth, into helping them to destroy our Country.

These books are priced at \$1.00 per copy, each. Anybody who desires these three books should send for them to "Cinema Educational Guild" immediately, as we have only a limited number of copies left.

AMERICANS..... DON'T PATRONIZE REDS!!!!

YOU CAN DRIVE THE REDS OUT OF
TELEVISION, RADIO AND HOLLY-
WOOD

THIS TRACT WILL TELL YOU HOW.

WHY WE MUST DRIVE THEM OUT:

1) The REDS have made our Screen, Radio and TV Moscow's most effective Fifth Column in America . . .
2) The REDS of Hollywood and Broadway have always been the chief financial support of Communist propaganda in America . . . 3) OUR OWN FILMS, made by RED Producers, Directors, Writers and STARS, are being used by Moscow in ASIA, Africa, the Balkans and throughout Europe to create hatred of America . . . 4) RIGHT NOW films are being made to craftily glorify MARXISM, UNESCO and ONE-WORLDISM . . . and via your TV Set they are being piped into your Living Room—and are poisoning the minds of your children under your very eyes !!!

So REMEMBER — If you patronize a Film made by RED Producers, Writers, Stars and STUDIOS you are aiding and abetting COMMUNISM . . . every time you permit REDS to come into your Living Room VIA YOUR TV SET you are helping MOSCOW and the INTERNATIONALISTS to destroy America !!!

Among the worst offending sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc., (a subsidiary of Columbia Pictures Corporation); Desilu; MCA-REVUE; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

Here Is HOW YOU CAN Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper" in America and the World! They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize—and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood — Radio — Television . . . Hit the pocketbooks of the Sponsor ! ! ! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

YEAR-END REPORT for our MEMBERS

NOTE:—Customarily, at this time of year we issue a Year-End Report in which we review the work and the achievements of CEG during the twelve month period just ended. But this year it is FAR more than just a review—it is also a BLUEPRINT for the year ahead—a “blueprint” for ALL of the American people who truly love America—who are willing to FIGHT to save the country that is our heritage . . . and our sacred trust. It is a “blueprint” that shows that:

→ 1959 IS OUR LAST YEAR OF DECISION! ←

*What we will do in 1959 will decide what will be done in 1960—at the Conventions . . . it will either drive out the traitors and save our country—or it will surrender our nation to the Internationalist-Communist conspiracy.
Therefore, please read this “Report” slowly — DIGEST it—then let your heart tell you what to do.*

For the members of CEG there is no need to define the “Internationalist-Communist Conspiracy”—or to identify the Conspirators. If all of the American people knew even a fraction of what the CEG members know about both, that Conspiracy would have been smashed long before now. Time after time Senator Jenner cried out: “We must get the story to the people . . . only the people can force Congress to take the action that will smash the conspiracy.” But the Conspiracy-controlled Press-Radio-TV always managed to keep “the story” from the people. That was our great obstacle! Well, in this “REPORT” I will show how we virtually overcame that Press “blackout”—how very, very near we came to forcing Congress to take that action . . . I will show how and why we failed to achieve that Congressional action in 1958—but more important, this “REPORT” will show how we can (MUST) achieve it in 1959.

First, for the benefit of the uninformed, I will briefly outline the Machiavellian strategy of the Great Conspiracy: the Crux of their plot is to trap the United States into becoming a unit of a “One-World Government.” During World War One they set up the “LEAGUE OF NATIONS” for that purpose. That scheme was torpedoed by the then Senator Henry Cabot Lodge (not today’s phony Henry Cabot Lodge “Jr.”). They waited for World War Two (which they brought about ! ! !) and promptly set up the “UNITED NATIONS” to achieve that same objective.

As their first step, they organized the UWF (“United World Federalists”) to launch a “public demand” for a One-World (UN) Government, with PEACE as the bait. In 1949 we (CEG) issued a series of “News-Bulletins” and “Tracts” which unmasked and smashed that scheme . . . Thereupon the plotters launched the infamous UN “GENOCIDE TREATY”. In 1950 our (CEG) “News-Bulletins” and “Tracts” smashed that fiendish scheme!

The combined exposures created a nation-wide sensation. But the renegade Press, also the traitors in high places in Washington, rushed to the rescue of the UN—they assured the people that the whole thing was a “false alarm”—and the people went back into slumberland!

However, that narrow escape terrified the Masterminds of the Conspiracy. They decided it was too risky for the UN to come out into the open again—they’d have to find some other way to lure us into their trap. And that was when they decided that the U. S. Supreme Court would be their perfect pied-piper. They launched that scheme at the Republican Convention in 1952—with the deal to appoint Warren to the U. S. Supreme Court. The chief objective of the “Masterminds” was to get complete control of our “Law and Order” machinery, viz: Warren to issue “Decisions” based on the UN Charter—with Eisenhower to enforce them as “Laws of the Land” . . . thus, gradually, the UN Charter would supplant our Constitution.

In 1954, as scheduled at that Convention, Earl Warren was appointed Chief Justice of the U. S. Supreme Court—and his first (Desegregation) “Decision” confirmed the warnings in our “News-Bulletins” of that year. That “Decision” startled the nation—it so brazenly flouted our Constitution—and virtually proclaimed the UN Charter to be the Law of our Land. There was a great public outcry—some of the more courageous men in Congress denounced Warren. Right then and there was when Warren should have been impeached! But once again the “Masterminds” outsmarted us: frightened by the outcry, they “laid low”—made no immediate attempts to follow up that “Decision” . . . and once again their obedient press pooh-poohed the entire matter and convinced us that it was nothing to get

“het-up” about—and once again the people went back into slumberland.

Now, those loyal Americans in Congress, the Jenners, Malones, Goldwaters, Burdicks, *they* were not deluded. They knew what that “Decision” meant—and what would follow. They knew that salvation of the nation demanded drastic action. But they hesitated—primarily because the public outcry was subsiding—and they knew that without the CONTINUED support of the people they couldn’t get the Congress to support them!

The “Enemy Within” waited until we were sound asleep and then, in 1957, one right on top of another, Mister Warren issued his “Jencks Decision” and the “Watkins Decision” and all those other “Decisions” . . . “Decisions” that nullified laws passed by Congress to prevent treason and sabotage . . . “Decisions” to foil Congressional investigations of subversions and treason . . . “Decisions” intended to create racial dissensions and bloody strife throughout the Land! . . . And, at the same time, the “Military Genius” unlawfully launched the first step (*Little Rock*) of the blanket invasion that was to transform the entire South into the “Black Republic” the Masterminds of the Great Conspiracy have been holding out as bait to their negro dupes.

Once again the people screamed! Once again there were hurried conferences in Washington. And this time there was no hesitation—this time ACTION was a MUST! Senator Jenner started it off with his famous Senate Bill 2646, which, while aimed (ostensibly) only at clipping the jurisdictional wings of the Court, would have been the perfect springboard for the impeachment proceedings.

Simultaneously—to offset the “brainwashing” by the Press—and to build up a “peoples’ mandate” to support Jenner and the other loyal Senators, we (CEG) set ourselves to carry out Jenner’s exhortations to “get the story to the people”. We devoted our entire July-August (1957) “News-Bulletin” (“WE MUST IMPEACH SUPREME COURT JUSTICES”) to a review of all the Warren “Decisions”—and traced them directly to the written directives of the Communist Conspiracy . . . we established that Warren and his Associate Justices were placed in their high offices for the express purpose of twisting and distorting our Constitution into a pliable tool for the Great Conspiracy. At the same time, we issued the six-page “Tract” (WANTED—EARL WARREN—FOR IMPEACHMENT) in which we urged all loyal Americans to demand that their Senators and Representatives take the necessary steps (impeachments) to stop that treason.

Very quickly more than a MILLION copies of that “Tract” were circulating throughout the nation. In turn, thousands of loyal Americans, God love ‘em, poured their copies into the offices of their Senators and Representatives, together with letters demanding ACTION. And was that “Tract” campaign effective! At the peak of it sixty-two Senators had pledged themselves to vote for the Jenner Bill—and quite a few others indicated leanings to it.

DEFEAT SHOWS WAY TO VICTORY

Despite all the odds in our favor, the Jenner Bill was defeated by just one vote—41 to 40. But that is no longer news. But how the “Masterminds” succeeded in snatching that narrow victory out of the throat of defeat is news—and it also gave us the tip-off how we can save our country!

During the early April (1958) hearings on the Jenner Bill it became obvious that a strong majority of the Senate was swinging in behind it. Never before, as they saw one Senator after another bow to the demands of their Amer-

ican constituents, were the "Masterminds" in such a panic. They had to prevent the passage of that Bill at all costs. How they accomplished it is NEWS that all of the American people should know—because that "news" shows who controls our Congress—how they control it—and how we can smash that control. *The salvation of our Country depends upon getting that story to all of the American people.* Limitation of space prevents my telling it in this "Report", so I urge you to please, *please* send for our January (1959) "News-Bulletin" (No. 67). In that "News-Bulletin" you will get the whole story—but, more important, you will see how in their frenzy to defeat the Jenner Bill they unmasked all their techniques and revealed to us how we can make those very techniques boomerang—and smash their entire Conspiracy.

(NOTE:—The list price of our "News-Bulletins" is 50 cents per copy, but it is so vital to get this particular issue widely circulated that we will gladly fill quantity orders at reduced rates.) MCF

THE POWER OF THE "TRACT"

Our "Tract" crusade has taught us two vital lessons: 1) The so-called apathy of the American people is due mainly to the fact that our Press, Radio and TV are absolutely controlled by the "Enemy Within"—they not only keep the truth from the people, but slant all the news so as to "brainwash" us into accepting what the "Enemy" wants us to believe—but we now know that, *as far as they go*, our "Tracts" get the *true story* to the people . . . No. 2) We now know that our Congressmen will obey our demands—if we make our demands strong enough!—we know that if we had increased, or just maintained the momentum of our "Tracts", the Jenner Bill would have been passed virtually unanimously—and that impeachment proceedings of Warren would have followed just as surely as day follows night.

Now I will show why the impeachment of Warren is a sure way for the salvation of our nation: the Congressional investigations leading to the impeachment proceedings, plus the evidence uncovered in the "hearings", would provide us with all the ammunition we need to shatter the entire Conspiracy—just as surely as the evidence revealed by the Goldfine hearings torpedoed Sherman Adams out of his dictatorship! . . . It would reveal all the "deals" and chicaneries that landed Warren on the Supreme Court bench . . . it would reveal his backers . . . it would reveal the objectives behind all of his treasonous "Decisions"—and why they are based on the UN Charter . . . it would automatically nullify and outlaw all those "Decisions".

In short, just that one impeachment could completely unmask—AND SMASH—the entire Conspiracy . . . Is that worth fighting for? . . . And now I will show how we CAN win such a fight!

We lost our battle in 1958—by just one vote. The very narrowness of that defeat was our first real victory—I can assure you that there are scores of men in both Houses of Congress who now are (angrily) aware that the salvation of our country depends upon the impeachments called for by our Crusade—and they have come back to Washington this month with a determination to accomplish that job. *Don't take my word for it*—"NEWSWEEK", issue of October 20, stated:—"When Congress reconvenes in January, lawmakers in both Houses are prepared to introduce new legislation to curb the Court's powers. The Bills they have prepared constitute a far-reaching attack on the Court's authority . . ." the gist of the article indicated that any one of those Bills could be a springboard for impeachment proceedings!!!

Now: the passage of those Bills—and impeachment of Warren—depends upon how strongly we, the people, will support those Congressmen who stand ready to do that JOB . . . it all depends upon our getting "the story" to the people—in order to get their support. In 1958 we failed by just one vote—we failed because we did not get "the story" to enough of the people.

Nowthen, we (CEG) have dedicated ourselves to complete the job in 1959! Like the "Christian Soldiers" in the days of Nero, our CEG members must be the spreaders of "the story" throughout the nation. Just a few dedicated members in every community can do the job. But we do not have enough of them. So I ask you, *beg you*, to give enough of your time to induce a few of your friends and neighbors to become members of CEG—and help to spread "the story".

I have stressed the word *member*—now I'll tell you why: our records show that through the years we have had thousands of non-members co-operate with us (CEG) on one specific objective, such as smashing the UWF conspiracy, or the GENOCIDE plot, then, that objective achieved, they dropped out of the fight. *But not our MEMBERS!*—they keep on fighting! There is a psychological

something in all of us that once we take an objective into our hearts we keep fighting until that objective is won! Our MEMBERS, from the outset, have taken the salvation of our Country into their hearts—and *they*, like the "Christian Soldiers" of old, will keep on fighting until we win that objective. That is why I plead for MEMBERS in all communities to carry our fight to *all* loyal Americans throughout the nation—that is why I appeal to you to enlist your friends and neighbors to become MEMBERS ("CHRISTIAN SOLDIERS") of CEG and help us win this fight. Surely America is worth \$12.00 a year (CEG dues) to every loyal American!

OUR 1959 PLAN

First of all, we must operate on the theory that our 1957-58 "Tract" campaign is down the drain. It isn't actually—it is well planted with all the old members of Congress. But there are at least 100 new members in both Houses who must be "educated" and impressed.

Even more important, our "Tracts" tell "the story" in words and ways that even the few loyal ones in the press and radio don't dare to tell it. Therefore, we must get "the story" to the people via MILLIONS of our "Tracts"—not ONE million, but MILLIONS . . . And after "the people" read those "Tracts" they must sign them and send them to their Senators and Representatives.

Secondly, we have TWO objectives—although, actually, they are twins of our one GREAT objective: *to smash the Great Conspiracy*. No. 1 is the impeachment of Earl Warren—that will unmask ALL the traitors. For that objective we will continue to use SCJ. Tract No. 1 (WANTED—EARL WARREN—FOR IMPEACHMENT)—it tells the full story of his treason . . . and can't be disputed!

No. 2 is to haul the UN up for a thorough (*public*) "hearing" before a Congressional Committee—that will torpedo the crux of the entire conspiracy . . . it will outlaw the UN Charter and all the "Decisions" based on that Charter . . . without the UN the "One-World" scheme will be kaput! For that objective we will continue to use our No. 1 UN Tract (DOCUMENTARY PROOF)—but, to nail down that proof, we are issuing the enclosed copy of UN TRACT No. 2. Read it and you will see its terrific impact—nobody who will read it can deny that, to save our country, we must — "get the U. S. out of the UN and the UN out of the U. S.!"

These two "Tracts" should be distributed as a unit—combined, they are PROOF that not even the most fanatical UN-lover can dispute.

Nowthen, as I previously stated, we must launch our 1959 campaign *from scratch*. That means we must once again contact all patriots throughout the nations (including non-members of CEG) who co-worked with us in 1957-58—that means approximately 25,000 individuals . . . we must enlist the co-operation of the heads of ALL patriotic groups to have all *their* members get into this crusade . . . likewise all American Legion and VFW Posts and DAR Chapters, etc., etc. In addition, we must set up a "liaison organization" (call it a "Lobby") in Washington, D. C., to co-operate with those loyal Americans in both Houses of Congress.

Now, as you may know, we defray all of our operational expenses from our membership dues. We get no financial help from "Foundations"—we have no rich "angels". Even before the present high costs, that membership dues (\$12.00 per year) just barely covered our normal overhead. Now we have this tremendous job ahead of us. It will require an enormous amount of printing, postage, labor—but, I am sure you agree, it is a job that MUST be done. So I now have a very vital and urgent request: please increase (*voluntarily*) your membership dues—or contribute whatever you can afford to help us do this job. *The degree of our success will depend upon the finances to do it!* Every extra dollar you will contribute will provide us with priceless "ammunition"—and please bear in mind that we MUST do this job during this session of Congress! So please, please rush your dues check and/or contribution NOW—TODAY—we need the money NOW to pay for our tremendous mailing to launch the crusade.

Yours for God and Country,

P.S. Also please RUSH your orders for UN TRACTS No. 1 and No. 2—to "Get the U. S. out of the UN and the UN out of the U. S. . . . and TRACT SCJ No. 1—to force impeachment of Earl Warren, et al. All our TRACTS are \$2.00 for 100 copies.

Additional copies of this "YEAR-END REPORT" can be had for 10c a single copy—at 5c per copy in quantity.

decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about "rights" and "terms of the Charter": Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — he also confirmed its permanency! After that, says Mr. Lie ". . . it would not have been politic for me to resist that (secret agreement) accord."

He then reveals what little authority he had in all such matters, even in the choice of the Russian to fill that all-important post, although, under the Charter, he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyhinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that "his was not to reason why, his was but to obey — OR GET FIRED!"

WE NOW HAVE THE PROOF !!!

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—evidence that that "secret agreement" MURDERED 145,000 American boys in KOREA! — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly

investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless "the people" DEMAND that they act — and the people won't DEMAND until they know what to DEMAND. Senator Jenner said: "Our problem is to get the story to the people" — so that they will KNOW what to demand.

You can solve that problem with this Tract! — coupled with Tract No. One!

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

1959 - UN TRACT No. 2 - 1959

THE TRUTH...

ABOUT

THE

U. N.

by TRYGVIE LIE

63-87269-157

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

The most startling of all the charges was that secret agreement between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist !!! Now, under the Charter, "little wars" to prevent Communist aggression (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee! GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee !!!

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGRESSIONAL RECORD", and demanded that the UN be hauled up for a thorough (open to the public) hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get "the people" to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we quoted sections of "U. S. Government (TOP SECRET) Bulletins" which OFFICIALLY confirmed all those charges . . . Those TOP SECRET Bulletins confirmed that the UN gave MOSCOW'S Gen. Vasiliev a "leave of absence" from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES !!! . . . Those Bulletins PROVED that ALL

the American boys who died in Korea were MURDERED by the UN — as a result of that Hiss-Molotov secret agreement !!! . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese !!!

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washington . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — and that would mean the end of the UN !!! . . . And then the State Department came to the rescue of the Conspirators — they issued an "official statement" in which they denied our charges — and virtually proclaimed that their own original "U. S. Government (TOP SECRET) Bulletins" were falsehoods. And, promptly, the UN and ALL the UN Fronts — and the State Department — flooded the nation with that false and misleading "official statement"!

Now, get this point: in their denials, those "official statements" never once named the "charges" they denied — they operated on the theory that if they could cast a doubt on any one charge it would discredit all charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce DOCUMENTARY evidence that such an agreement had ever been made!

That strategy worked perfectly! And why not? After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely they wouldn't be guilty of deliberate falsehoods! Oh, no? Anyway, "the people", confused, believed

them. The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygvie Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit — maybe to clear his conscience. Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his (verbatim) statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Secretary Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "... by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won

(Captioned) The Truth About Soviet Involvement in
the Korean War (marked "TOP SECRET")

"In the interest of throwing further light on the facts of Soviet participation in the Korean war, and on the Chinese record in Korea, the Department of Defense has released two special studies on these subjects . . . these studies establish beyond any reasonable doubt the true nature of Communist aggression against the Republic of Korea, the Soviet and Chinese Communist support of, and participation in that aggression, and the BLUNT TRUTH about the internal and external manifestations of Communist control in North Korea . . . Many Russian 'advisors' were attached to the North Korean Army advance headquarters established in June, 1950. They wore civilian clothing, and it was forbidden to address them by rank. They were introduced as 'newspaper reporters', but they had supreme authority. They took the lead in commanding and manipulating troops. They treated the North Korean officers, who were nominally their chiefs, like their servants, or children. A North Korean Major identified two of these Russian 'advisors' as GENERAL A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he said, was in charge of all movements across the 38th parallel."

MacArthur's Top Aide Confirms -
as follows:

"Someone told them (the Red Chinese) that even if the Red Chinese swarmed across the Yalu into No. Korea in overwhelming hordes, even if they slaughtered UN soldiers by the thousands on the battlefield and in the prisoner of war camps the U.S. Government would not retaliate. And the Reds' staging and supply area in Manchuria would remain a sanctuary!" . . . The U.S., BY ORDER OF THE UN, did not retaliate — Manchuria remained a Red's sanctuary throughout the war — and 145,000 American boys were maimed and MURDERED in Korea!!!

Do We Need Any More Proof?

By their silence the UN admits GUILT! It is now up to Congress to act! But Congress won't act unless the people FORCE them to act. Senator Jenner said: "Our problem is to get the story to the people" . . . the people, only the people can FORCE Congress to act.

YOU can solve that problem - with this Tract!

RITA ("Thieves' Paradise") . . . "All the American Boys who were killed in Korea were really murdered by the UN."

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theatre in Washington, D.C.

The play was written for just one purpose — to warn the American people that the YALTA plotters created the UN to destroy the U.S. and transform our country into an enslaved unit of a Communist One World Government . . . it was produced in Washington so as to put the UN on open trial before all the Members of Both Houses of Congress — from now on there can be no "I didn't know" alibis!

"Thieves' Paradise" revealed all the different phases of the diabolical plot — how the UN was a "Trojan Horse" sneaked into the U.S. to serve as a Sanctuary for Red Spies, Saboteurs and American traitors . . . how it was to destroy our Freedoms through "Treaties," such as "GENOCIDE" . . . to brainwash our Youth through UNESCO . . . to drain us of our wealth through UNRRA, "Marshall Plan"

62-81267-157

and Foreign Aid give-aways . . . and to finally transform the U.S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force. But there were men like Syngman Rhee and Chiang Kai Shek who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little-wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygvie Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces!

"STEFAN:— Exactly! That's what happened in

Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they didn't dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1951 . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary. The same UN records show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him sole command of all UN military affairs!!

Confirmed by U.S. State Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) "Special agreements under article 43 of the United Nations Charter" (marked "TOP SECRET"), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygvie Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . (Captioned) The Truth About Soviet Involvement in
the Korean War: (marked "TOP SECRET")

"In the interest of throwing further light on the facts of Soviet participation in the Korean war, and on the Chinese record in Korea, the Department of Defense has released two special studies on these subjects . . . these studies establish beyond any reasonable doubt the true nature of Communist aggression against the Republic of Korea, the Soviet and Chinese Communist support of, and participation in that aggression, and the BLUNT TRUTH about the internal and external manifestations of Communist control in North Korea . . . Many Russian 'advisors' were attached to the North Korean Army advance headquarters established in June, 1950. They wore civilian clothing, and it was forbidden to address them by rank. They were introduced as 'newspaper reporters', but they had supreme authority. They took the lead in commanding and manipulating troops. They treated the North Korean officers, who were nominally their chiefs, like their servants, or children. A North Korean Major identified two of these Russian 'advisors' as GENERAL A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he said, was in charge of all movements across the 38th parallel."

MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even if the Red Chinese swarmed across the Yalu into No. Korea in overwhelming hordes, even if they slaughtered UN soldiers by the thousands on the battlefields and in the prisoner of war camps the U.S. Government would not retaliate. And the Reds' staging and supply area in Manchuria would remain a sanctuary!" . . . The U.S., BY ORDER OF THE UN, did not retaliate — Manchuria remained a Red's sanctuary throughout the war — and 145,000 American boys were maimed and MURDERED in Korea!!!

Do We Need Any More Proof?

By their silence the UN admits GUILTY! It is now up to Congress to act! But Congress won't act unless the people FORCE them to act. Senator Jenner said: "Our problem is to get the story to the people" . . . the people, only the people can FORCE Congress to act.

YOU can solve that problem - with this Tract!

You owe it to America — and to your own children — to SPREAD this Tract far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose a copy in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of this Tract to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will! TELL THEM YOU MEAN IT !!!

RITA ("Thieves' Paradise") . . . "All the American Boys who were killed in Korea were really murdered by the UN."

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theatre in Washington, D.C.

The play was written for just one purpose — to warn the American people that the YALTA plotters created the UN to destroy the U.S. and transform our country into an enslaved unit of a Communist One World Government . . . it was produced in Washington so as to put the UN on open trial before all the Members of Both Houses of Congress — from now on there can be no "I didn't know" alibi!

"Thieves' Paradise" revealed all the different phases of the diabolical plot — how the UN was a "Trojan Horse" sneaked into the U.S. to serve as a Sanctuary for Red Spies, Saboteurs and American traitors . . . how it was to destroy our Freedoms through "Treaties," such as "GENOCIDE" . . . to brainwash our Youth through UNESCO . . . to drain us of our wealth through UNRRA, "Marshall Plan"

and Foreign Aid give-aways . . . and to finally transform the U.S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force. But there were men like Syngman Rhee and Chiang Kai Shek who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygvie Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces?

"STEFAN:— Exactly! That's what happened in

Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they didn't dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1951 . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary. decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about "rights" and "terms of the Charter": Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — he also confirmed its permanency! After that, says Mr. Lie ". . . it would not have been politic for me to resist that (secret agreement) accord."

He then reveals what little authority he had in all such matters, even in the choice of the Russian to fill that all-important post, although, under the Charter, he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that "his was not to reason why, his was but to obey — OR GET FIRED!"

WE NOW HAVE THE PROOF !!!

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—evidence that that "secret agreement" MURDERED 145,000 American boys in KOREA! — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly

investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless "the people" DEMAND that they act — and the people won't DEMAND until they know what to DEMAND. Senator Jenner said: "Our problem is to get the story to the people" — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — coupled with Tract No. One!

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Do it now — TODAY — you may forget if you put it off to tomorrow.

1959 - UN TRACT No. 2 - 1959

by TRYGVIE LIE

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist ! ! ! Now, under the Charter, "little wars" to prevent Communist aggression (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee! GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee !!!

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGRESSIONAL RECORD", and demanded that the UN be hauled up for a thorough (open to the public) hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get "the people" to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we quoted sections of "**U. S. Government (TOP SECRET) Bulletins**" which OFFICIALLY confirmed all those charges . . . Those **TOP SECRET Bulletins** confirmed that the UN gave MOSCOW'S Gen. Vasiliev a "leave of absence" from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES ! ! ! . . . Those Bulletins PROVED that ALL

the American boys who died in Korea were MURDERED by the UN — as a result of that Hiss-Molotov secret agreement ! ! ! . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese !!!

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washington . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — and that would mean the end of the UN ! ! ! . . . And then the State Department came to the rescue of the Conspirators — they issued an "official statement" in which they denied our charges — and virtually proclaimed that their own original "**U. S. Government (TOP SECRET) Bulletins**" were falsehoods. And, promptly, the UN and ALL the UN Fronts — and the State Department — flooded the nation with that false and misleading "official statement"!

Now, get this point: in their denials, those "official statements" never once named the "charges" they denied — they operated on the theory that if they could cast a doubt on any one charge it would discredit all charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce DOCUMENTARY evidence that such an agreement had ever been made!

That strategy worked perfectly! And why not? After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely they wouldn't be guilty of deliberate falsehoods! Oh, no? Anyway, "the people", confused, believed

them. The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygvie Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit — maybe to clear his conscience. Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his (verbatim) statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Secretary Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "... by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won

YEAR-END REPORT for our MEMBERS

NOTE:—Customarily, at this time of year we issue a Year-End Report in which we review the work and the achievements of CEG during the twelve month period just ended. But this year it is FAR more than just a review—it is also a BLUEPRINT for the year ahead—a “blueprint” for ALL of the American people who truly love America—who are willing to FIGHT to save the country that is our heritage . . . and our sacred trust. It is a “blueprint” that shows that:

→ 1959 IS OUR LAST YEAR OF DECISION! ←

What we will do in 1959 will decide what will be done in 1960—at the Conventions . . . it will either drive out the traitors and save our country—or it will surrender our nation to the Internationalist-Communist conspiracy. Therefore, please read this “Report” slowly — DIGEST it—then let your heart tell you what to do.

For the members of CEG there is no need to define the “Internationalist-Communist Conspiracy”—or to identify the Conspirators. If all of the American people knew even a fraction of what the CEG members know about both, that Conspiracy would have been smashed long before now. Time after time Senator Jenner cried out: “We must get the story to the people . . . only the people can force Congress to take the action that will smash the conspiracy.” But the Conspiracy-controlled Press-Radio-TV always managed to keep “the story” from the people. That was our great obstacle! Well, in this “REPORT” I will show how we virtually overcame that Press “blackout”—how very, very near we came to forcing Congress to take that action . . . I will show how and why we failed to achieve that Congressional action in 1958—but more important, this “REPORT” will show how we can (MUST) achieve it in 1959.

First, for the benefit of the uninformed, I will briefly outline the Machiavellian strategy of the Great Conspiracy: the Crux of their plot is to trap the United States into becoming a unit of a “One-World Government.” During World War One they set up the “LEAGUE OF NATIONS” for that purpose. That scheme was torpedoed by the then-Senator Henry Cabot Lodge (not today’s phony Henry Cabot Lodge “Jr.”). They waited for World War Two (which they brought about ! ! !) and promptly set up the “UNITED NATIONS” to achieve that same objective.

As their first step, they organized the UWF (“United World Federalists”) to launch a “public demand” for a One-World (UN) Government, with PEACE as the bait. In 1949 we (CEG) issued a series of “News-Bulletins” and “Tracts” which unmasked and smashed that scheme . . . Thereupon the plotters launched the infamous UN “GENOCIDE TREATY”. In 1950 our (CEG) “News-Bulletins” and “Tracts” smashed that fiendish scheme!

The combined exposures created a nation-wide sensation. But the renegade Press, also the traitors in high places in Washington, rushed to the rescue of the UN—they assured the people that the whole thing was a “false alarm”—and the people went back into slumberland!

However, that narrow escape terrified the Masterminds of the Conspiracy. They decided it was too risky for the UN to come out into the open again—they’d have to find some other way to lure us into their trap. And that was when they decided that the U. S. Supreme Court would be their perfect pied-piper. They launched that scheme at the Republican Convention in 1952—with the deal to appoint Warren to the U. S. Supreme Court. The chief objective of the “Masterminds” was to get complete control of our “Law and Order” machinery, viz: Warren to issue “Decisions” based on the UN Charter—with Eisenhower to enforce them as “Laws of the Land” . . . thus, gradually, the UN Charter would supplant our Constitution.

In 1954, as scheduled at that Convention, Earl Warren was appointed Chief Justice of the U. S. Supreme Court—and his first (Desegregation) “Decision” confirmed the warnings in our “News-Bulletins” of that year. That “Decision” startled the nation—it so brazenly flouted our Constitution—and virtually proclaimed the UN Charter to be the Law of our Land. There was a great public outcry—some of the more courageous men in Congress denounced Warren. Right then and there was when Warren should have been impeached! But once again the “Masterminds” outsmarted us: frightened by the outcry, they “laid low”—made no immediate attempts to follow up that “Decision” . . . and once again their obedient press pooh-poohed the entire matter and convinced us that it was nothing to get

“het-up” about—and once again the people went back into slumberland.

Now, those loyal Americans in Congress, the Jenners, Malones, Goldwaters, Burdicks, they were not deluded. They knew what that “Decision” meant—and what would follow. They knew that salvation of the nation demanded drastic action. But they hesitated—primarily because the public outcry was subsiding—and they knew that without the CONTINUED support of the people they couldn’t get the Congress to support them!

The “Enemy Within” waited until we were sound asleep and then, in 1957, one right on top of another, Mister Warren issued his “Jencks Decision” and the “Watkins Decision” and all those other “Decisions” . . . “Decisions” that nullified laws passed by Congress to prevent treason and sabotage . . . “Decisions” to foil Congressional investigations of subversions and treason . . . “Decisions” intended to create racial dissensions and bloody strife throughout the Land! . . . And, at the same time, the “Military Genius” unlawfully launched the first step (*Little Rock*) of the blanket invasion that was to transform the entire South into the “Black Republic” the Masterminds of the Great Conspiracy have been holding out as bait to their negro dupes.

Once again the people screamed! Once again there were hurried conferences in Washington. And this time there was no hesitation—this time ACTION was a MUST! Senator Jenner started it off with his famous Senate Bill 2646, which, while aimed (ostensibly) only at clipping the jurisdictional wings of the Court, would have been the perfect springboard for the impeachment proceedings.

Simultaneously—to offset the “brainwashing” by the Press—and to build up a “peoples’ mandate” to support Jenner and the other loyal Senators, we (CEG) set ourselves to carry out Jenner’s exhortations to “get the story to the people”. We devoted our entire July-August (1957) “News-Bulletin” (“WE MUST IMPEACH SUPREME COURT JUSTICES”) to a review of all the Warren “Decisions”—and traced them directly to the written directives of the Communist Conspiracy . . . we established that Warren and his Associate Justices were placed in their high offices for the express purpose of twisting and distorting our Constitution into a pliable tool for the Great Conspiracy. At the same time, we issued the six-page “Tract” (WANTED—EARL WARREN—FOR IMPEACHMENT) in which we urged all loyal Americans to demand that their Senators and Representatives take the necessary steps (impeachments) to stop that treason.

Very quickly more than a MILLION copies of that “Tract” were circulating throughout the nation. In turn, thousands of loyal Americans, God love ‘em, poured their copies into the offices of their Senators and Representatives, together with letters demanding ACTION. And was that “Tract” campaign effective! At the peak of it sixty-two Senators had pledged themselves to vote for the Jenner Bill—and quite a few others indicated leanings to it.

DEFEAT SHOWS WAY TO VICTORY

Despite all the odds in our favor, the Jenner Bill was defeated by just one vote—41 to 40. But that is no longer news. But how the “Masterminds” succeeded in snatching that narrow victory out of the throat of defeat is news—and it also gave us the tip-off how we can save our country!

During the early April (1958) hearings on the Jenner Bill it became obvious that a strong majority of the Senate was swinging in behind it. Never before, as they saw one Senator after another bow to the demands of their Amer-

ican constituents, were the "Masterminds" in such a panic. They had to prevent the passage of that Bill at all costs. How they accomplished it is NEWS that all of the American people should know—because that "news" shows who controls our Congress—how they control it—and how we can smash that control. *The salvation of our Country depends upon getting that story to all of the American people!* Limitation of space prevents my telling it in this "Report", so I urge you to please, *please* send for our January (1959) "News-Bulletin" (No. 67). In that "News-Bulletin" you will get the whole story—but, more important, you will see how in their frenzy to defeat the Jenner Bill they unmasked all their techniques and revealed to us how we can make those very techniques boomerang—and smash their entire Conspiracy.

(NOTE:—The list price of our "News-Bulletins" is 50 cents per copy, but it is so vital to get this particular issue widely circulated that we will gladly fill quantity orders at reduced rates.) MCF

THE POWER OF THE "TRACT"

Our "Tract" crusade has taught us two vital lessons: 1) The so-called apathy of the American people is due mainly to the fact that our Press, Radio and TV are absolutely controlled by the "Enemy Within"—they not only keep the truth from the people, but slant all the news so as to "brainwash" us into accepting what the "Enemy" wants us to believe—but we now know that, *as far as they go*, our "Tracts" get the *true story* to the people . . . No. 2) We now know that our Congressmen will obey our demands—if we make our demands strong enough!—we know that if we had increased, or just maintained the momentum of our "Tracts", the Jenner Bill would have been passed virtually unanimously—and that impeachment proceedings of Warren would have followed just as surely as day follows night.

Now I will show why the impeachment of Warren is a sure way for the salvation of our nation: the Congressional investigations leading to the impeachment proceedings, plus the evidence uncovered in the "hearings", would provide us with all the ammunition we need to shatter the entire Conspiracy—*just as surely as the evidence revealed by the Goldfine hearings torpedoed Sherman Adams out of his dictatorship!* . . . It would reveal all the "deals" and chicaneries that landed Warren on the Supreme Court bench . . . it would reveal his backers . . . it would reveal the objectives behind all of his treasonous "Decisions"—and why they are based on the UN Charter . . . it would automatically nullify and outlaw all those "Decisions".

In short, just that one impeachment could completely unmask—AND SMASH—the entire Conspiracy . . . Is that worth fighting for? . . . And now I will show how we CAN win such a fight!

We lost our battle in 1958—by just one vote. The very narrowness of that defeat was our first real victory—I can assure you that there are scores of men in both Houses of Congress who now are (angrily) aware that the salvation of our country depends upon the impeachments called for by our Crusade—and they have come back to Washington this month with a determination to accomplish that job. *Don't take my word for it—"NEWSWEEK", issue of October 20, stated:—"When Congress reconvenes in January, lawmakers in both Houses are prepared to introduce new legislation to curb the Court's powers. The Bills they have prepared constitute a far-reaching attack on the Court's authority . . ."* the gist of the article indicated that any one of those Bills could be a springboard for impeachment proceedings !!!

Now: the passage of those Bills—and impeachment of Warren—depends upon how strongly we, the people, will support those Congressmen who stand ready to do that job . . . it all depends upon our getting "the story" to the people—in order to get their support. In 1958 we failed by just one vote—we failed because we did not get "the story" to enough of the people.

Nowthen, we (CEG) have dedicated ourselves to complete the job in 1959! Like the "Christian Soldiers" in the days of Nero, our CEG members must be the spreaders of "the story" throughout the nation. Just a few dedicated members in every community can do the job. But we do not have enough of them. So I ask you, beg you, to give enough of your time to induce a few of your friends and neighbors to become members of CEG—and help to spread "the story".

I have stressed the word *member*—now I'll tell you why; our records show that through the years we have had thousands of non-members co-operate with us (CEG) on one specific objective, such as smashing the UWF conspiracy, or the GENOCIDE plot, then, that objective achieved, they dropped out of the fight. *But not our MEMBERS!*—they keep on fighting! There is a psychological

something in all of us that once we take an objective into our hearts we keep fighting until that objective is won! Our MEMBERS, from the outset, have taken the salvation of our Country into their hearts—and they, like the "Christian Soldiers" of old, will keep on fighting until we win that objective. That is why I plead for MEMBERS in all communities to carry our fight to all loyal Americans throughout the nation—that is why I appeal to you to enlist your friends and neighbors to become MEMBERS ("CHRISTIAN SOLDIERS") of CEG and help us win this fight. *Surely America is worth \$12.00 a year (CEG dues) to every loyal American!*

OUR 1959 PLAN

First of all, we must operate on the theory that our 1957-58 "Tract" campaign is down the drain. It isn't *actually*—it is well planted with all the old members of Congress. But there are at least 100 new members in both Houses who must be "educated" and impressed.

Even more important, our "Tracts" tell "the story" in words and ways that even the few loyal ones in the press and radio don't dare to tell it. Therefore, we must get "the story" to the people via MILLIONS of our "Tracts"—not ONE million, but MILLIONS . . . And after "the people" read those "Tracts" they must sign them and send them to their Senators and Representatives.

Secondly, we have TWO objectives—although, actually, they are twins of our one GREAT objective: *to smash the Great Conspiracy*. No. 1 is the impeachment of Earl Warren—that will unmask ALL the traitors. For that objective we will continue to use SCJ. Tract No. 1 (WANTED—EARL WARREN—FOR IMPEACHMENT)—it tells the full story of his treason . . . and can't be disputed!

No. 2 is to haul the UN up for a thorough (public) "hearing" before a Congressional Committee—that will torpedo the crux of the entire conspiracy . . . it will outlaw the UN Charter and all the "Decisions" based on that Charter . . . without the UN the "One-World" scheme will be kaput! For that objective we will continue to use our No. 1 UN Tract (DOCUMENTARY PROOF)—but, to nail down that proof, we are issuing the enclosed copy of UN TRACT No. 2. Read it and you will see its terrific impact—nobody who will read it can deny that, to save our country, we must—"get the U. S. out of the UN and the UN out of the U. S!"

These two "Tracts" should be distributed as a unit—combined, they are PROOF that not even the most fanatical UN-lover can dispute.

Nowthen, as I previously stated, we must launch our 1959 campaign from scratch. That means we must once again contact all patriots throughout the nations (including non-members of CEG) who co-worked with us in 1957-58—that means approximately 25,000 individuals . . . we must enlist the co-operation of the heads of ALL patriotic groups to have all their members get into this crusade . . . likewise all American Legion and VFW Posts and DAR Chapters, etc., etc. In addition, we must set up a "liaison organization" (call it a "Lobby") in Washington, D. C., to co-operate with those loyal Americans in both Houses of Congress.

Now, as you may know, we defray all of our operational expenses from our membership dues. We get no financial help from "Foundations"—we have no rich "angels". Even before the present high costs, that membership dues (\$12.00 per year) just barely covered our normal overhead. Now we have this tremendous job ahead of us. It will require an enormous amount of printing, postage, labor—but, I am sure you agree, it is a job that MUST be done. So I now have a very vital and urgent request: please increase (voluntarily) your membership dues—or contribute whatever you can afford to help us do this job. *The degree of our success will depend upon the finances to do it!* Every extra dollar you will contribute will provide us with priceless "ammunition"—and please bear in mind that we MUST do this job during this session of Congress! So please, please rush your dues check and/or contribution NOW—TODAY—we need the money NOW to pay for our tremendous mailing to launch the crusade.

Yours for God and Country,

P.S. Also please RUSH your orders for UN TRACTS No. 1 and No. 2—to "Get the U. S. out of the UN and the UN out of the U. S." . . . and TRACT SCJ No. 1—to force impeachment of Earl Warren, et al. All our TRACTS are \$2.00 for 100 copies.

Additional copies of this "YEAR-END REPORT" can be had for 10c a single copy—at 5c per copy in quantity.

Dear Mr. Easton:

I have received your letter dated May 6, 1959, with its enclosures, and the interest which prompted your communication is indeed appreciated.

While I would like to be of assistance, the function of the FBI as a fact-gathering agency does not extend to furnishing evaluations or comments concerning the character or integrity of any individual, organization or publication. I regret, therefore, that I am unable to comply with your request for information concerning the organization you mentioned.

Sincerely yours,

NOTE TO BOSTON. CONTINUED

The CEG is allegedly an anticommunist group; however, it has also been responsible for the distribution of anti-Negro and anti-Semitic pamphlets. The director of CEG, Myron C. Fagan, has frequently attempted to use the Director's name in furtherance of his programs, and it has been necessary on numerous occasions to have the Los Angeles Office contact him and request him to refrain from mentioning the FBI in any manner. Fagan, in one of his pamphlets, attacked "Masters of Deceit" for complimentary references to the Anti-Defamation League of B'nai B'rith. (62-87267)

NOTE ON YELLOW:

In view of the controversial nature of the activities of Fagan and his organization and in line with replies given to similar inquiries in the past, it is believed the above reply will best serve the Bureau's interests.

(Captioned) The Truth About Soviet Involvement in
the Korean War (marked 'TOP SECRET')

"In the interest of throwing further light on the facts of Soviet participation in the Korean war, and on the Chinese record in Korea, the Department of Defense has released two special studies on these subjects . . . these studies establish beyond any reasonable doubt the true nature of Communist aggression against the Republic of Korea, the Soviet and Chinese Communist support of, and participation in that aggression, and the BLUNT TRUTH about the internal and external manifestations of Communist control in North Korea . . . Many Russian 'advisors' were attached to the North Korean Army advance headquarters established in June, 1950. They wore civilian clothing, and it was forbidden to address them by rank. They were introduced as 'newspaper reporters', but they had supreme authority. They took the lead in commanding and manipulating troops. They treated the North Korean officers, who were nominally their chiefs, like their servants, or children. A North Korean Major identified two of these Russian 'advisors' as GENERAL A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he said, was in charge of all movements across the 38th parallel."

MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even if the Red Chinese swarmed across the Yalu into No. Korea in overwhelming hordes, even if they slaughtered UN soldiers by the thousands on the battlefields and in the prisoner of war camps the U.S. Government would not retaliate. And the Reds' staging and supply area in Manchuria would remain a sanctuary!" . . . The U.S., BY ORDER OF THE UN, did not retaliate - Manchuria remained a Red's sanctuary throughout the war - and 145,000 American boys were maimed and MURDERED in Korea!!!

Do We Need Any More Proof?

By their silence the UN admits GUILTY! It is now up to Congress to act! But Congress won't act unless the people FORCE them to act. Senator Jenner said: "Our problem is to get the story to the people" . . . the people, only the people can FORCE Congress to act.

YOU can solve that problem - with this Tract!

You owe it to America - and to your own children - to SPREAD this Tract far and wide. Buy what you can afford and give them to Veterans Organizations - Civic Organizations - Clubs. Give them out where you work - give them to your Pastor for distribution - enclose a copy in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of this Tract to your Congressman and Senators - tell them if they won't do it, you will VOTE for other men who will! TELL THEM YOU MEAN IT !!!

Why we MUST get the U.S. out of the UN — and the UN out of the U. S.

U.S. Government (TOP SECRET) Bulletins provide

DOCUMENTARY PROOF that UN is PLANNED DEATH-TRAP FOR U. S.

RITA ("Thieves' Paradise") . . . "All the American Boys who were killed in Korea were really murdered by the UN."

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theatre in Washington, D.C.

The play was written for just one purpose - to warn the American people that the YALTA plotters created the UN to destroy the U.S. and transform our country into an enslaved unit of a Communist One World Government . . . it was produced in Washington so as to put the UN on open trial before all the Members of Both Houses of Congress - from now on there can be no "I didn't know" alibis!

"Thieves' Paradise" revealed all the different phases of the diabolical plot - how the UN was a "Trojan Horse" sneaked into the U.S. to serve as a Sanctuary for Red Spies, Saboteurs and American traitors . . . how it was to destroy our Freedoms through "Treaties," such as "GENOCIDE" . . . to brainwash our Youth through UNESCO . . . to drain us of our wealth through UNRRA, "Marshall Plan"

and Foreign Aid give-aways . . . and to finally transform the U.S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force. But there were men like Syngman Rhee and Chiang Kai Shek who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygvie Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces?

"STEFAN:— Exactly! That's what happened in

Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . .

"RITA:— (Startled — gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they didn't dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1951 . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary. The same UN records show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him sole command of all UN military affairs!!

Confirmed by U.S. State Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) "Special agreements under article 43 of the United Nations Charter" (marked "TOP SECRET"), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygvie Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . These Armed Forces shall be made available from the best trained and equipped units of Member Nations of the United Nations" . . . and (under UN Regulations) "all of the Armed Forces thus to be provided shall be deployed as directed by the Chairman of the Military Staff Committee of the United Nations" . . . AND RED ARMY GEN. VASILIEV WAS THE CHAIRMAN !!!

decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about "rights" and "terms of the Charter": Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — he also confirmed its permanency! After that, says Mr. Lie ". . . it would not have been politic for me to resist that (secret agreement) accord."

He then reveals what little authority he had in all such matters, even in the choice of the Russian to fill that all-important post, although, under the Charter, he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that "his was not to reason why, his was but to obey — OR GET FIRED!"

WE NOW HAVE THE PROOF !!!

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—evidence that that "secret agreement" MURDERED 145,000 American boys in KOREA! — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly

investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless "the people" DEMAND that they act — and the people won't DEMAND until they know what to DEMAND. Senator Jenner said: "Our problem is to get the story to the people" — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — coupled with Tract No. One!

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

1959 - UN TRACT No. 2 - 1959

THE TRUTH . . .

by TRYGVIE LIE

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist ! ! ! Now, under the Charter, "little wars" to prevent Communist aggression (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee! GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee ! ! !

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGRESSIONAL RECORD", and demanded that the UN be hauled up for a thorough (open to the public) hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get "the people" to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we quoted sections of "**U. S. Government (TOP SECRET) Bulletins**" which OFFICIALLY confirmed all those charges . . . Those **TOP SECRET Bulletins** confirmed that the UN gave MOSCOW'S Gen. Vasiliev a "leave of absence" from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES ! ! ! . . . Those Bulletins PROVED that ALL

the American boys who died in Korea were MURDERED by the UN — as a result of that **Hiss-Molotov secret agreement** ! ! ! . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese ! ! !

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washington . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — and that would mean the end of the UN ! ! ! . . . And then the State Department came to the rescue of the Conspirators — they issued an "official statement" in which they denied our charges — and virtually proclaimed that their own original "**U. S. Government (TOP SECRET) Bulletins**" were falsehoods. And, promptly, the UN and ALL the UN Fronts — and the State Department — flooded the nation with that false and misleading "official statement"!

Now, get this point: in their denials, those "official statements" never once named the "charges" they denied — they operated on the theory that if they could cast a doubt on any one charge it would discredit all charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce DOCUMENTARY evidence that such an agreement had ever been made!

That strategy worked perfectly! And why not? After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely they wouldn't be guilty of deliberate falsehoods! Oh, no? Anyway, "the people", confused, believed

them. The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygvie Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit — maybe to clear his conscience. Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his (verbatim) statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Secretary Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "... by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won

YEAR-END REPORT for our MEMBERS

NOTE:—Customarily, at this time of year we issue a Year-End Report in which we review the work and the achievements of CEG during the twelve month period just ended. But this year it is FAR more than just a review—it is also a BLUEPRINT for the year ahead—a “blueprint” for ALL of the American people who truly love America—who are willing to FIGHT to save the country that is our heritage . . . and our sacred trust. It is a “blueprint” that shows that:

→ 1959 IS OUR LAST YEAR OF DECISION! ←

What we will do in 1959 will decide what will be done in 1960—at the Conventions . . . it will either drive out the traitors and save our country—or it will surrender our nation to the Internationalist-Communist conspiracy.
Therefore, please read this “Report” slowly—DIGEST it—then let your heart tell you what to do.

For the members of CEG there is no need to define the “Internationalist-Communist Conspiracy”—or to identify the Conspirators. If all of the American people knew even a fraction of what the CEG members know about both, that Conspiracy would have been smashed long before now. Time after time Senator Jenner cried out: “We must get the story to the people . . . only the people can force Congress to take the action that will smash the conspiracy.” But the Conspiracy-controlled Press-Radio-TV always managed to keep “the story” from the people. That was our great obstacle! Well, in this “REPORT” I will show how we virtually overcame that Press “blackout”—how very, very near we came to forcing Congress to take that action . . . I will show how and why we failed to achieve that Congressional action in 1958—but more important, this “REPORT” will show how we can (MUST) achieve it in 1959.

First, for the benefit of the uninformed, I will briefly outline the Machiavellian strategy of the Great Conspiracy: the Crux of their plot is to trap the United States into becoming a unit of a “One-World Government.” During World War One they set up the “LEAGUE OF NATIONS” for that purpose. That scheme was torpedoed by the then Senator Henry Cabot Lodge (not today’s phony Henry Cabot Lodge “Jr.”). They waited for World War Two (which they brought about ! ! !) and promptly set up the “UNITED NATIONS” to achieve that same objective.

As their first step, they organized the UWF (“United World Federalists”) to launch a “public demand” for a One-World (UN) Government, with PEACE as the bait. In 1949 we (CEG) issued a series of “News-Bulletins” and “Tracts” which unmasked and smashed that scheme . . . Thereupon the plotters launched the infamous UN “GENOCIDE TREATY”. In 1950 our (CEG) “News-Bulletins” and “Tracts” smashed that fiendish scheme!

The combined exposures created a nation-wide sensation. But the renegade Press, also the traitors in high places in Washington, rushed to the rescue of the UN—they assured the people that the whole thing was a “false alarm”—and the people went back into slumberland!

However, that narrow escape terrified the Masterminds of the Conspiracy. They decided it was too risky for the UN to come out into the open again—they’d have to find some other way to lure us into their trap. And that was when they decided that the U. S. Supreme Court would be their perfect pied-piper. They launched that scheme at the Republican Convention in 1952—with the deal to appoint Warren to the U. S. Supreme Court. The chief objective of the “Masterminds” was to get complete control of our “Law and Order” machinery, viz: Warren to issue “Decisions” based on the UN Charter—with Eisenhower to enforce them as “Laws of the Land” . . . thus, gradually, the UN Charter would supplant our Constitution.

In 1954, as scheduled at that Convention, Earl Warren was appointed Chief Justice of the U. S. Supreme Court—and his first (Desegregation) “Decision” confirmed the warnings in our “News-Bulletins” of that year. That “Decision” startled the nation—it so brazenly flouted our Constitution—and virtually proclaimed the UN Charter to be the Law of our Land. There was a great public outcry—some of the more courageous men in Congress denounced Warren. Right then and there was when Warren should have been impeached! But once again the “Masterminds” outsmarted us: frightened by the outcry, they “laid low”—made no immediate attempts to follow up that “Decision” . . . and once again their obedient press pooh-poohed the entire matter and convinced us that it was nothing to get

“het-up” about—and once again the people went back into slumberland.

Now, those loyal Americans in Congress, the Jenners, Malones, Goldwaters, Burdicks, they were not deluded. They knew what that “Decision” meant—and what would follow. They knew that salvation of the nation demanded drastic action. But they hesitated—primarily because the public outcry was subsiding—and they knew that without the CONTINUED support of the people they couldn’t get the Congress to support them!

The “Enemy Within” waited until we were sound asleep and then, in 1957, one right on top of another, Mister Warren issued his “Jencks Decision” and the “Watkins Decision” and all those other “Decisions” . . . “Decisions” that nullified laws passed by Congress to prevent treason and sabotage . . . “Decisions” to foil Congressional investigations of subversives and treason . . . “Decisions” intended to create racial dissensions and bloody strife throughout the Land! . . . And, at the same time, the “Military Genius” unlawfully launched the first step (*Little Rock*) of the blanket invasion that was to transform the entire South into the “Black Republic” the Masterminds of the Great Conspiracy have been holding out as bait to their negro dupes.

Once again the people screamed! Once again there were hurried conferences in Washington. And this time there was no hesitation—this time ACTION was a MUST! Senator Jenner started it off with his famous Senate Bill 2646, which, while aimed (ostensibly) only at clipping the jurisdictional wings of the Court, would have been the perfect springboard for the impeachment proceedings.

Simultaneously—to offset the “brainwashing” by the Press—and to build up a “peoples’ mandate” to support Jenner and the other loyal Senators, we (CEG) set ourselves to carry out Jenner’s exhortations to “get the story to the people”. We devoted our entire July-August (1957) “News-Bulletin” (“WE MUST IMPEACH SUPREME COURT JUSTICES”) to a review of all the Warren “Decisions”—and traced them directly to the written directives of the Communist Conspiracy . . . we established that Warren and his Associate Justices were placed in their high offices for the express purpose of twisting and distorting our Constitution into a pliable tool for the Great Conspiracy. At the same time, we issued the six-page “Tract” (WANTED—EARL WARREN—FOR IMPEACHMENT) in which we urged all loyal Americans to demand that their Senators and Representatives take the necessary steps (impeachments) to stop that treason.

Very quickly more than a MILLION copies of that “Tract” were circulating throughout the nation. In turn, thousands of loyal Americans, God love ‘em, poured their copies into the offices of their Senators and Representatives, together with letters demanding ACTION. And was that “Tract” campaign effective! At the peak of it sixty-two Senators had pledged themselves to vote for the Jenner Bill—and quite a few others indicated leanings to it.

DEFEAT SHOWS WAY TO VICTORY

Despite all the odds in our favor, the Jenner Bill was defeated by just one vote—41 to 40. But that is no longer news. But how the “Masterminds” succeeded in snatching that narrow victory out of the throat of defeat is news—and it also gave us the tip-off how we can save our country!

During the early April (1958) hearings on the Jenner Bill it became obvious that a strong majority of the Senate was swinging in behind it. Never before, as they saw one Senator after another bow to the demands of their Amer-

ican constituents, were the "Masterminds" in such a panic. They had to prevent the passage of that Bill at all costs. How they accomplished it is NEWS that all of the American people should know—because that "news" shows who controls our Congress—how they control it—and how we can smash that control. *The salvation of our Country depends upon getting that story to all of the American people!* Limitation of space prevents my telling it in this "Report", so I urge you to please, *please* send for our January (1959) "News-Bulletin" (No. 67). In that "News-Bulletin" you will get the whole story—but, more important, you will see how in their frenzy to defeat the Jenner Bill they unmasked all their techniques and revealed to us how we can make those very techniques boomerang—and smash their entire Conspiracy.

(NOTE:—The list price of our "News-Bulletins" is 50 cents per copy, but it is so vital to get this particular issue widely circulated that we will gladly fill quantity orders at reduced rates.) MCF

THE POWER OF THE "TRACT"

Our "Tract" crusade has taught us two vital lessons: 1) The so-called apathy of the American people is due mainly to the fact that our Press, Radio and TV are absolutely controlled by the "Enemy Within"—they not only keep the truth from the people, but slant all the news so as to "brainwash" us into accepting what the "Enemy" wants us to believe—but we now know that, *as far as they go*, our "Tracts" get the true story to the people . . . No. 2) We now know that our Congressmen will obey our demands—if we make our demands strong enough!—we know that if we had increased, or just maintained the momentum of our "Tracts", the Jenner Bill would have been passed virtually unanimously—and that impeachment proceedings of Warren would have followed just as surely as day follows night.

Now I will show why the impeachment of Warren is a sure way for the salvation of our nation: the Congressional investigations leading to the impeachment proceedings, plus the evidence uncovered in the "hearings", would provide us with all the ammunition we need to shatter the entire Conspiracy—just as surely as the evidence revealed by the Goldfine hearings torpedoed Sherman Adams out of his dictatorship! . . . It would reveal all the "deals" and chicaneries that landed Warren on the Supreme Court bench . . . it would reveal his backers . . . it would reveal the objectives behind all of his treasonous "Decisions"—and why they are based on the UN Charter . . . it would automatically nullify and outlaw all those "Decisions".

In short, just that one impeachment could completely unmask—AND SMASH—the entire Conspiracy . . . Is that worth fighting for? . . . And now I will show how we CAN win such a fight!

We lost our battle in 1958—by just one vote. The very narrowness of that defeat was our first real victory—I can assure you that there are scores of men in both Houses of Congress who now are (angrily) aware that the salvation of our country depends upon the impeachments called for by our Crusade—and they have come back to Washington this month with a determination to accomplish that job. *Don't take my word for it*—"NEWSWEEK", issue of October 20, stated:—"When Congress reconvenes in January, lawmakers in both Houses are prepared to introduce new legislation to curb the Court's powers. The Bills they have prepared constitute a far-reaching attack on the Court's authority . . ." the gist of the article indicated that any one of those Bills could be a springboard for impeachment proceedings!!!

Now: the passage of those Bills—and impeachment of Warren—depends upon how strongly we, the people, will support those Congressmen who stand ready to do that JOB . . . it all depends upon our getting "the story" to the people—in order to get their support. In 1958 we failed by just one vote—we failed because we did not get "the story" to enough of the people.

Nowthen, we (CEG) have dedicated ourselves to complete the job in 1959! Like the "Christian Soldiers" in the days of Nero, our CEG members must be the spreaders of "the story" throughout the nation. Just a few dedicated members in every community can do the job. But we do not have enough of them. So I ask you, beg you, to give enough of your time to induce a few of your friends and neighbors to become members of CEG—and help to spread "the story".

I have stressed the word *member*—now I'll tell you why; our records show that through the years we have had thousands of non-members co-operate with us (CEG) on one specific objective, such as smashing the UWF conspiracy, or the GENOCIDE plot, then, that objective achieved, they dropped out of the fight. *But not our MEMBERS!*—they keep on fighting! There is a psychological

something in all of us that once we take an objective into our hearts we keep fighting until that objective is won! Our MEMBERS, from the outset, have taken the salvation of our Country into their hearts—and they, like the "Christian Soldiers" of old, will keep on fighting until we win that objective. That is why I plead for MEMBERS in all communities to carry our fight to all loyal Americans throughout the nation—that is why I appeal to you to enlist your friends and neighbors to become MEMBERS ("CHRISTIAN SOLDIERS") of CEG and help us win this fight. *Surely America is worth \$12.00 a year (CEG dues) to every loyal American!*

OUR 1959 PLAN

First of all, we must operate on the theory that our 1957-58 "Tract" campaign is down the drain. It isn't actually—it is well planted with all the old members of Congress. But there are at least 100 new members in both Houses who must be "educated" and impressed.

Even more important, our "Tracts" tell "the story" in words and ways that even the few loyal ones in the press and radio don't dare to tell it. Therefore, we must get "the story" to the people via MILLIONS of our "Tracts"—not ONE million, but MILLIONS . . . And after "the people" read those "Tracts" they must sign them and send them to their Senators and Representatives.

Secondly, we have TWO objectives—although, actually, they are twins of our one GREAT objective: *to smash the Great Conspiracy*. No. 1 is the impeachment of Earl Warren—that will unmask ALL the traitors. For that objective we will continue to use our No. 1 UN Tract (DOCUMENTARY PROOF)—but, to nail down that proof, we are issuing the enclosed copy of UN TRACT No. 2. Read it and you will see its terrific impact—nobody who will read it can deny that, to save our country, we must—"get the U. S. out of the UN and the UN out of the U. S.!"

No. 2 is to haul the UN up for a thorough (public) "hearing" before a Congressional Committee—that will torpedo the crux of the entire conspiracy . . . it will outlaw the UN Charter and all the "Decisions" based on that Charter . . . without the UN the "One-World" scheme will be kaput! For that objective we will continue to use our No. 1 UN Tract (DOCUMENTARY PROOF)—but, to nail down that proof, we are issuing the enclosed copy of UN TRACT No. 2. Read it and you will see its terrific impact—nobody who will read it can deny that, to save our country, we must—"get the U. S. out of the UN and the UN out of the U. S.!"

These two "Tracts" should be distributed as a unit—combined, they are PROOF that not even the most fanatical UN-lover can dispute.

Nowthen, as I previously stated, we must launch our 1959 campaign *from scratch*. That means we must once again contact all patriots throughout the nations (including non-members of CEG) who co-worked with us in 1957-58—that means approximately 25,000 individuals . . . we must enlist the co-operation of the heads of ALL patriotic groups to have all their members get into this crusade . . . likewise all American Legion and VFW Posts and DAR Chapters, etc., etc. In addition, we must set up a "liaison organization" (call it a "Lobby") in Washington, D. C., to co-operate with those loyal Americans in both Houses of Congress.

Now, as you may know, we defray all of our operational expenses from our membership dues. We get no financial help from "Foundations"—we have no rich "angels". Even before the present high costs, that membership dues (\$12.00 per year) just barely covered our normal overhead. Now we have this tremendous job ahead of us. It will require an enormous amount of printing, postage, labor—but, I am sure you agree, it is a job that MUST be done. So I now have a very vital and urgent request: please increase (voluntarily) your membership dues—or contribute whatever you can afford to help us do this job. *The degree of our success will depend upon the finances to do it!* Every extra dollar you will contribute will provide us with priceless "ammunition"—and please bear in mind that we MUST do this job during this session of Congress! So please, please rush your dues check and/or contribution NOW—TODAY—we need the money NOW to pay for our tremendous mailing to launch the crusade.

Yours for God and Country,

P.S. Also please RUSH your orders for UN TRACTS No. 1 and No. 2—to "Get the U. S. out of the UN and the UN out of the U. S. . . and TRACT SCJ No. 1—to force impeachment of Earl Warren, et al. All our TRACTS are \$2.00 for 100 copies.

Additional copies of this "YEAR-END REPORT" can be had for 10c a single copy—at 5c per copy in quantity.

Dear Mrs. Pamplin:

Your letter postmarked May 20, 1959, has been received, and the interest which prompted your communication is indeed appreciated.

While I would like to be of assistance, the function of the FBI as a fact-gathering agency does not extend to furnishing evaluations or comments concerning the character or integrity of any individual, organization or publication. I regret, therefore, that I am unable to comply with your request for information concerning the individual and organizations you mentioned.

I would like for you to know that Mr. Myron C. Fagan has never had any connection with the FBI.

Sincerely yours,

J. Edgar Hoover

NOTE TO DALLAS. CONTINUED

Bufiles contain no identifiable information concerning the correspondent or the Women's Study Group for Constitutional Government.

The CEG is allegedly an anticomunist group. However, it has also been responsible for the distribution of anti-Negro and anti-Semitic pamphlets. Its director, Myron C. Fagan, has frequently attempted to use the Director's name in furtherance of his programs, and it has been necessary on numerous occasions to have the Los Angeles Office contact him and request him to refrain from mentioning the FBI in any manner. Fagan, in one of his pamphlets, attacked "Masters of Deceit" for complimentary references to the Anti-Defamation League of B'nai B'rith.

(62-87267)

World Federalists, mentioned by the correspondent, probably refers to the United World Federalists. The expressed purpose of this organization is to unify all world government groups into one organization. It has not been the subject of investigation by the Bureau.

NOTE ON YELLOW:

In view of the controversial nature of the activities of Fagan and his organization and in line with replies given to similar inquiries in the past, it is believed the above reply will best serve the Bureau's interests.

Dear Mr. Hoover:

Would you please give me all information you can on the Cinema Educational Guild of Hollywood, California, which is headed by Myron C. Fagan.

A new Club of Women in Lubbock, Called "Women's Study Group for Constitutional Government," is considering affiliating with this group, if it is a truly, patriotic, worthy, and completely American group.

It is my understanding that Mr. Fagan and his organization have worked with you at times.

Will you also please send me what information you have concerning the World Federalists--which I hear is coming to life again.

Very truly yours,

Enemy in time of war is TREASON. Communism is a known mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at total war with that Enemy. Those three "Decisions" unquestionably give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a Julius Rosenberg. For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the Rosenbergs!

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to fulfill their oaths — to summon forthwith for

proper trial all those Justices who collaborated in those three treason-packed "Decisions".

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

WANTED!

EARL WARREN

FOR IMPEACHMENT

For giving aid and comfort to the COMMUNIST CONSPIRACY, the mortal Enemy of the United States and the American People!

60-87267-161

CO-DEFENDANTS

Also wanted for trial and impeachment, on the same charge, are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and

NAACP were created immediately after that — to carry out that DIRECTIVE!

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — "Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . ."

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND !!!

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and

the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy was to succeed the FBI had to be destroyed!

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Under our laws, giving aid and comfort to an

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

NOTE: A more complete list, with their documented backgrounds, their techniques, their RED FRONTS, and other invaluable information can be found in "DOCUMENTATION OF THE RED STARS", by Myron C. Fagan. You can get a copy of this sensational book by sending \$1.00 to "Cinema Educational Guild, Inc."

RED STARS - No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . .

To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT
OF YOUR (TV)
LIVING ROOMS —
OUT OF RADIO —
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the Charlie Chaplin pictures are on the Screens again! — and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes ! ! . . .

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

Here is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood — Radio — Television . . . Hit the pocketbooks of the Sponsor ! ! ! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

My dear Congressman:

Your letter dated June 23, 1959, addressed to Mr. Belmont, and the letter addressed to you dated June 18, 1959, with its enclosures, from Mr. L. D. Nutting have been brought to my attention.

As indicated in your letter, you corresponded with us on January 26, 1959, concerning similar pamphlets received by another constituent. On January 28, 1959, I furnished for your confidential information the background of the Cinema Educational Guild and its national director, Myron C. Fagan, and advised that the organization has not been investigated by the FBI. The pamphlets submitted by Mr. Nutting have also been published and distributed by the Cinema Educational Guild.

It is noted that your constituent requests a Congressional investigation of the United Nations to determine the truthfulness of the allegations contained in the pamphlets. Since this, of course, would not be a matter within the jurisdiction of the FBI, I am sure you can appreciate my position in refraining from commenting upon such action.

I trust the above information will be of assistance to you. I am returning the letter from your constituent and the pamphlets he enclosed with his letter.

Sincerely yours,

Honorable Walt Horan

ATTENTION: SAC, SEATTLE

Enclosed are a copy of Congressman Horan's letter to Assistant Director A. H. Belmont and a copy of the letter to the Congressman from L. D. Nutting. Enclosed with Nutting's letter were two pamphlets entitled "The Truth About the U.N." and "Why we Must get the U.S. out of the UN -- and the UN out of the U.S." which have been previously brought to the attention of the Bureau. Bufiles reveal that Lawrence D. Nutting was interviewed in the Atomic Energy Act - Applicant investigation of [redacted], Seattle file [redacted]. The report of Paul C. Young dated December 15, 1950, at Seattle, in this matter indicated that Nutting was in 1946 a subscriber to the "New World," formerly published by the Free Press Publishing Company, Seattle, Washington, and that a major campaign of the Northwest District of the Communist Party was the fund drive in 1947 for the "New World." Informants of your office, however, advised that Nutting was not known to be associated with or have any interest in the Communist Party.

[redacted] Information concerning the Cinema Educational Guild was furnished your office by copy of Bulet dated January 28, 1959, to the Honorable Walt Horan.

NOTE ON YELLOW:

Nutting wrote the Congressman urging him to use his influence to demand a Congressional investigation of the United Nations to determine whether the charges contained in the above pamphlets were true. These pamphlets are very critical of the United Nations. The Congressman, by handwritten note to Mr. Belmont, indicated he had previously discussed this inflammatory material with Mr. Belmont and he requested we give him an answer for his constituent.

The Congressman apparently has reference to telephone call to Mr. Belmont in January, 1959, concerning similar pamphlets, and he was requested to furnish the material to the Bureau and we would determine if we could be of any assistance. Our letter to the Congressman 1-28-59 furnished background information concerning the Cinema Educational Guild. Copies of pamphlets submitted by Congressman's constituent not being made for Bufiles since pamphlets have been previously brought to our attention.

Bufiles reveal cordial relations with Congressman Horan since 1945. He is on the House Appropriations Committee. (62-78574)

URGENT WARNING TO ALL AMERICANS: THE REDS ARE BACK IN HOLLYWOOD!!!

YOU know what that means - but how many other Americans do?

Dear Fellow-Patriot:

First of all, I wish to stress that I am sending this "urgent warning" to a very carefully selected group of people — only to those men and women whom I personally know to be not only tried and true loyal Americans, but — and in this case that is even more important — who are fully aware of the Internationalist-Communist conspiracy for the take-over of our country.

My reason for this limitation is two-fold . . . 1) A truly desperate urgency for action to prevent a flood of anti-American films in theatres and on TV that are now being readied for Fall release . . . 2) We desperately need leaders, PAUL REVERES, in every community to help us create a nation-wide Army of AMERICAN "Christian Soldiers" to once again tear "Hollywood" out of the grip of the "Enemy".

For that reason, please accept this communication as a personal letter from me direct to YOU — read it slowly — DIGEST it — then, please answer immediately.

Tragically, percentage-wise, only a few of the American people will feel any alarm, or see any urgency in this warning that "THE REDS ARE BACK IN HOLLYWOOD."

Only ten years ago our entire nation, from Maine to California, was afame with rage when it was proven that the Film Industry had for years been the GREAT CONSPIRACY's most effective instrument for the "brainwashing" of the American people — and of the whole world! And all the loyal American people joined in the massive fight that drove many of the traitorous Stars, Writers and Directors off the Screen and out of Hollywood.

But (*unfortunately in this case*) the American people are noted for their "fair play" spirit — for our Christian "forgive and forget" spirit. I say "*unfortunately in this case*" because it is that spirit ("forget") that the Masterminds of the Conspiracy depended upon to enable them to bring all those traitors back into Hollywood — to again use our Screen to brainwash and bemuse our own people into helping them to destroy our country . . .

Now, to remove all doubts about that warning — and its urgency, I will show you why "Hollywood" (Films and TV) is the Great Conspiracy's most dangerous and most effective instrument for the destruction of our country.

History tells us that the first step in any political conspiracy is to get control of the mass mediums to the minds of the people. In our November 1954 "News-Bulletin" (No. 40), entitled "Freedom of the Press — To Promote Treason", I described how the Masterminds acquired control of our Press in the early years of their Conspiracy. But in the months before and right after the outbreak of the first World War, they realized that the "Screen" was a greater and far more effective mass communications medium than the printed word. It was during that period that the Pathé "News-Weekly" came into its own. By 1915 no Movie theatre program was complete without a "News-Weekly". Its pictured world events had far more impact than the same story on the front page of a newspaper. It was far more graphic. Instead of reading about it, you saw it happening! It thrilled you as no printed word could — it gripped you — it horrified you — and it entertained you! Yes, sir! The "Screen" had tremendous potentialities as a moulder of minds — especially the minds of Youth! Films could be made to order — to fit the needs . . . but its greatest po-

tentiality is that it can be made to entertain you — and at the same time make you think what they want you to think — to make you love or to hate what they want you to love or to hate. It was the entertainment in "The Beast of Berlin", in "Hitler's Children", that made the American people hate not just the Nazis, but all the German people . . . it was the keen entertainment in "Song of Russia", in "North Star", in "Mission to Moscow", that glorified Russia and COMMUNISM . . . it was the entertainment in a "Gentlemen's Agreement" that falsely "revealed" how American Christians "persecute" the Jews . . . it was the entertainment in a "Deep Are The Roots" that viciously fanned the flames of hatred between the Whites and the Negroes.

I could go on and on and on — but do I need to? . . . Do I have to further stress the frightful menace of the Film on the theatre Screen? . . . Do I have to stress that your children are not safe even in your own home as long as you permit the REDS to come into your Living Room via your TV Set?

When, ten years ago, we smashed their control of "Hollywood" we destroyed their most potent weapon. Had we been able to use the FILM to unmask them as they used it to brainwash and bemuse us their entire Conspiracy would long since have been destroyed. They know it! That's why they frantically fought to prevent our getting control of it. That's why they frenziedly, but patiently, fought to regain control for themselves . . . and they are succeeding — they WILL succeed — unless we, YOU and I, prevent it!

In the enclosed "Tract" I described how they kept their REDS "alive" — I described just a few of the crafty techniques they employed to bring them back. They waited — and waited — and waited . . . and every so often they would test the "memory" and the "resistance" of the people. First they tried a "comeback" for Eddie Cantor — the people screamed — the Masterminds hastily dropped that "hot potato". Ditto Edward G. Robinson, Orson Welles, Kathryn Hepburn, etc., etc. Then they tried a new technique: they teamed Frederic March with Adolph Menjou, theorizing that the firmly established Americanism of a Menjou would blind the people to the pro-Communism background of a March — but that didn't work, either. At first, all their schemes fell flat — but, gradually, the outcries of the people became fainter and fainter — and the Masterminds became bolder and bolder. They came out with Films, such as "The Brave One", authored by Dalton Trumbo, under a phony name — "The Defiant Ones", starring Sidney Poitier — the phony "Diary of Anne Frank", loaded with Reds . . . and now a new Gregory Peck Film, "Pork Chop Hill", directed by Lewis Milestone, the most vicious of all the Hollywood REDS. REC 18 520-87267-1

But the real test came when it was hinted that Dalton Trumbo would receive the RECORDED withheld "Oscar" for "The Brave One". When that created no outcry, the Masterminds figured that they finally had it "made" — and they followed that up with their most daring step: they had their "Academy of Motion Picture Arts and Sciences" announce that it has lifted its rule against giving honors and awards, including the "Oscar", to Stars, Writers and Directors "previously blacklisted by Studios for ALLEGED Communist connections" . . . And when that was accepted with only scattered and mild protest, "Variety", that brazenly pro-Red trade publication, joyously proclaimed (on Friday, January 23, 1959) that the "once-rigid blacklist against REDS in Films and TV is rapidly evaporating and will be entirely dead in six months to a year!"

What's the result? . . . Today all the "Lots" and TV

Studios in Hollywood are once again colluding with the REDS we unmasked and drove out ten years ago . . . Today all the theatres throughout the nation are once again brazenly flaunting Films that craftily sugarcoat MARXISM — that sanctify the "UNITED NATIONS" and ONE-WORLDISM — that decry NATIONALISM and ridicule PATRIOTISM . . . Films that glorify the NEGRO and vilify the WHITE — Films (*and TV shows*) that *deliberately incite dissensions and hatreds between Black and White, between North and South, between so-called Minority Groups and Americans . . . all to destroy the unity of the American people !!*

But, wait — as Al Jolson used to say — "*you ain't heard nothin' yet*" . . . What went on until now was only the "testing" stage — now we can expect to be given the full works! Already Walter Winchell (ADL mouth piece) has announced that various theatres in the New York area are re-running the old Charlie Chaplin films "*to excellent business*", indicating that they are to be revived throughout the nation — ON TV, TOO — if we let them get away with it . . . And right now, Kate Drain Lawson, a long-time functionary of "Theatre Guild" and a co-Chairman of ANTA (*American Theatre And Academy*), subsidized by the State Department, is promoting a nation-wide contest for one-act plays that will glorify the UN, UNESCO, UNICEF, and other UN "humanitarian" agencies, to be shown on Stage and Screen (*TV, too, of course*) during (*and after*) UN week in October. La Lawson's associates in this "humanitarian" treason job are Warner Brothers, 20th Century-Fox, Kirk Douglas, Robert Ryan, Emmett Lavery, Kenneth MacGowan, DORE SHARY — *do you recognize those names?* . . . Also, Eric Johnston, who was the original mastermind of the "Cultural Exchanges" which enabled Moscow to use our own Hollywood Films to glorify Communism and vilify America throughout the world, is again flitting back and forth between Hollywood and Moscow, arranging new "Cultural Exchanges" — this time with the blessing of the State Department . . .

I could tell you *much* more, but the foregoing should be more than enough to stress the desperate "urgency" in the warning that THE REDS ARE BACK IN HOLLYWOOD!

Now, who re-opened the gates for them? WE DID . . . by our Christian spirit of Forgive — and FORGET! So now it is up to us to drive them out again. We did it once, we can do it again — *only this time it must be for good!* And we have the weapon with which to do it — *the enclosed "TRACT"!* With this "Tract" (*aided by this "Urgent Warning" letter*) we can *again* smash the RED Conspiracy in Hollywood — and drive all the REDS out of TV and Radio, even off Broadway.

Now let me show you why I have so much confidence in this "Tract":

In 1947 I delivered the address that *first* unmasked the Red Conspiracy in Hollywood. Until then nobody *outside* of Hollywood, and (*except the traitors themselves*) very few *in* Hollywood, knew what was going on. That speech forced the "House Un-American Activities Committee" to investigate. That investigation *fully confirmed* all my charges — and proved guilty all the Stars (200) I had named as REDS . . . Then I wrote "*RED TREASON IN HOLLYWOOD*", in which I told the *complete* story of the Conspiracy . . . Then we picketed the theatres that persisted in showing the REDS and pro-RED Films . . . Then we issued our first "*AMERICANS—DON'T PATRONIZE THE REDS*" Tract — our CEG members and other loyal Americans soon had it circulating in every City, town, village, and hamlet in the United States — *and it was that "Tract" that finally closed THOUSANDS of theatres and drove the REDS off the Screen!*

Now, of course, that Congressional investigation helped tremendously, by reason of its being an *OFFICIAL* confirmation of the Conspiracy — *but after a few months it was more or less forgotten . . .* my book helped — but "black-listed" by the Press and boycotted by all the *controlled* booksellers, we were able to get only 100,000 copies into circulation . . . In short, not any one of our other activities *alone* could have smashed that Hollywood Conspiracy — *they helped, they paved the way* — but it was those MILLIONS of "Tracts" circulating year after year throughout the nation and closing those THOUSANDS of theatres that did the job . . . *The "Tract" was the knockout punch!*

But, unfortunately, the people, as a whole, don't know that the REDS never quit — that they just "*lay low*" until "*the heat is off*" — and then come back. After the Screen had been purged of all the more notorious REDS they (the people) assumed that the job was done — they relaxed — the volume of "Tracts" dwindled and dwindled and dwindled — "*the heat*" cooled off . . . and *that's why THE REDS*

ARE BACK IN HOLLYWOOD today! — And why we must do the job all over again.

But this time all we need to do it is just this new "Tract." This time we don't have to wait for another Congressional investigation to confirm the guilt of the REDS we name — *this "Tract" reminds that it has already been done . . . it reminds of the treason they committed in the past — it tells about the treason they are committing NOW — it warns of the treason they plan to commit from now on!*

This "Tract" can stop them dead in their tracks! *Just a few million "Tracts" circulating throughout the nation will send all the REDS scurrying back into their sewers — TEN million will smash the entire Conspiracy as flat as that A-Bomb smashed Hiroshima!*

Here is how we can achieve this great victory: we must get this "Tract" to *all* of the American people. The Press won't help us — the *only way* we can do it is through our CEG members. Just a few dedicated ones in *every* community can do the job. Unfortunately, we do not have enough such members. So I urgently request that you give enough of your time to induce a few of your friends and neighbors to join us in this fight for the salvation of our country — organize your own community group to the job — get your American Legion and VFW into it, your Lions, Kiwanis, Rotary, Women's Clubs, etc., etc.

Now let me show you what an organized group, whether it be 100, or 10, or *only* 5, can do in your community: if, *in turn*, every one of such a group will get just a few of his neighbors to sign "Tracts" and get them, in person or by mail, to the owners of their local theatres, it will panic those owners — *they will know that showing the REDS listed in the "Tract" will kill their box-office!* They, in turn, will pour all those "Tracts" into Hollywood, *warning* the Moguls and Producers that they won't dare to show such Films. That will do the job! It will hit "Hollywood" in the pocket-book — *and that's the only language they understand!*

Those same "groups" could pour the same *signed* "Tracts" into the offices of all the SPONSORS whose TV shows bring REDS and RED propaganda into your Living Room to *brainwash your youngsters* — as soon as those SPONSORS realize that you will stop buying their products *they* will stop bringing those REDS into your Living Room . . . that is the only language *they* understand — and in that way we will smash the REDS' control of Radio and TV!

My friend, do you think this is a JOB worth doing? . . . do you think it worth while to save your children from the RED brainwash of Hollywood and TV? Of course you do! Very well. Whether you do it as a "group" or by yourself, please do it right away — NOW! Send for your supply of "Tracts" and begin to circulate them in your community.

ANOTHER WAY YOU CAN HELP

We are sending this Letter and "Tract" to 10,000 carefully picked loyal Americans throughout the nation. That's not enough. We have a list of 25,000 such Americans, but we do not have the finances to cover the other 15,000. If you approve of our objective, please finance a few letters for us. One dollar will finance 8 letters — Ten dollars will finance 80 letters — One Hundred dollars will finance 800 letters.

Also — you may have a group of friends and neighbors whom you'd like to "alert" but can't spare the time to do it, or prefer to remain anonymous — send us the list and the financing and we will be *very glad* to do it.

One more thing: whether or not you can help in this crusade for the salvation of our country, please answer this Letter immediately — *and mark it for my personal attention*. Thus, if you can't help, I won't bother you with any further communications — if you can, your name will be set down in a special list for information of progress and all further action.

PLEASE answer TODAY!

Yours for God and Country,

P.S. Please RUSH your order for this "Tract" . . . also keep up the fight to "*Get the U.S. out of the UN and the UN out of the U.S.*" with UN "Tracts" No. 1 and No. 2 . . . also, help to force impeachment of the Earl Warren Supreme Court with "Tract" SCJ No. 1. All our "Tracts" are \$2.00 for 100 copies.

Additional copies of this "URGENT WARNING" can be had for 10 cents a single copy — at 5 cents per copy in quantity.

literature issued by the CEG which have previously come to the Bureau's attention and are anticommunist in nature. He also requested the Director's opinion concerning "Common Sense" published by the Christian Educational Association (CEA) in Union, New Jersey.

The CEG is allegedly an anticommunist group; however, it has been responsible for the distribution of anti-Negro and anti-Semitic pamphlets. Fagan has frequently attempted to use the Director's name in furtherance of his programs and it has been necessary on several occasions to have the Los Angeles Office contact him and request him to refrain from mentioning the FBI in any manner.

(62-87267) "Common Sense" is a notorious anti-Semitic hate sheet published by the CEA and has been the subject of a racial matters investigation, Newark office of origin, for the purpose of determining whether the organization advocates, condones or incites violence for the purpose of denying others their Constitutional rights. (105-9621)

NOTE ON YELLOW:

In view of the controversial nature of the activities of the CEG and the CEA, which organization is under investigation, and in line with replies given to similar inquiries in the past, it is believed the above reply will best serve the interests of the Bureau.

Director of the Federal Bureau of Investigation
Washington, D. C.

RECORDED COPY FILED IN

Dear Mr. Hoover:

I am a Methodist minister in the State of Indiana. As a minister and a loyal American citizen I am willing to take a stand against anything that is un-American. Furthermore, I want to support any worthy person or cause whose purpose is to oppose and fight Communism.

One organization in Hollywood, California, is presenting itself as a group that is exposing the Communists in the entertainment world and even at the level of government. This organization is called the Cinema Educational Guild, Inc., whose director is Mr. Myron G. Fagan. If Mr. Fagan and his personnel are actually doing what his literature would lead one to believe, he is to be recommended and, I think, supported. The question in my mind is this: Is this group a worthy and an effective movement against Communism, and is it a program that your department would sanction?

I want to have reliable information about Mr. Fagan's work before I support him and recommend him to others. I am enclosing some of his literature for your examination.

I shall appreciate your appraisal of the Cinema Educational Guild and any counsel you may wish to give regarding the matter at hand.

May I also ask your opinion of a small anti-Communist newspaper called Common Sense, published in Union, New Jersey, by the Christian Educational Assn. The editor is Conde McGinley. This paper is constantly making very critical indictments against persons and organizations.

REG-47 6-25-59-1
Thank you for your guidance in the matter at hand.

(Captioned) The Truth About Soviet Involvement in
the Korean War: (marked "TOP SECRET")

"In the interest of throwing further light on the facts of Soviet participation in the Korean war, and on the Chinese record in Korea, the Department of Defense has released two special studies on these subjects . . . these studies establish beyond any reasonable doubt the true nature of Communist aggression against the Republic of Korea, the Soviet and Chinese Communist support of, and participation in that aggression, and the BLUNT TRUTH about the internal and external manifestations of Communist control in North Korea . . . Many Russian 'advisors' were attached to the North Korean Army advance headquarters established in June, 1950. They wore civilian clothing, and it was forbidden to address them by rank. They were introduced as 'newspaper reporters', but they had supreme authority. They took the lead in commanding and manipulating troops. They treated the North Korean officers, who were nominally their chiefs, like their servants, or children. A North Korean Major identified two of these Russian 'advisors' as GENERAL A. Ph. VASILEV and Colonel Dolgin. VASILEV, he said, was in charge of all movements across the 38th parallel."

MacArthur's Top Aide Confirms -
as follows:

"Someone told them (the Red Chinese) that even if the Red Chinese swarmed across the Yalu into No. Korea in overwhelming hordes, even if they slaughtered UN soldiers by the thousands on the battlefield and in the prisoner of war camps the U.S. Government would not retaliate. And the Reds' staging and supply area in Manchuria would remain a sanctuary! . . . The U.S., BY ORDER OF THE UN, did not retaliate — Manchuria remained a Red's sanctuary throughout the war — and 145,000 American boys were maimed and MURDERED in Korea!!!

Do We Need Any More Proof?

By their silence the UN admits GUILTY! It is now up to Congress to act! But Congress won't act unless the people FORCE them to act. Senator Jenner said: "Our problem is to get the story to the people" . . . the people, only the people can FORCE Congress to act.

YOU can solve that problem - with this Tract!

You owe it to America -- and to your own children -- to SPREAD this Tract far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose a copy in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of this Tract to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will! TELL THEM YOU MEAN IT !!!

Why we MUST get the U.S. out of the UN

U.S. Government (TOP SECRET) Bulletins provide
DOCUMENTARY PROOF
that
UN is PLANNED
DEATH-TRAP FOR U. S.

RITA ("Thieves' Paradise") . . . "All the American Boys who were killed in Korea were really murdered by the UN."

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theatre in Washington, D.C.

The play was written for just one purpose — to warn the American people that the YALTA plotters created the UN to destroy the U.S. and transform our country into an enslaved unit of a Communist One World Government . . . it was produced in Washington so as to put the UN on open trial before all the Members of Both Houses of Congress — from now on there can be no "I didn't know" alibi!

"Thieves' Paradise" revealed all the different phases of the diabolical plot — how the UN was a "Trojan Horse" sneaked into the U.S. to serve as a Sanctuary for Red Spies, Saboteurs and American traitors . . . how it was to destroy our Freedoms through "Treaties," such as "GENOCIDE" . . . to brainwash our Youth through UNESCO . . . to drain us of our wealth through UNRRA, "Marshall Plan"

and Foreign Aid give-aways . . . and to finally transform the U.S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force. But there were men like Syngman Rhee and Chiang Kai Shek who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygvie Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces!

"STEFAN:— Exactly! That's what happened in

Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . .

"RITA:— (Started - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they didn't dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1951 . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary. The same UN records show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him sole command of all UN military affairs!!

Confirmed by U.S. State Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) "Special agreements under article 43 of the United Nations Charter" (marked "TOP SECRET"), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygvie Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . These Armed Forces shall be made available from the best trained and equipped units of Member Nations of the United Nations" . . . and (under UN Regulations) "all of the Armed Forces thus to be provided shall be deployed as directed by the Chairman of the Military Staff Committee of the United Nations" . . . AND RED ARMY GEN VASILIEV WAS THE CHAIRMAN !!!

"Thieves' Paradise" Charges UN With Murder - U.S. Defense Department Confirms It! - as follows:

Department of Defense, Office of Public Info.

Enemy in time of war is TREASON. Communism is a known mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at total war with that Enemy. Those three "Decisions" unquestionably give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a Julius Rosenberg. For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the Rosenbergs!

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to fulfill their oaths — to summon forthwith for

proper trial all those Justices who collaborated in those three treason-packed "Decisions".

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

WANTED!

EARL WARREN

FOR IMPEACHMENT

For giving aid and comfort to the COMMUNIST CONSPIRACY, the mortal Enemy of the United States and the American People!

CO-DEFENDANTS

Also wanted for trial and impeachment, on the same charge, are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and

NAACP were created immediately after that — to carry out that DIRECTIVE!

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — "Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . ."

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND !!!

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and

the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But if (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy was to succeed the FBI had to be destroyed!

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Under our laws, giving aid and comfort to an

HOLLYWOOD 46, CALIFORNIA

June, 1959

MYRON C. FAGAN
NATIONAL DIRECTOR

URGENT WARNING TO ALL AMERICANS:

THE REDS ARE BACK IN HOLLYWOOD!!!

YOU know what that means - but how many other Americans do?

Dear Fellow-Patriot:

First of all, I wish to stress that I am sending this "urgent warning" to a very carefully selected group of people — only to those men and women whom I personally know to be not only tried and true loyal Americans, but — and in this case that is even more important — who are fully aware of the Internationalist-Communist conspiracy for the take-over of our country.

My reason for this limitation is two-fold . . . 1) A truly desperate urgency for action to prevent a flood of anti-American films in theatres and on TV that are now being readied for Fall release . . . 2) We desperately need leaders, PAUL REVERES, in every community to help us create a nation-wide Army of AMERICAN "Christian Soldiers" to once again tear "Hollywood" out of the grip of the "Enemy".

For that reason, please accept this communication as a personal letter from me direct to YOU — read it slowly — DIGEST it — then, please answer immediately.

Tragically, percentage-wise, only a few of the American people will feel any alarm, or see any urgency in this warning that "THE REDS ARE BACK IN HOLLYWOOD."

Only ten years ago our entire nation, from Maine to California, was aflame with rage when it was proven that the Film Industry had for years been the GREAT CONSPIRACY's most effective instrument for the "brainwashing" of the American people — and of the whole world! And all the loyal American people joined in the massive fight that drove many of the traitorous Stars, Writers and Directors off the Screen and out of Hollywood.

But (*unfortunately in this case*) the American people are noted for their "fair play" spirit — for our Christian "forgive and forget" spirit. I say *"unfortunately in this case"* because it is that spirit ("forget") that the Masterminds of the Conspiracy depended upon to enable them to bring all those traitors back into Hollywood — to again use our Screen to brainwash and bemuse our own people into helping them to destroy our country . . .

Now, to remove all doubts about that warning — and its urgency, I will show you why "Hollywood" (Films and TV) is the Great Conspiracy's most dangerous and most effective instrument for the destruction of our country.

History tells us that the first step in any political conspiracy is to get control of the mass mediums to the minds of the people. In our November 1954 "News-Bulletin" (No. 40), entitled "Freedom of the Press — To Promote Treason", I described how the Masterminds acquired control of our Press in the early years of their Conspiracy. But in the months before and right after the outbreak of the first World War, they realized that the "Screen" was a greater and far more effective mass communications medium than the printed word. It was during that period that the Pathé "News-Weekly" came into its own. By 1915 no Movie theatre program was complete without a "News-Weekly". Its pictured world events had far more impact than the same story on the front page of a newspaper. It was far more graphic. Instead of reading about it, you saw it happen! It thrilled you as no printed word could — it gripped you — it horrified you — and it entertained you! Yes, sir! The "Screen" had tremendous potentialities as a moulder of minds — especially the minds of Youth! Films could be made to order — to fit the needs . . . but its greatest po-

tentiality is that it can be made to entertain you — and at the same time make you think what they want you to think — to make you love or to hate what they want you to love or to hate. It was the entertainment in "The Beast of Berlin", in "Hitler's Children", that made the American people hate not just the Nazis, but all the German people . . . it was the keen entertainment in "Song of Russia", in "North Star", in "Mission to Moscow", that glorified Russia and COMMUNISM . . . it was the entertainment in a "Gentlemen's Agreement" that falsely "revealed" how American Christians "persecute" the Jews . . . it was the entertainment in a "Deep Are The Roots" that viciously fanned the flames of hatred between the Whites and the Negroes.

I could go on and on and on — but do I need to? . . . Do I have to further stress the frightful menace of the Film on the theatre Screen? . . . Do I have to stress that your children are not safe even in your own home as long as you permit the REDS to come into your Living Room via your TV Set?

When, ten years ago, we smashed their control of "Hollywood" we destroyed their most potent weapon. Had we been able to use the FILM to unmask them as they used it to brainwash and bemuse us their entire Conspiracy would long since have been destroyed. They know it! That's why they frantically fought to prevent our getting control of it. That's why they frenziedly, but patiently, fought to regain control for themselves . . . and they are succeeding — they WILL succeed — unless we, YOU and I, prevent it!

In the enclosed "Tract" I described how they kept their REDS "alive" — I described just a few of the crafty techniques they employed to bring them back. They waited — and waited — and waited . . . and every so often they would test the "memory" and the "resistance" of the people. First they tried a "comeback" for Eddie Cantor — the people screamed — the Masterminds hastily dropped that "hot potato". Ditto Edward G. Robinson, Orson Welles, Kathryn Hepburn, etc., etc. Then they tried a new technique: they teamed Frederic March with Adolph Menjou, theorizing that the firmly established Americanism of a Menjou would blind the people to the pro-Communism background of a March — but that didn't work, either. At first, all their schemes fell flat — but, gradually, the outcries of the people became fainter and fainter — and the Masterminds became bolder and bolder. They came out with Films, such as "The Brave One", authored by Dalton Trumbo, under a phony name — "The Defiant Ones", starring Sidney Poitier — the phony "Diary of Anne Frank", loaded with Reds . . . and now a new Gregory Peck Film, "Pork Chop Hill", directed by Lewis Milestone, the most vicious of all the Hollywood REDS.

But the real test came when it was "hinted" that Dalton Trumbo would receive the previously withheld "Oscar" for "The Brave One". When that created no outcry, the Masterminds figured that they finally had it "made" — and they followed that up with their most daring step: they had their "Academy of Motion Picture Arts and Sciences" announce that it has lifted its rule against giving honors and awards, including the "Oscar", to Stars, Writers and Directors "previously blacklisted by Studios for ALLEGED Communist connections" . . . And when that was accepted with only scattered and mild protest, "Variety", that brazenly pro-Red trade publication, joyously proclaimed (on Friday, January 23, 1959) that the "once-rigid blacklist against REDS in Films and TV is rapidly evaporating and will be entirely dead in six months to a year!"

What's the result? . . . Today all the "Lots" and TV

Studios in Hollywood are once again crawling with the REDS we unmasked and drove out ten years ago . . . Today all the theatres throughout the nation are once again brazenly flaunting Films that craftily sugarcoat MARXISM — that sanctify the "UNITED NATIONS" and ONE-WORLDISM — that decry NATIONALISM and ridicule PATRIOTISM . . . Films that glorify the NEGRO and vilify the WHITE — Films (*and TV shows*) that *deliberately incite dissensions and hatreds between Black and White, between North and South, between so-called Minority Groups and Americans . . . all to destroy the unity of the American people !!*

But, wait — as Al Jolson used to say — "*you ain't heard nothin' yet*" . . . What went on until now was only the "testing" stage — *now we can expect to be given the full works!* Already Walter Winchell (ADL mouth piece) has announced that various theatres in the New York area are re-running the old Charlie Chaplin films "*to excellent business*", indicating that they are to be revived throughout the nation — ON TV, TOO — *if we let them get away with it . . .* And right now, Kate Drain Lawson, a long-time functionary of "Theatre Guild" and a co-Chairman of ANTA (*American Theatre And Academy*), subsidized by the State Department, is promoting a nation-wide contest for one-act plays that will glorify the UN, UNESCO, UNICEF, and other UN "*humanitarian*" agencies, to be shown on Stage and Screen (*TV, too, of course*) during (*and after*) UN week in October. La Lawson's associates in this "*humanitarian*" treason job are Warner Brothers, 20th Century-Fox, Kirk Douglas, Robert Ryan, Emmett Lavery, Kenneth MacGowan, DORE SHARY — *do you recognize those names?* . . . Also, Eric Johnston, who was the original mastermind of the "*Cultural Exchanges*" which enabled Moscow to use our own Hollywood Films to glorify Communism and vilify America throughout the world, is again flitting back and forth between Hollywood and Moscow, arranging new "*Cultural Exchanges*" — this time with the blessing of the State Department . . .

I could tell you *much* more, but the foregoing should be more than enough to stress the desperate "urgency" in the warning that THE REDS ARE BACK IN HOLLYWOOD!

Now, who re-opened the gates for them? WE DID . . . by our Christian spirit of Forgive — and FORGET! So now it is up to us to drive them out again. We did it once, we can do it again — *only this time it must be for good!* And we have the weapon with which to do it — *the enclosed "TRACT"!* With this "Tract" (*aided by this "Urgent Warning" letter*) we can *again smash the RED Conspiracy in Hollywood — and drive all the REDS out of TV and Radio, even off Broadway.*

Now let me show you why I have so much confidence in this "Tract":

In 1947 I delivered the address that *first unmasked the Red Conspiracy in Hollywood*. Until then nobody *outside* of Hollywood, and (*except the traitors themselves*) very few *in Hollywood*, knew what was going on. That speech forced the "House Un-American Activities Committee" to investigate. That investigation *fully confirmed* all my charges — and proved guilty all the Stars (200) I had named as REDS . . . Then I wrote "*RED TREASON IN HOLLYWOOD*", in which I told the *complete story* of the Conspiracy . . . Then we picketed the theatres that persisted in showing the REDS and pro-RED Films . . . Then we issued our first "*AMERICANS—DON'T PATRONIZE THE REDS*" Tract — our CEG members and other loyal Americans soon had it circulating in every City, town, village, and hamlet in the United States — *and it was that "Tract" that finally closed THOUSANDS of theatres and drove the REDS off the Screen!*

Now, of course, that Congressional investigation helped tremendously, by reason of its being an OFFICIAL confirmation of the Conspiracy — *but after a few months it was more or less forgotten . . .* my book helped — but "black-listed" by the Press and boycotted by all the *controlled booksellers*, we were able to get only 100,000 copies into circulation . . . In short, not any one of our other activities *alone* could have smashed that Hollywood Conspiracy — *they helped, they paved the way* — but it was those MILLIONS of "Tracts" circulating year after year throughout the nation and closing those THOUSANDS of theatres that did the job . . . *The "Tract" was the knockout punch!*

But, unfortunately, the people, as a whole, don't know that the REDS never quit — that they just "*lay low*" until "*the heat is off*" — and then come back. After the Screen had been purged of all the more notorious REDS they (the people) assumed that the job was done — they relaxed — the volume of "Tracts" dwindled and dwindled and dwindled — "*the heat*" cooled off . . . and *that's why THE REDS*

ARE BACK IN HOLLYWOOD today! — And why we must do the job all over again.

But this time all we need to do it is just this new "Tract." This time we don't have to wait for another Congressional investigation to confirm the guilt of the REDS we name — *this "Tract" reminds that it has already been done . . . it reminds of the treason they committed in the past — it tells about the treason they are committing NOW — it warns of the treason they plan to commit from now on!*

This "Tract" can stop them dead in their tracks! *Just a few million "Tracts" circulating throughout the nation will send all the REDS scurrying back into their sewers — TEN million will smash the entire Conspiracy as flat as that A-Bomb smashed Hiroshima!*

Here is how we can achieve this great victory: we must get this "Tract" to *all* of the American people. The Press won't help us — the *only way* we can do it is through our CEG members. Just a few *dedicated* ones in *every* community can do the job. Unfortunately, we do not have enough such members. So I urgently request that you give enough of your time to induce a few of your friends and neighbors to join us in this fight for the salvation of our country — organize your own community group to the job — get your American Legion and VFW into it, your Lions, Kiwanis, Rotary, Women's Clubs, etc., etc.

Now let me show you what an organized group, whether it be 100, or 10, or *only* 5, can do in your community: if, *in turn*, every one of such a group will get just a few of his neighbors to sign "Tracts" and get them, in person or by mail, to the owners of their local theatres, it will panic those owners — *they will know that showing the REDS listed in the "Tract" will kill their box-office!* They, in turn, will pour all those "Tracts" into Hollywood, *warning the Moguls and Producers that they won't dare to show such Films. That will do the job! It will hit "Hollywood" in the pocket-book — and that's the only language they understand!*

Those same "groups" could pour the same *signed* "Tracts" into the offices of all the SPONSORS whose TV shows bring REDS and RED propaganda into your Living Room to *brainwash your youngsters* — as soon as those SPONSORS realize that you will stop buying their products *they will stop bringing those REDS into your Living Room . . . that is the only language they understand — and in that way we will smash the REDS control of Radio and TV!*

My friend, do you think this is a JOB worth doing? . . . do you think it worth while to save your children from the RED brainwash of Hollywood and TV? Of course you do! Very well. Whether you do it as a "group" or by yourself, please do it right away — NOW! Send for your supply of "Tracts" and begin to circulate them in your community.

ANOTHER WAY YOU CAN HELP

We are sending this Letter and "Tract" to 10,000 carefully picked loyal Americans throughout the nation. That's not enough. We have a list of 25,000 such Americans, but we do not have the finances to cover the other 15,000. If you approve of our objective, please finance a few letters for us. One dollar will finance 8 letters — Ten dollars will finance 80 letters — One Hundred dollars will finance 800 letters.

Also — you may have a group of friends and neighbors whom you'd like to "alert" but can't spare the time to do it, or prefer to remain anonymous — send us the list and the financing and we will be *very glad* to do it.

One more thing: whether or not you can help in this crusade for the salvation of our country, please answer this Letter immediately — *and mark it for my personal attention*. Thus, if you can't help, I won't bother you with any further communications — if you can, your name will be set down in a special list for information of progress and all further action.

PLEASE answer TODAY!

Yours for God and Country,

P.S. Please RUSH your order for this "Tract" . . . also keep up the fight to "*Get the U.S. out of the UN and the UN out of the U.S.*" with UN "Tracts" No. 1 and No. 2 . . . also, help to force impeachment of the Earl Warren Supreme Court with "Tract" SCJ No. 1. All our "Tracts" are \$2.00 for 100 copies.

Additional copies of this "**URGENT WARNING**" can be had for 10 cents a single copy — at 5 cents per copy in quantity.

RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . .

To save America from the
Communist Conspiracy —

DON'T PATRONIZE REDS!!!

**KEEP THEM OUT
OF YOUR (TV)
LIVING ROOMS —
OUT OF RADIO —
OFF THE SCREEN**

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the Charlie Chaplin pictures are on the Screens again!—and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes ! ! . .

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

Here is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood — Radio — Television . . . Hit the pocketbooks of the Sponsor !!! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY !!!

Mr. Denver Baugh

Dear Mr. Baugh:

Many thanks for your kind letter, with enclosure, postmarked June 25, 1959. It was indeed thoughtful of you to write me, and your generous expressions of support are deeply appreciated.

While I am aware of the interest which prompted your request for information concerning Myron C. Fagan and the Cinema Educational Guild, Inc., and would like to be of service, the function of this Bureau as strictly a fact-gathering agency does not extend to furnishing evaluations or clearances of any individual, organization or publication. Disseminating data of the type you desire would, in effect, constitute an approval or disapproval of them, and I am unable to help you. I hope you will not infer in this connection either that we do or that we do not have in our files the specific information you desire.

I want you to know that your good wishes mean a great deal to my associates and me, and I am taking the liberty of forwarding some material which I thought you would be interested in seeing.

Sincerely yours,

John Edgar Hoover
Director

NOTE: Correspondent is not identifiable in Bufiles. He enclosed a small tract published by the Cinema Educational Guild, Inc. Bufiles reflect that the CEG is allegedly an anti-communistic group, however, it has been responsible for distributing anti-Negro and anti-Semitic pamphlets. The director of the CEG Myron C. Fagan has on several occasions attempted to use the Director's name in furtherance of his programs and has been requested by the Los Angeles Office on several occasions to cease such action. (62-87267) Numerous inquiries have been received concerning the CEG and it is believed that the above reply will serve the interest of the Bureau.

F.B.I. Washington 25, D.C.

Dear Sir:

I am writing this thru the encouragement of the President of the U.S. Shoe Corporation, Mr Cohen + Mr J. Ralph Corbett Chairman of Nutone Inc. Cincinnati, Ohio. as for myself I am a common laborer wishing to show some way the humble + deep appreciation for your undying faithfulness for this our Country. I have long wanted to write you but like most, kept putting it off. I have for some time now, (Ever since my brother was killed in Korea in Nov-28-1950) been worried about the safety of our Country. I hope + pray it will not take a lesson like this again to wake us up. But I am desperately afraid their going back to sleep. That's why people like you + President Eisenhower (That man who has been taught from childhood to serve + did serve, + still is so faithfully to his Country.) must keep on fighting or our Country is surely lost. I realize that men like you + Ike are a thorn in side of Communism, Consequently you'll be on their liquidation list. If it is possible for you to give me a list of those who are out to get you, so to speak I would appreciate it. Altho I realize it might not be possible for you to do so, I will understand. You have a big job give us something to go on. So we can help. As

it is a big job for you it is an even bigger job for us who are uninformed. The Press, Radio & Television are not giving us the complete picture. Maybe you have some good information in your last book I want to get one as soon as possible.

I have enclosed a tract, one of several I have been receiving thru mail, Plus long letters on Communist in Hollywood I believe some of them if not all are Communists. But is this really what Mr Myron C Fagan is after. He keeps bring ing up (kick United Nations out of U.S.) and impeach Earl Warren Chief Justice. I don't know to much about UN. But Earl Warren I don't like, he is one of the men that is giving you some trouble in forcing your files open. This is the only man I know of can name that is giving you trouble. I want to know more about Myron C Fagan before I give him to much help. I sent one tract to Senator Frank J. Lousche of Ohio that said -
IMPEACH EARL WARREN, did I do wrong?

I am enclosing the last tract I received couple days ago, a big letter was also sent to me but is to big to send in this letter.

I will close for now, Thanks for your time and keep up the good work I am behind you 100 %

P.S. - My Brother
won the Congressional
medal of honor in
Korea = U.S. Marines
